21st Annual SWOSU Research and Scholarly Activity Fair

Abstract Submission Deadline: March 15, 2014
Event Date: April 15, 2014
Time: Noon to 3:00 p.m.
Place: SWOSU Memorial Student Union Ballroom

Come and Join us at the 21st Annual Research and Scholarly Activity Fair! All faculty and students are invited to present scholarly activity as appropriate for your discipline. Examples include poetry reading, display of original works of art, research posters, engineering projects, etc. This fair is a chance to share with the university and community your endeavors as well as provide a forum for students to investigate multiple disciplines in one place. Formats for presentation include posters and 15-minute oral/podium presentations. Please note the abstract submission deadline is coming up soon in March. To find out more about the fair, or to submit an abstract, please visit www.swosu.edu/osp/fair.

This year, as in the past, we are putting on a scavenger hunt for students to become more involved with the presentations. If you would like to contribute toward the prize selection for those who successfully complete the scavenger hunt, the Office of Sponsored Programs will be collecting prizes now through April 11th.

Need a Ride to Oklahoma Research Day?
The Office of Sponsored Programs is taking three vans to Oklahoma Research Day on March 7, 2014. If you would like to ride with SWOSU to this event, please contact OSP by February 28th. Only those who have registered for the event may attend. Students riding with SWOSU need to fill out a liability release form, which is available through OSP.
Proposals for the Oklahoma INBRE Collaborative, Mini, and Equipment grants are due to the agency by February 28, 2014 before 5:00 p.m.

To apply for an OK-INBRE grant, please submit a Proposal Review and Compliance form to the Office of Sponsored Programs by February 19, 2014, along with your budget and abstract. To find out more information about this funding opportunity, please visit the following website: www.okinbre.weebly.com/faculty-funding-opportunities.

The 5th Annual Promoting Undergraduate Research Conference will take place on April 11, 2014, from 8:30 a.m. to 4:00 p.m. at the Presbyterian Health Foundation Conference Center in Oklahoma City. This year’s conference, titled “Promoting Undergraduate Research Models at Every Level: Inquiry, Community Engagement, Assessment and Retention,” is sponsored by the Oklahoma State Regents for Higher Education.

To present an abstract, please go to http://bit.ly/1cX0iL4. The 2014 conference will revisit effective models of inquiry with a focus on community engagement, effective models of assessment of undergraduate research outcomes and student retention, and examine student research projects illustrating these models.

Please contact OSP to receive more information about this event. For further questions, please contact Dr. Linda Mason, Coordinator of Grant Writing for OSRHE, by phone at 405-225-9486 or by email at lmason@osrhe.edu.

The Office of Sponsored Programs will sponsor travel to this event for three attendees, on a first come, first serve basis. Further details will be provided at a later time. For more information about the Proposal Writing Institute, please visit www.cur.org/conferences_and_events/institutes/proposal_writing_institute/.

SWOSU employees and students may submit information concerning their scholarly or academic activity to the Office of Sponsored Programs through a simple online form. The purpose of compiling this information is to create a report to distribute to university and state officials. The online forms will also be forwarded to the AI Harris Library to be added to the library's digital repository.
If you would like to report your activity, please find the form at www.swosu.edu/osp/scholarly-activity-report.asp. Documents or books pertaining to these activities should preferably be submitted in Microsoft Office, Postscript, or PDF format. Once the form has been submitted, you will receive a confirmation email. Please contact the Office of Sponsored Programs if you are unable to retrieve or have difficulty submitting the form.
Reports containing scholarly and academic activities from previous years may be viewed online at www.swosu.edu/osp/annual-report/index.asp.
