Sayre College was established in 1938 as a result of the efforts made by a number of the progressive businessmen of Sayre. These men felt that there was a need for an institution which would make college level training available to the highschool graduates of the area. They saw a future for a junior college serving Roger Mills, Beckham and Greer Counties; they conceived of a school which not only should prepare students for further work in the larger colleges and universities but also would offer terminal education to those who wished to enter business or the trades after only two years of advanced work. Time has certainly demonstrated the soundness of their judgment; Sayre College has experienced a healthy growth and has served well the area of Oklahoma.

Many students have gone to college who could not have done so had it not been for Sayre College. There is no question but that a student can attend Sayre College more economically, receive more personal attention from teacher and counselor, participate more fully in social and extracurricular activities than if he were to attend one of the larger schools. Sayre College is a participant in the NDEA of 1958 which provides students loans to those with unusual capacities in mathematics, science, foreign languages or teaching.

The College operates under the provision of Oklahoma Law permitting school districts to offer two years of work above the twelfth grade; Sayre College is accredited by the Oklahoma State Board of Regents for Higher Education, by the University of Oklahoma, and is a member of the National Association of Junior College. In 1959 a two-year course in Electronics was added to the curriculum to increase the advantageous offerings.

Sayre College is housed in a beautiful ultra modern structure in the north part of town near highway 66 and 283 after eighteen years of sharing housing with the highschool. Future plans include new dormitories for both boys and girls, to be built near the existing classroom building and fieldhouse.

EDUCATION IS NECESSARY: SO IS STUDY

Education is an opportunity. It does not guarantee anything; combine it with high ideals, good character, hard work and it will help to make life meaningful in the highest sense.

Earl King

Every Custodian is wrong. Every adult will advise you to master all subjects in school, regardless of the sacrifice. They advise this knowing that it will help you to be happier, more successful, and to contribute to your community and society.

Education is necessary. What is useful. What is recreational.

Earl King

Education is necessary. It represents your past and future, your fund to carry on.

Earl King

Past without opportunity, adult does not give a chance. Adult will not give a chance.

Earl King

There have been some people in the past who have been successful and amassed fortunes in fields where they did not have the opportunity for an education. Now in the present we have one of them that wouldn't have had an opportunity for an education.

Earl King

And when you know this, you will advise others to study, to study, to study.

YEACERS' FAMOUS FIRST GRADERS
Miss Ruby Dell Hobbs, second grade teacher in Sayre Public Schools is a graduate of Sayre College. She received Bachelor of Science and Master of Teaching degrees from Southwestern State College. Ruby Dell has taught 18 years in Sayre Schools.

Larue Post, a 1940 graduate holds a Bachelor of Science Degree from Southwestern State College and is now manager of the POST CONSTRUCTION COMPANY. He specializes in residential construction and has built many houses in Sayre, Cheyenne, Laverne and Muskogee. Mr. Post is a pilot and flew a B-17 on bombing missions over Germany during World War II. He is married to the former Mildred Kitchens and has two boys, Rod and Joe.

Virgil Jr., and Alene Robertson received Bachelor of Science degrees from Southwestern State College and are working toward Master of Teaching degrees. Both have been teaching in the Whitehurst School for two years. They have two children, Jerry Ann and Keith.
Ervin Thurman is another SJC graduate that chose the vicinity of Sayre for his home. Ervin, with his father, Guy, operate a 100 cow dairy, Grade A and were pioneers in the bulk milk handling industry in Western Oklahoma. An industry which consists of approximately 200 similar dairies and brings a quarter of a million dollar monthly payroll to this area.

Ervin and his father were also first to employ automation in their feeding program. The picture below shows a 110 ton silo with complete automatic facilities.
Mrs. J. Ray Lawler, wife of the local Methodist minister, graduated from high-school at Killeen, Texas and attended Oklahoma College for Women at Chickasha and Northern Oklahoma Junior College at Tonkowa before moving to Sayre to complete her junior college work. She has two children, Arthur and Leta Rhea.

John McClellan, a 1957 graduate, majored in science at Southwestern State College and taught one year at Wheeler, Texas. John is now teaching science at Sentinel. He is married to the former Lola Butler. Their daughter, Anita is a student in Sayre Junior College and Larry John, age 1 year is a promising prospect.

Billy Joe Lowrance is employed by Northfork Electric as a lineman. He is married to the former Aleta Bartz and has one child, Doug. Billy Joe is also a rancher and specializes in registered Brown Swiss cattle.

Leo Breeze another graduate, continued his education at Southwestern State College where he received a Bachelor of Science degree in Education. Leo has taught 10 years, 9 of these at Merritt serving as highschool principal. In 1959 and 1960 he was awarded National Science Foundation Scholarships and studied mathematics at the University of Oklahoma. He married the former Marlene Bell and they have one daughter, Dana Kaye. He specializes in registered white face cattle along with his ranching activities.
Lonnie "Snazz" Risenhoover, a 1956 graduate started to Sayre Junior College in 1951 but decided to serve some time in the U. S. Army before settling down to school. He spent most of the time in Alaska. After returning to SJC he chose accounting as his major field and has been making good use of it since. He has been employed by the Teci Production Company of Sayre for the last 4 years. In addition to his work here Lonnie has one year of work from Southwestern State College at Weatherford.

Edsel Thompson attended Western State College of Colorado after finishing two years of work at Sayre Junior College. He graduated in 1948. With a major in business he worked for Hughes Appliance Co., Phillips Petroleum of Borger, Miller-Jackson Distributing Co., of Oklahoma City, Western Farmer's Cooperative of Anadarko and is now keeping books for the Wheeler Pipeline of Sayre.
J.J. Burden Jr., graduated from SJC in 1957. He completed his Bachelor of Science degree from Southwestern State College in January, 1959, with a major in Business Administration. He was recently elected as City Clerk for the town of Sayre.

Mae Connelly, a graduate of 1958 is shown with her family reunion group. Mae is Chief Clerk of the ASC office of Beckham County. Her husband, Burton has also attended SJC.

James Hartpence, a 1949 graduate is now teaching Accounting at Capitol Business College in Oklahoma City. He is married to the former Jackie Wonder. They live at 123 North Central Drive.

Bobby Cloyd, another graduate of Sayre Junior College chose to live in Sayre and make use of his carpentry training. He has done very good work in many of the houses of Sayre.

Larry Farmer, a 1955 graduate of SJC is now teaching science at Merritt. He received a Bachelor of Science degree from S.W.T.C. Larry and his wife, the former Genora Adkerson live in Sayre and Genora attends Sayre Junior College.
Delbert Carnahan a 1957, graduate is continuing his farming and ranching interests north of Sayre. He is married to the former Majorie Story of Sentinel. She formerly taught Home Economics in the Sayre Schools. They have three children. Nancy age 6, Mike age 4, and Laura 6 months.

Bowie Allen, an employee of the local Hampton Chevrolet Company for the past 9 years is another S.J.C. graduate. Bowie spent 10 months in the Hawaiian Islands during World War II and 14 months in France, serving in the medical corp of the Armed Services. In 1950 he was recalled to duty with the 45th division of the National Guard and spent 10 months in Japan and 5 months in Korea during the Korean conflict. He is married to the former Ruby Lea Green and they have one son, Von, Age 10.
Layton Broddrick, is now employed by the local firm of Lintz-Devanney. Before enrolling in S.J.C., Layton spent some colorful years, 1951-1954 in Alaska and The Far East, serving our country during the Korean Conflict with the Artillery Division of the Armed Service. Graduating in 1957, with a major in business he worked for the Wheeler Pipeline Company, and an Oil Company in California, before deciding to return to Sayre to live. He married the former Josephine Bohannon and they have 2 daughters, Dianne age 3, and Ladonna age 2.

Frances Jo Martin, graduated from Sayre Junior College in 1953. She was employed by Brickel's until she began nursing work at the Sayre Municipal Hospital. She plans to continue her studies to become a laboratory technician.

Emma Lee Hacker Robison, graduated in 1951, and is married to Melvin Robison, a former student. Melvin is a registered pharmacist and owner of the Owl Drug. Emma Lee and Melvin with their two children Melvin Lee and Debbie, have bought a home at 1718 N. 4th. Street, and a farm south of town.

Milton Crosby, made basketball at SJC a real sport. He married the former Wanda Mills, and is employed by Public Service of Sayre.

Wayne Howard, graduated in 1957 and chose to follow the grocery business. He married the former Frances Hayen and they have one child, Kimberly Ann. They have
Dwain Macklin, graduated in 1951, then finished his degree at S.W.T.C. He taught school for one year in the Sayre Public School, then decided to use his talents in the lumber business. He is employed by the Sayre Lumber Company, of Sayre. He married the former Annetta Sims of Cheyenne. They have one daughter, Terrie Gwen.

Leslie Welch, a 1958 graduate decided to do carpentry work in Sayre following graduation and continued in that profession until his "tour of duty" in the Armed Services began. He plans to finish his education upon his return and continue to do carpentry work. Leslie has done cabinet work in many of Sayre's beautiful homes.

Editha Hildebrand, completed her Junior College work in January of 1958, and graduated from Southwestern State College at Weatherford. She is now working with the Child Welfare Department for The State of Oklahoma. Editha and Al her husband have one boy, Fred.

The Sayre Yellowjackets closed their season Monday night with a 60-46 conference win over Tulsa Spartan Tech at the Sayre fieldhouse.

Sayre led all the way and was ahead 36-18 at the half. Phil D. Burden, Larry Duke and Larry Jackson led the scoring for the hosts. This win puts Sayre in second place in the Bi-State Conference, a half game behind Ft. Smith.

Palmore, Donald*den played their part for the Jackets.

Bas.

You c* just around the college boy's dorm, and probably see an energetic crowd of boys outside playing ball. It could be Phil Burden, Larry Palmore, Johnny Crabb, Nickey Curtis, Kenny, or even Coach Keith watching them.

From all reports, this year's team has the best promises of a state-bound team. The team will see their first action when they play Frank Phillips at Borger on March 16 and the next day they go to Northwestern.

The baseball training starts as soon as the basketball season ends.

KIENER CROWNED CAGE QUEEN

Miss Sue Kiener was crowned Junior College Basketball Queen at half-time of the sa game, Monday night, 20. Attendants were Beverly Yarbrough and Sue Walker.

Miss Kiener was escorted by Lonnie Donaldson to the center of the court for the coronation. Phil Burden escorted Miss Yarbrough and Larry Palmore escorted Miss Walker.

The Queen was presented with the crown and a bouquet of roses. The attendants were presented corsage, each of white mums.

Miss Sue Kiener, daughter of Mr. & Mrs. W. E. Kiener, Ber is a second year student at SJC. She is a cheerleader, queen attendant, secretary of Student Council, and a member of Y-J Club.

Miss Beverly Yarbrough, daughter of Mr. & Mrs. Lee Yarbrough, is a Sayre high school graduate and a freshman at SJC. She is active as a member of Y-J Club.

Miss Sue Walker, daughter of Mr. & Mrs. Bob Walker, is a Sayre high school graduate and a freshman at SJC. She is active as a member of Y-J Club and plans to attend SJC next fall.

SAYRE JUNIOR COLLEGE JACKETS BALL CLUB SEASON OPENS WEDNESDAY, MARCH 15, 1961:

The Sayre Junior College Yellow Jackets opened their baseball season at home Wednesday, March 15, when they played Frank Phillips College of Borger, Texas.

The Yellow Jackets sport one of the strongest teams in the area and were favored to have Phillips as their first victim. A strong mound staff is the Sayre high light. Such chunkers as Phil Burden, Nicky Curtis, Ivan Wotten, Larry Palmore and Jim Bull were in the running for first round action Wednesday.

Johnny Crabb opened as catcher with Don Walker, Kenny Park, Larry Powers and W. D. Cromwell filling out the infield. Field has several front such as Larry Jack, Johnny Akin, Jerry Burrows.

SJC IN SPEECH

Six Oklahoma juniors participated in the championship tournament of Oklahoma Junior College speech held at the University of Oklahoma, on March 10-11.

Colleges participating were: Cameron State Agriculture College, Lawton; Eastern Oklahoma A & M College, Wilburton; Murray State Agriculture College, Tishomingo; Northwestern Oklahoma A & M College, Miami; Northern Oklahoma Junior College, Tonkawa and Sayre Junior College, Sayre.

Those participating were: Virginia Ivester, dramatic reading; Lee Norman, poetry interpretation; Ron Mize, poetry interpretation; Jim Fowler, dramatic reading; John Simmons, dramatic reading and poetry interpretation; James Howell, extemporaneous speaking; Kenneth King, dinner speaking; Bill Rothenberger and James Howell, duet acting; and Virginia Ivester and Jim Fowler.

We received several good ratings and much helpful criticism. Everyone agreed that this was a profitable and interesting experience.

The Sayre Junior College baseball squad journeyed to Borger, Texas, Thursday to play Frank Phillips. They had a very successful day. Nicky Curtis hit two home runs and drove in six runs. Phil Burden was the winner with Ivan Wooter following. Burden, Curtis and Johnny Crabbe, Palm, and Nicky Curtis did the outstanding work for Sayre.

Sayre was 23 to 1, their smashing victory.

A bachelor farmer was milking when a bill collector stopped at the barn after finding no one at the house. "Be through in a minute," he grunted. He finished milking, lifted the pail to his mouth and drank deeply. Then he poured milk into a pan for several and a dog, stepped to the bank, sloshed some water in the pail, hung it up. "Milkin's done, milkin's over, and the dishes all done. What can I do for you?"

ANNUAL TO BE PRINTED BY LOCAL FIRM

The Sayre Junior College 1961 Annual will be published by New Era Printer, a local firm, according to Mrs. Maurine Fails.

This will be the first time a school annual has been published locally. The annual will contain both color and block and white abstractions and a page bearing autographs of all the college students and faculty.

Mrs. Fails, with four annual staff members, visited the firm. The off-set printing process was explained by Sam Dowdell, manager, who conducted them on a tour of the plant. He prepared a page of the annual for the information to be inserted in the publication later.

The annual staff is consisting of the student council under the direction and help of Mrs. Fails.

Supt. Lennon and Principal Parker brought two high school senior boys from Dodson, Texas, to Sayre Junior College to visit and work out with the Yellowjacket ball team. These two boys were Joe Lennon and Eddie Hunt.

We are hoping to get these boys next semester to attend school here.

LARRY PALMORE CROWNED Y-J BEAU

The Y-J College girls crowned the Y-J beau, Larry Palmore, Friday morning at a special assembly in the Sayre fieldhouse.

The Y-J members participated in the crowning event, with the club president, Miss Anita Butler, presenting the crown.

Larry Palmore, son of Mrs. Ella Palmore, Martha, is a graduate of Vinson high school. He is president of the SJC student council and a member of the basketball and baseball teams. He is a second year student at SJC and will graduate in May.

INTERESTED IN CIRCLE "K"?

At the present time, work is under way to organize a Circle K Club at Sayre Junior College. In order that you may know more about Circle K, this is what Circle K is:

Circle K is a club for college or high school students similar to the organization known as the Future Farmers of America. It is an educational organization with the purpose of promoting and developing interest in public and private service to the community and to assist in the development and good citizenship.

To its members, Circle K offers training in human relations, leadership, and citizenship. Circle K strives to build better relations between school and community and to be of service to them.

Circle K is not a "fraternity" or secret organization, it is an organization of young men interested in school and community affairs and the relationship which exists between their school and community.

As Sayre Junior College's only organization for men, it would have social activities in cooperation with other clubs and organizations.

Anyone interested in more information on Circle K or in helping us get Circle K organized should see either Ray Garrett or myself.

There will be a meeting of the Circle K, Tuesday, February 28, at 11:00 A.M. in the college lounge. Everyone interested in the club, is asked to be there.

ROARIN' TWENTIES PARTY

The SJC Student Council sponsored Roaring Twenties Party Tuesday night, February 21, for the college. Approximately 75 students, Mrs. Scroins and Mr. Patterson enjoyed the party.

Most of the students were costumed as gangsters, molls, or other interesting '20's characters.

The groups enjoyed an Elliott Ness game, with Lonnie Donaldson, Jerry Burrows, and Johnny Crabb, the winners.
A new organization in Junior College is Circle K, a civic organization of college students. The Kiwanis Club, its parent body, will increase the number of students in its membership in its membership program. The Circle K tells the people who are its members.

The local club will follow the policies of the national group — promoting community projects, sponsoring participation in the regional and national efforts of the entire club, and in planning social activities for the local membership.

When the club met on Tuesday, February 28, the following officers were elected:

Fred Blackmon — President
Ray Gannon — Vice-President
Robert Daniel — Secretary
Gale Goodwin — Treasurer
Doyle Jackson — Board Member
Johnny Akin — Board Member
John Thompson — Board Member
Jimmy Hartpence — Board Member
Kenneth King — Chairman of Committee on Social Events
Eugent Seright — Chairman of Board of Directors
Other officers elected were Sue Kiener and Betty Fajen.

NINE WEEKS TEST!!!! THIS WEEK!

Nine weeks test will be given this Thursday and Friday. As everyone knows, these are midterm exams and it is necessary that we all do our best. This leaves only nine weeks in this 1960-61 school year.

Don Warner was griping the other day about how loud his car muffler was. But what did he do that afternoon??? Oh, he just went downtown and bought a Glass Pack which is much louder than his old one.

SNAPSHOTS NEEDED!!

Hey, SJC Camera-bugs! The Student Council would certainly appreciate any snapshots you may have of any college students. We also need a picture of the high school you graduated. Please give these to Mrs. Farner or any student council member.

SPRING BANQUET

The SJC Student Council planning a spring banquet to be held in May at the Quartz Mountain State Lodge, Lake Lure. We are waiting to hear from the Lodge giving us the open dates for banquets.

There will be an advanced ticket sales, in order that we can get organized.
