THE MAYFLY NEWSLETTER

Vol. 1 No. 1

Southwestern Oklahoma State University, Weatherford, Oklahoma 73096-3098 USA

August 1990

New Publication for Ephemeropterists

This publication represents a new undertaking. Its purpose is to assist individuals by providing a relatively rapid means of disseminating information on mayflies approximately twice a year.

This newsletter does not replace *Eatonia*, in fact it complements *Eatonia*, because of its

faster publication time.

This newsletter will publish information on mayflies that you submit. Topics include new books on mayflies, announcement of new or completed research projects, location of type specimens, request for loan specimens, meeting announcements, etc.

The next publication date is tentatively set for January 1991.

If you would like to contribute news for that issue, send a note to me at the following address: Peter Grant, Department of Biological Sciences, Southwestern Oklahoma State University, Weatherford, Oklahoma 73096-3098 USA.

Proceedings of the 5th International Conference Available

The proceedings of the 5th International Ephemeroptera Conference and the 9th International Plecoptera Conference have been published together by Kluwer Academic Publishers: Campbell, I. C., ed. 1990. Mayflies and Stoneflies: Life Histories and Biology. Proceedings of the 5th International Ephemeroptera Conference and the 9th International Plecoptera Conference. Series Entomologica vol. 44. Kluwer Academic Publishers, Dordrecht/Boston/London. 366 p.

The 7th International Ephemeroptera Conference will be held 3-6 August 1992 in Orono, Maine. Cassie Gibbs is the conference convener. If you have an idea for a special session at this meeting or would like your name on the mailing list for further conference announcements, write to her at: Cassie Gibbs, Department of Entomology, University of Maine, Orono, Maine 04469 USA.

If you would like to remain on the mailing list for *The Mayfly Newsletter*, please complete this form and return to Peter Grant, Department of Biological Sciences, Southwestern Oklahoma State University, Weatherford, Oklahoma 73096-3098 USA.
