Dear Diane,

As I leave UCO, I want to thank you for your friendship and partnership in the work we've done for education. Our institutions all serve a purpose and region, and each is doing worthy work. It's clear that your institution and our state have benefited from your leadership.

I am so grateful to have had the opportunity to get to know you. Although I will not be at the university in the future, I remain committed to your success and would value building a new relationship of our own. I've shared my personal contact information below and ask that you use it to communicate with me beginning January 2023.

I wish you abundant success in all you do.

Your friend,

Patti Neuhold-Ravikumar
