Student Government Association Constitution

Southwestern Oklahoma State University

PREAMBLE

We, the students of the Weatherford Campus of Southwestern Oklahoma State University (SWOSU), in order to ensure that our interests are represented, to provide student leadership, and to promote the general welfare of the university, do hereby create this Constitution of the SWOSU Student Government Association (SGA). We recognize SGA as the legitimate governing entity of the student body, and do empower it with all necessary authority toward the benefit of the student body.

ARTICLE I

Section One

The Student Government Association shall be governed in accordance with this Constitution, which shall have precedence; the SGA By-Laws, which shall contain the rules and regulations of the Student Government Association; the SWOSU Student Statutes, which shall contain all acts of the Student Government Association affecting the student body as a whole; and such standing rules as adopted by the legislative, executive, and judicial branches for their own governance.

Section Two

All members of the Student Government Association shall be installed with an oath of office administered by the Chief Justice of the Supreme Court, or, in his or her absence, an associate justice. The specific oath shall be found in the SGA By-Laws.

ARTICLE II

Section One

All legislative powers of the Student Government Association shall be vested in the student legislature, which shall be called the Student Senate.

Section Two

The Student Senate shall be comprised of student Senators, who shall be elected by their respective SWOSU College. There shall be fifty (50) seats in the Student Senate, which shall be distributed as followed: 5 seats allocated for Sayre, and a changing number of seats for the SWOSU Colleges that are to be distributed by the proportions of students enrolled in each college each year at the start date of the fall semester.

Section Three

At the time of taking office, all members of the Student Senate shall be enrolled as full-time students as set forth by the university and shall not be on academic or disciplinary probation or suspension.

Section Four

The Student Senate shall organize in accordance with its rules under the Vice President of the Student Body, who shall serve as the President and Chair of the Student Senate. The Student Senate shall elect from its membership a President Pro Tempore, who shall serve as Chair in the absence of the President of the Senate, and other officers as prescribed by the By-Laws.

Section Five

All Student Senators shall serve a term extending from the date on which that Senator takes the oath of office until the date of sine die adjournment of the Student Senate for that academic year.

Section Six

Vacant seats within the Senate membership shall be declared by the President Pro Tempore, unless declared by a simple majority of the members, and shall occur under the circumstances of resignation, impeachment, or automatic removal for absences or failure to meet qualifications for office. The President Pro Tempore shall nominate students to fill vacant seats, and such nominations shall be confirmed by a majority vote of seated Senators prior to the administration of the oath of office.

Section Seven

Student Senators shall be subject to impeachment on the following grounds: failure to uphold their duties, failure to abide by the constitution, or any other high crimes or misdemeanors as deemed legitimate by the judicial branch. Impeachment proceedings shall be conducted in accordance with the By-Laws.

Section Eight

The Student Senate shall convene no later than one month and seven days after the beginning of the fall semester, shall adjourn sine die no later than seven days prior to the first day of final exams in the spring semester, and shall hold regular meetings in accordance with the By-Laws.

Section Nine

The Student Senate shall sponsor such student activities as it deems advisable, shall confirm any student government monetary expenditures, shall oversee student elections, shall confirm all executive and judicial appointments made by the Student Body President by a two-thirds (2/3) majority vote, and shall be empowered to remove justices of the SGA Supreme Court by a three-fourths (3/4) vote on passage of a resolution of removal.

ARTICLE III

Section One

The executive power of the Student Government Association shall be vested in a President of the Student Body.

Section Two

The President, Vice President, and Treasurer (“elected officer”) shall take the oath of office at a business meeting of the Student Senate following their election and prior to sine die adjournment of the Student Senate for that academic year.

The elected officers shall serve a term extending from the Monday after graduation in the year in which they are elected until the Monday after graduation of the following academic year. (SB S1201)

Section Three

The President shall possess full-time student status at SWOSU at the time of election as set forth by the university, shall possess and maintain a GPA of 2.50 or better on a 4.0 scale, and shall possess at least sophomore status at the time of taking office.

All Cabinet members shall serve at the pleasure of the President, being subject to removal at any time.
