Teacher Nominations of Students Being Accepted for SAGE-STEAM Summer Camp at SWOSU

Oklahoma seventh grade students have the opportunity to experience a science, technology, engineering, arts/humanities and mathematics (STEAM) camp this summer at Southwestern Oklahoma State University in Weatherford.

Teacher nominations for 50 camp slots are now being accepted until January 28.

This is the third year of the Southwest Alliance for Girls' Enrichment in Science, Technology, Engineering, Arts/Humanities and Mathematics (SAGE STEAM) Camp, planned June 7-13.

Teachers can find the nomination form and additional information at <https://www.swosu.edu/academics/sage-steam-camp/camper-information.aspx>

According to Dr. Lisa Appeddu, who is camp director, the students do not have to be the top students in their grade; instead, the camp is geared toward students—especially females—who may have limited access to STEAM-related activities and may truly benefit from this experience.

For additional information, contact SAGE-STEAM Camper and Family Coordinator Adina Foust at 580.774.3105 or sagesteamcamp@gmail.com.
