SWOSU Drive Results in 158 Successful Blood Donations

Oklahoma Blood Institute (OBI) officials were pleased with the 158 successful blood donations at the February 1-2 blood drive held at Southwestern Oklahoma State University in Weatherford.

“We ended up with a fantastic turnout,” said OBI Account Consultant Melissa Santoro. “Because of the SWOSU community, we are able to help bring much needed blood and blood products, including convalescent plasma, to our local hospitals.”

The “Rise Up & Give” blood drive was held at the SWOSU Wellness Center.
