

# **Free Trips to Wal-Mart Available Twice Each Month**

01.15.2016

SWOSU students who don't have access to transportation can now make free trips to Wal-Mart twice each month.

The Dean of Students office, Collegiate Activities Board and the SWOSU International Students Association are partnering to provide the trips on the first and third Sundays of each month.

Students should meet in front of the Bulldog at the clock tower between 2-4 p.m. The van will run back and forth during this time.
