EDITORIAL COMMENT

We have received several requests for Prof. Tolkien's address. Much as we would like to give out any information we have on such a topic, we must refer all such requests to either Houghton Mifflin or Ballantine Books. Prof. Tolkien has written, "I am extremely busy, and if I were to answer all letters in full I should never be able to write any more on the Silmarillion or anything else." We are sure that all true Tolkien fans would love to see the Silmarillion appear as soon as possible. Prof. C. S. Kilby of Wheaton College

plans to go to England this summer to help Tolkien finish this task of fifty years. There is a chance that the first volume of the Silmarillion will appear by the end of this year. We urge you not to destroy this chance by writing unnecessary letters to Prof. Tolkien.

Na-Silmarillion!
