Dr. R. Timothy Litke, 1954-1994

Dr. R. Timothy Litke died 27 August 1994. He had a B.S., M.S. and Ph.D. in environmental biology with an emphasis in aquatic biology, water quality and pollution assessment. Prior to his death, he had been the regional administrator and most recently supervisor in the Idaho Department of Health and Welfare, South Central Idaho, Division of Environmental Quality. He was also a biology instructor at the College of Southern Idaho.

Tim was a member of the American Society of Zoologists, the Ecological

Society of America, the North American Benthological Society, the Idaho Academy of Science, and Sigma Xi.

He recently was awarded a bronze medal for commendable service by the U.S. Environmental Protection Agency and was honored with the employee of the year, 1994, by the Idaho Division of Environmental Quality.

He is survived by his wife, Emmy, and their three children, Katie, James and Kristine. (From information provided by William Clark.)

Mayfly Metabolism- Hot Off the Internet

Chuck Burks is asking about studies on lipid and glycogen metabolism in Ephemeroptera. If anyone wishes to share information regarding mayfly intermediary metabolism or energetics, please contact Chuck at

The Mayfly Newsletter is the official newsletter of the International Conferences on Ephemeroptera and is published twice a year to facilitate communication among ephemeropterists. Subscriptions to the *Newsletter* are free. To place your name on the mailing list or to contribute information for the next issue, contact Peter M. Grant, editor, *The Mayfly Newsletter*, Department of Biological Sciences, Southwestern Oklahoma State University, Weatherford, Oklahoma 73096-3098 USA, phone (405) 774-3294, FAX (405) 774-3795, email grantp@swosu.edu. This publication was authorized by the Dean of Arts and Sciences and was printed at a cost of \$140.00 for 500 copies.

Current Addresses of Ephemeropterists

A short while ago, one of our colleagues (Sorry, it was long enough ago that I forgot who it was!) suggested that the mailing list for the newsletter be published as a reference for others. Always willing to please an ephemeropterist, I had my student assistant, Liz Jarvis, reformat the old mailing list into a searchable database. What follows represents the fruits of her labor.

Please let me know if you notice any errors in this list or if you would prefer your address to be written differently. What you see below is being used to mail out issues of this newsletter.
