# Another COVID Vaccination Clinic is this Friday at SWOSU

The SWOSU College of Pharmacy Rural Health Center (RHC) will host another COVID vaccination clinic this Friday, January 21.

Over 150 people participated in the January 14 clinic held at SWOSU.

The clinic is for anyone and will be held from 10 a.m. until 2 p.m. at the Pioneer Cellular Event Center. Walk-ins are welcome so no appointment is needed.

Dr. Randy Curry, director of the SWOSU RHC, encourages all students and community members to get their boosters if they have already received their first two shots. It is proven to broaden and strengthen immunity.

The SWOSU Rural Health Center will have available Pfizer, Pediatric Pfizer, Moderna, J&J, and the regular flu vaccine for children and adults.

For individuals wanting to place an order for free at-home COVID tests, they can be ordered at this link:
