

SWOSU Seniors Invited to Participate in Graduate Record

01.26.2016

Southwestern Oklahoma State University seniors, who want their portrait picture in SWOSU's Graduate Record, can get their picture taken Wednesday, February 3, in the Bonny Board Room of the Memorial Student Center on the Weatherford campus.

The portrait session will last from 10 a.m. to 3 p.m. No appointments are necessary, and the process should not take more than five minutes, according to Joel Kendall.

The Graduate Record is a senior memory book given out to all students participating in the spring commencement. It includes senior portraits, event recaps, and pictures from the past year.

Two senior portrait sessions were held in December. The session on February 3 will be the last session for this year. Students who took their picture in December do not need to take their picture again.

Students who cannot make the portrait session but want their picture in the Graduate Record can contact Kendall at (580) 774-3083 or joel.kendall@swosu.edu.
