

SWOSU Enrollment Starts Again February 15

01.27.2016

Southwestern Oklahoma State University just completed enrollment for the 2016 spring semester, enjoying a 5% increase in the number of students, and the process will now focus on the upcoming summer and fall semesters.

A large group of students will be able to start enrollment on Monday, February 15. The group includes juniors, seniors, graduate students, athletes, student employees and students not currently enrolled in spring semester classes.

Enrollment for sophomores begins on Monday, February 22, and freshmen begin enrollment on Monday, February 29.

Shamus Moore, registrar at SWOSU, said students should now be setting up appointments with advisors to finalize their schedules. For more information, call 580.774.3777.
