This the 1923 Oracle greets you.

Enfolded between its covers you will find a fleeting glimpse of one year of college life at Southwestern.

In our small way we have endeavored to preserve memories dear to the hearts of the students and the faculty of our Alma Mater.

If this volume gives the reader a truer knowledge of the real Southwestern spirit, awakens in him memories of the happy days gone by, and leaves within his heart a kindly thought for those who have contributed to this volume, then our endeavors will not have been in vain———

FOREWORD

SOUTHWESTERN

Joy Sylvester

Behold! What wondrous form is that which stands
Upon the crest of yonder sloping hill
Which with so calm, benignant air commands
The meadows which about it lie in still
Enraptured wonder at the beck'ning face
Which with the world would share its richest grace—
That's old Southwestern!

No student who e'er walked within her halls,
Or trod behind her banner in the way
Which leads at length to knowledge that entralls
The soul, and proves that life can really pay
Has brought his Alma Mater to disgrace—
Instead, they've raised her to an honored place—
Dear old Southwestern!

And who shall say but from the college fair
Shall spring such noble, highly purposed ones
That golden fruits of none with her's compare;
And from her, as the glow of many suns
Shall shine with radiant glory here below
The peace which on the world she doth bestow—
Our own Southwestern!

SOUTHWESTERN

Bess Bradley

Through the rising mist I dimly see
Southwestern, Alma Mater, standing there
Seemingly with arms outstretched to me
In yearning to embrace her child once more.

From within a pleading voice and low
Seems to say "Farewell, farewell, my child,
May thy mother's counsels with thee go
Helping thee build mansions for thy soul."

With streaming eyes I slowly turn away
Beloved Southwestern must be left behind
Where'er I go. I'll hail thee day by day,
My Alma Mater, dearest to my soul.

SENIOR CLASS HISTORY

First we were ignorant, we were green, all phases of our education had been neglected. When we entered a class room we were quiet as mice. We respected our instructors and upper class-men for their superior intelligence. That was eight years ago when we were Academy students.

When we felt strong and mighty enough to chastise the Sophomores we were called Freshmen. Ah! those were the days, when the President, Faculty, Students and even the Juniors obeyed our commands. Those were the days when the boys would entertain the girls with parties and picnics. That was the year we became notorious with our double nigger wedding in Students' Assembly. Toward the last of the year the girls of the class began to wither and fade because of the responsibility of the banquet in honor of the Sophomores.

At the end of the next year we felt that we had concluded our education, because we each received a life certificate to teach in Oklahoma and many other states. The world was ours, all that remained for us to do was conquer it. Many of our class responded to this call to duty (or pocket book, as the case may be).

Through those years we were guided and counceled by Mr. John F. Lance. The first two years Ray Harris was our president, the next two Eldon Campbell and the last four Gordon Williams has been. We have always been fortunate enough to have a representative in the beauty section of the Oracle, Letter men in all phases of athletics and in all the clubs and literary activities of the school.

For our Junior and Senior years, we have very little to say because of our limited number we couldn't take our place in front of the foot-lights so in our old age we retired back-stage, to let the younger and more winsome take our place in the lead of the student life.

As the time draws near, when we will loose all connection with the institution on the hill, there is a feeling of sorrow in our hearts, for the friendships we have made with the faculty and students are dear to us. But as we take our place in the world we may truthfully apply the statement of that great man:

"Whatever we are or shall become we owe to Southwestern, our Alma Mater."

WHO'S WHO IN SOUTHWESTERN?

THE JUNIORS

Who Said So?

The "BIG FOUR" active, steady, sturdy, stalwart Juniors, who have brought credit and honor to their class throughout the year by the service they have rendered the school they love. No other class in the history of Southwestern has had such a large percentage of its regular members represented in the various clubs, societies and organizations, that are helping to make Southwestern Teachers' College the Flower of the Southwest in education.

75 per cent of the class are members of the Oracle Staff. 75 per cent are on the Senator Staff. 75 per cent are in the Senate Debating Society. 50 per cent won places on the Triangular Debating team. 50 per cent are on the Student Council. 25 per cent are in the College Orchestra. 25 per cent belong to the Forensia. 25 per cent have been successful in matrimony, and the other 75 per cent are enrolled in the class of Courtship and Campusology.

We trust that the achievements of our class and its members will be an inspiration to those who are now beginning the journey on the road that leads into the fields of greater service for humanity. We congratulate the Seniors who are now better fitted to advance the tasks which they have so nobly begun. Their cause is our cause, and with this thought uppermost in our minds, we press on toward the goal, promoting the interests of education, and thereby assisting in the progressive development of Mankind..

SOPHOMORE CLASS HISTORY

It was a jolly crew which met in Southwestern in the fall of '21 to set sail on the good ship "Freshman." From east, west, north and south they came, all eager to be off. Miss Elva Sweat was made Captain with Warren Delaptain, Eva Sponhaltz and John Howard as the other officers. Miss Grace Henson was the General Director and right merrily they sailed away with no thought that life was serious. They made merry in swimming parties, hikes "wienie" roasts and tacky parties galore.

About the middle of the year Miss Sweat became attracted by some object on board the Sophomore ship and deserted her crew. Clyde Steen kindly took the place as Captain and they sailed blithely on. At times storms and squalls arose which threatened to capsize the ship, but they were safely weathered. At the time of the S. W. I. M. all hands were called on deck and put to work. Funds had to be raised to serve a banquet to the Sophomore crew as was the custom. Only enough was made for a breakfast, but how they enjoyed it.

Then the crew came together in the fall of '22, they were found to be eligible to sail on the "Sophomore" which made longer, more dangerous trips. Several of the old crew failed to return but new ones took their places. From these R. L. McLean was selected as Captain with Clifford Jones, Gladys McAuley, Olynn Cooper and Helen Rice as able assistants. As Miss Henson begged off the Directorship, Mrs. Arnold took her place. When later more directors were found necessary, Miss Henson was again added, also Mr. Swearingen.

On board the Sophomore the crew found that "Life is real, life is earnest." It seemed there was a custom that the crew on board this ship should publish a year book, called the Oracle. For this purpose, it was necessary to raise great sums of money. A staff was selected with Edward Burris as Editor in Chief and Mansur Stewart as the business manager. From the crews of all ships sailing from Southwestern port were collected pictures and accounts of their deeds and exploits. Not much was heard of the parties and hikes, but it was, "What can be done to make more money?" Hamburgers and candies were sold at games. All of

the crew were called on deck to serve "eats" to the great crowds who came to the tournament. Also a few dramatic members of the crew prepared a play inviting all people to "Let's Get Married." This was enjoyed by people of the home port and in several nearby ports as well.

Thus by strong endeavor the crew has come safely through all storms and have reached the end of their journey.

She was a rose, a half blown rose,
Blasted in its bloom;
Whose innocence did sweets disclose
Beyond that flower's perfume.
To those who for her loss are grieved,
This consolation's given--
She's from a world of woe relieved
And blooms a rose in Heaven.

FRESHMAN CLASS HISTORY

After the first few days of the bustle and excitement of enrollment, the Freshmen of Southwestern College were ushered into the auditorium and there the Freshman Class of 1922-23 was organized. The officers elected were: John Conrad, President; Carl Wooten, Vice-President; Alva Whitley, Secretary-Treasurer; and Mrs. Phillips, Sponsor. The class started with wonderful prospects for a new year, as there were already 175 members.

On Friday night of the second week, our merry crowd, chaperoned by Mr. and Mrs. Phillips, tramped out to Cedar Canyon. There, around the blazing camp-fire, everyone partook generously of wienies, buns and fruit. After that we played games and made many new friends among the strange students.

The Freshmen boys established a new custom in Southwestern that of wearing little blue and white caps during the football season. These caps were the cause of much discomfort (for some) and much merriment for others, since any boy who failed to wear his cap was run "through the gauntlet" of loyal Freshies and paddled severely. It was not always easy to wear these becoming caps, especially if one were going out of town or to call on one's best girl, so most of the boys were glad when the time came to lay them aside among other schoolday souvenirs.

When the day came for the Freshies to perform in chapel, they bravely responded with a parade, some dances and a play. Some of the most brilliant members of the class bedecked themselves in attractive raiment and marched down the aisles and across the stage singing their catchy little song:

"This is aristocracy,
Free from hypocrisy.
Breeding and manners are always there,
Are there always.
Perfect speech and perfect poise,
Conversation free from noise,
Don't you wish you knew,
Democratic, plutocratic, aristocracy."

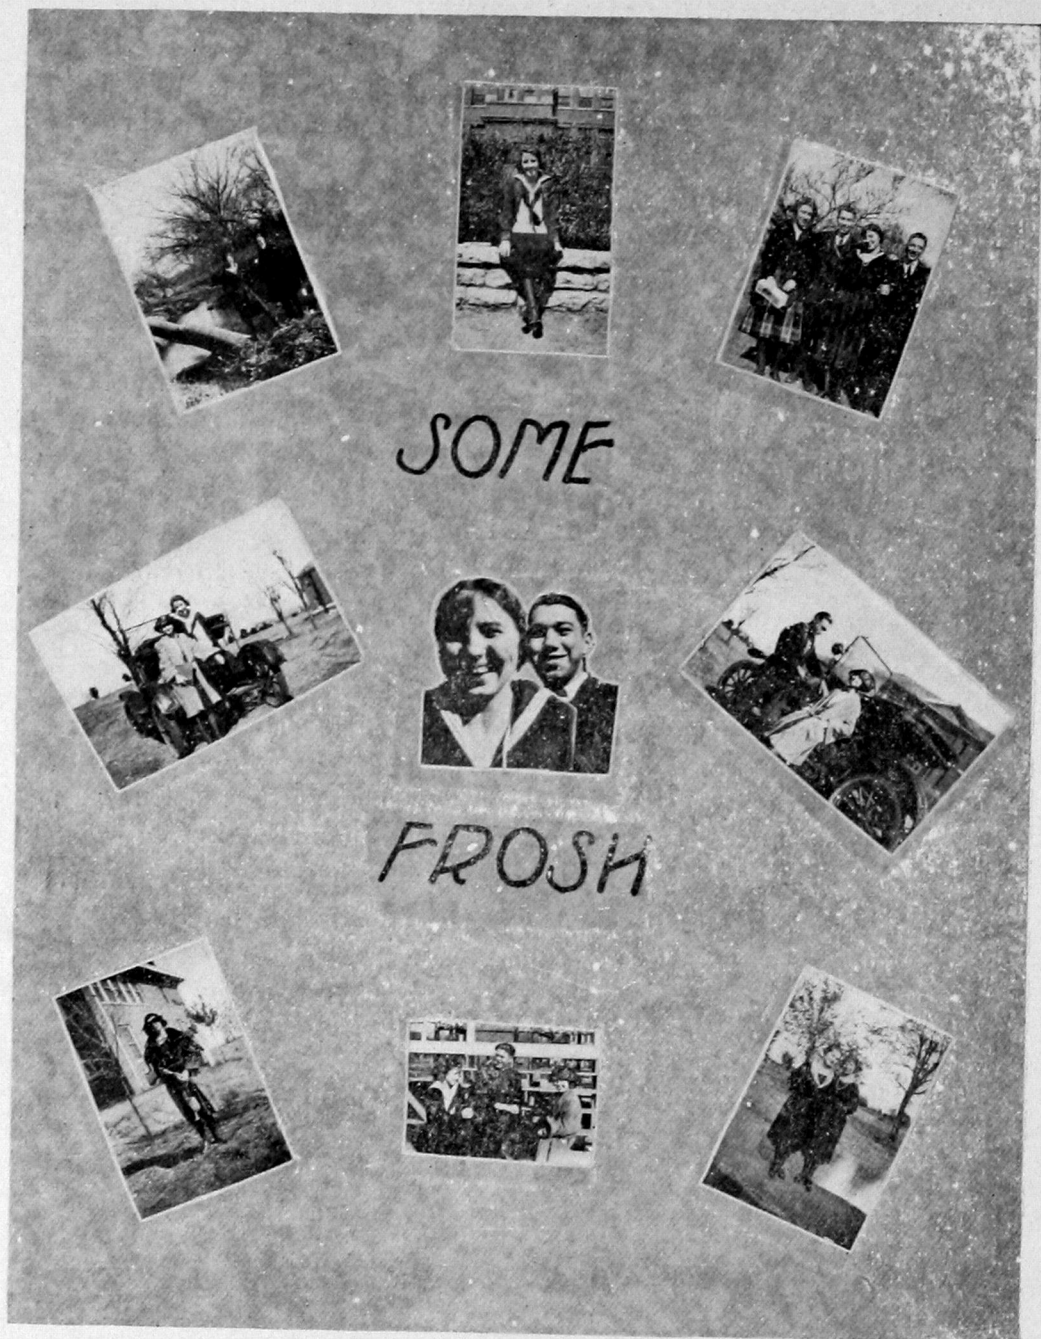

At the beginning of the second semester, our president, "Cotton" left for California so "Shorty" Heiligman was elected to guide us through the remainder of the year.

In the popularity contest, the Freshman candidate, Pearl Kinsey, ran a close second, lacking only a few hundred votes of tying for first. Miss Kinsey is one of the most talented and accomplished young ladies in Southwestern; she is a member of the Forensia, Q. P. Dramatic Club and the Sixteen Hi, and was the leading lady in the College Operetta, "The Glass Slipper." She is highly esteemed by both students and faculty.

The class showed their initiative and ability to do things when they sold hamburgers, pie and coffee down town one tradesday. All that day one could see the busy Freshmen hurrying around with baskets of hamburgers, or hear the cry of "Ham—burgers. Come buy some hamburgers, pie and coffee."

It is the custom in Southwestern for the Freshmen to entertain the graduating classes and we are now making plans for our party, which will be given some time near the end of school.

As our first year in College draws to a close, the Freshmen may feel that this year has not been wasted, for it has been filled with good things. Under the able guidance of our sponsor, Mrs. Phillips, the Freshmen have accomplished many things, and are regarded not only as the biggest but as the best class in Southwestern.

 The "preps" of 1923

Are very lively and full of glee
 Two-hundred twenty-three are there
 To help Southwestern do and dare.
 When this spring term comes to an end
 Twenty-four graduates we must send;
 We'll do all we can to make them gay
 In the glorious last week school in May.
 We have representatives in every part:
 Tri-J, Forensia, Music and Art;
 And every other order of the White and Blue:
 "Football, baseball and oratory, too."
 Nancy and Howard attend the May Queen,
 Grubb, "Tip" and "Windy" in basketball are keen,
 At the games "We want 'Lefty'" echoes throught the hall,
 The one they want the most of all.
 Southwestern College will progress more,
 Than it has ever been known to do before;
 For when we enter we'll show you,
 Just everything that we can do.

THE TRAINING SCHOOL

The training school has just completed one of the most profitable years of its existence. Under the leadership of F. B. Harrington and his able assistants, they have improved by leaps and bounds. Although maintained primarily for the purpose of giving practical teaching experience to the college students, it has accomplished much more than that.

The Training School Boy's Basket Ball Team has played a number of games the past season, notably among which was the defeat they administered to the Thomas Midgets.

During the year the Training School has rendered a number of special programs to the college which were enjoyed by all. With an enrollment the past year of one hundred and fifty pupils and a practice teacher force of more than a hundred, it is generally conceded that they have enjoyed the most successful year in their existence.

The Senate Debating Society

The Senate came into being the same time that Southwestern was established. Until last year it had been the custom of the Senate to select the Triangular Debators for the annual inter-collegiate debating contest. Last year it became a competitive contest, in which all college student were allowed to compete. At that time, four Senators were selected to represent the school. This year it was again a competitive affair and as an indication of the value of the Senate training, three of the four regular debators and three of the four alternates were members of the Senate.

The Senate is well known for the sterling qualities and superior abilities of its members. It is indeed composed of the cream of the cream of the school. Although its membership cannot exceed forty, that number meets every Monday night to discuss problems of vital importance to the whole world. This training teaches a person to think clearly and to express himself more forcefully.

The Senate has enjoyed many social events of the past year, among these were, the Senate-Forensia reception, the Senate hike and the annual banquet.

Let us strive in the future to become worthy of the name—"Senator"—and may we always remember those pleasant hours spent within the halls of the Senate Chamber.

Forensia

Miss Myrtle Umphress

At the beginning of the fall term the Forensia Girls, with Miss Myrtle Umphress as sponsor, organized and began the work for the year. Two lively and interesting initiation ceremonies were held during which the old girls enjoyed much fun putting the new members through the various degrees.

The programs for the year have been largely literary and musical. Forensia having for awhile departed from its time honored custom of emphasizing debate work. A study of ancient art, based on that outlined for the Delphian Club, was carried out, several interesting reviews of modern books were

given, and each program was enlivened with voice and piano numbers. Among the most interesting of the year's "programs" were the Thanksgiving party given for the Senators and the Forensia-Senate hike.

Each year Forensia in connection with the girl's physical training department, gives a May Day Fete on the College campus and has the honor of providing the girl to be crowned queen of the May, Miss Edna Martin was chosen as the May Queen of 1923, and the festival of this year was one of the daintest and prettiest ever held at Southwestern. Much praise is due the Physical Education Department for its untiring efforts in helping Forensia Girls achieve this undisputed success.

History of the Tri-J

The Tri-J Club was organized September 21, 1921, at the home of Margaret Tangeman, with Mrs. W. E. Phillips as sponsor.

Tri-J since then has expanded and is now the proud possessor of twenty-three alumnae members, two pledges, and one honorary member, Mrs. G. B. Arnold, head of the music department. The charter members were Marguerite Tangeman, Marguerette Fraser, Ruth Felts, Evelyn Light, Katie Smith, Zenada Barnett and Faye Reed.

The members are girls actively interested in Fine Arts, Dramatic Arts, Music and Physical Education.

Oh! Powers that be! We thank thee for Fridays because they mean two days of rest and generally a "cozy" Cafe where we wander in after a strenuous days labor, to be refreshed by friendly gossip and welcome food. Food warms our hearts and we effervesce with information about the superior merits of "Hack," "Ted," "Jimmie," "Glen," "Phat," "Eddie," "Bob," "Banks," and "Troy." Meanwhile, Mrs. G. B. and Mrs. "Hep" refuse to enter the melee, but smile benignly as they congratulate themselves on possessing such superb creatures as "George" and "Hep."

In as much as initiation bring much fun'n'everything, it has its anxieties too. But we have been very successful in our initiations this year.

First row—Stebbler, Haskins, Smith, Kinsey, Dykes, Roland, Clay.

This is an honorary musical organization which has been started recently by Mrs. G. B. Arnold, the director of music. The Euterpeans are enrolled in at least two subjects in the music department in which they are doing excellent work and must have a scholastic average of eighty five. With the growth of this society the average will be raised. Euterpean stands as a strong factor in the music department and will assist in carrying on the high ideals and increasing the efficiency and scholastic standing in both the music department and in the school.

THE SOUTHWESTERN

The Southwestern, the official paper of the college and also of the Southwest District Teachers' Association, has undergone some advantageous changes during the year of 1922-23 under the management of Miss Grace Jencke, head of the Department of English. Assisting Miss Jencke on the editorial staff, for the first semester were, Misses Lane and Shoemaker, associate editors; Mr. Swearingen, athletic editor; Miss Bessie Yeoman, joke editor and Miss Frances McLauchlin, alumni editor. Though the paper had flourished during the first half of the year, Miss Jencke's plan from the beginning of her management had been to change the form of publication and put it into the hands of the students through a class in Journalism. So with the second semester the old order yielded to the new and THE SOUTHWESTERN, the magazine, became a bi-weekly newspaper, published by the students of the newly formed Journalism class. Not being content with having the publication in all of the schools of the Southwest District, the management placed a copy of it in the libraries of high schools and colleges over a greater part of the state. Wherever it has gone it has been favorably received and highly praised. To Miss Jencke and her class that has been so ably taught, is due the credit for having THE SOUTHWESTERN a paper that is of unusual interest, not only to the students but also to the two thousand people, who read its pages for news from that place, that is ever dear to the hearts of its children—dear old Southwestern.

THE SENATOR

By this our first issue, we wish to introduce to the students and friends of Southwestern, "The Senator" the official organ of the Senate of Southwestern State Teachers' College.

The purpose of the publication is primarily to acquaint those now attending Southwestern, the Alumni and more especially the old Senators, with the activities of the Senate, second; to provide the means for the frequent publication of the activities and thoughts of the student body. It is to be the policy of this paper to aid in the work of any other publication or organization in promoting the general welfare of Southwestern, by working in harmony with such publications and organizations. "With malice toward none, with firmness in the right, as God gives us to see the right" we will strive onward for a better and greater Southwestern.—Extract from the Senator.

The Senator made its first appearance in chapel November 1, 1923. The Senator boasts of a circulation of the entire student body. The paper is distributed free semi-monthly by the Senate. The Senator publishes all the news. In order to do this during the tournament it was necessary to publish daily issues with hourly supplements. This little paper has been the source of general information during the past year. It has been highly appreciated by the students. Here's to a successful year for the Senator in 1924.

The May Festival—Part Two

“The Awakening”—A Masque by Doris Giebrich

Scene—In a girl's garden.

This Masque is a mythical fancy, carrying a message of Hygiene in a dramatic form.

SYNOPSIS

The Girl, representing carefree youth, is playing with her companions in the garden, when suddenly she becomes ill, from having eaten some every highly indigestible food. The germ people gather nearer and when she has become so ill that she must be placed on a couch, dance about with great exultation. Monster Disease and his helpers enter, snatching at Miss Carefree, and causing her condition to become quite critical. The doctor comes, prescribes a diet of pure foods and leaves some medicine. Groups of children in the guise of Protein, Fat, and Vitamines, from the milk, flour, yeast, and sugar from the bread, come forth in quick succession to frighten Monster Disease and his helpers away. Now the Yolk, the White, and finally the Whole Egg, dance in to remind Miss Carefree of the important place they should have in her diet; likewise, the Fruit Fairies, Apples, Grapes, and Pears. The doctor makes a second visit and is much pleased to find his patient in an improved condition. When the Fresh Air Girls and Cold Water enter, the germs try to make their escape. Fresh Air removes the black cover from Miss Carefree, Sunshine enters and removes the second cover not quite so dark, which reveals Miss Carefree, white and purified and causes the germs to fall down dead. Then the Three Graces and the spirits of exercise, her former companions, come back to Miss Carefree; and the flowers, Bluebells, Daisies, and Roses, bring much beauty into her life. Great Golden Butterflies flit in and invite her to dance; the Wholesome Food Fairy enters with a basket of good things to eat; and the other fairies move forward to welcome Miss Carefree into her new life. The Good Fairy changes Miss Carefree's name to “Miss Thoughtful” and all ends happily.

JOHN F. LANCE

With the return of John F. Lance to his Alma Mater, Southwestern lost one of the best coaches she ever had.

Coach Lance was with us four years. During his stay with us three of his football squads, finished second in teachers' college ranking. Three of his four basket ball squads were state teachers' college champions and one was a state championship team which was all victorious in the Oklahoma Conference. Two of his track squads finished second in the State Intercollegiat meet and one third.

During Lance's stay with us he not only built up a reputation as a Coach but one for clean athletics. Coach Lance was a man of highest standard, his sterling quality as a man, a sportsman, has gained the respect and confidence of all connected with the institution. As a Coach he held up the spirit of athletics by his clean coaching and fair dealing. "We must win boy, but should we lose, if you can't smile grin."

Southwestern is not the only loser, but his loss will be felt over the entire State. He was, at the time he left, President of the Oklahoma Intercollegiate Conference and had been Secretary of the same organization and was a member of the Board of Control of the Southwest Oklahoma high school conference.

John F. Lance we wish you success with your Alma Mater, which all true Southwesterners believe is your just dues.

COACH VOYLES

Coach Carl Voyles, better known over Southwestern part of U. S. as "Dutch" has an enviable record as an Oklahoma Athlete, "Dutch" hails from A. & M. College, he played end position for four consecutive years winning a berth on the All State team the last two years. He was captain of the basketball squad in 1919, but in 1920 resigned to take up wrestling under Ed Gallagher's tutelage, he rated fifth position in the United States.

On leaving college Voyles went to Altus, Oklahoma as coach in 1921, while there he produced the champion All Victorious foot ball team of the Southwest. Since the position of Athletic Director had to be filled, President Burris could not have bettered his choice for the position had he searched the Southwest and combed the State of Oklahoma. We believe that under the able direction of Mr. Voyles Southwestern is going to have the best football squad, fighting for white and blue, this fall that she has ever had.

Voyles, we are for you, Southwestern sons hail you as their leader. We will follow you to the last ditch then cross it. We stand one hundred percent for the white and blue, we hope to see those colors fly from the highest pinnacle in the State of Oklahoma.

FOOT BALL

With most of our old men back, and much good new material out for foot ball, we had a very successful season, winning a majority of our games and holding and almost winning a game from the strong Tulsa team, "The Hurricane," as well as other strong teams of the state.

At the end of the season, Henry Shultz better known as "Hank," was elected to captain of the foot ball team of next year, 1923, when we intend to have an all Victorious team.

S. W. T. C. 74— O. C. C. 7

On October the seventh, our boys opened the season by defeating the Oklahoma City College.

At the starting of the game it looked as though there might be a real fight, but after a few downs our boys got started, and from then on it was a real walk away. Line plunges and runs, forward passes and fakes, all worked with ease. Before long the game had changed, from a closely contested football game, to a track practice for our boys; and in the last few minutes of play O. C. C. woke up and slopped over a pass for their first and only touch down. When the score was counted it was found to be 74 to 7 for Southwestern.

Our next game was with the Phillips University of Enid.

S. W. T. C. 13—PHILLIPS 34

Phillips proved to be a formidable foe. This was a hard fought game all the way through. Phillips took the offensive in the first two touchdowns almost before our boys could realize that they were playing football. Then our boys began plunging and passing, doing everything they could to break through Phillips strong defensive. Finally they were successful in slipping over a pass for a touch down. Phillips came back strong again and carried the ball for another touch down. Again Southwestern made a touch down, and after this Phillips continued to hold and

on gaining the ball finally added another touch down. Though our boys continued to fight until the very last they were defeated 39 to 13.

S. W. T. C. 81—CARVER COLLEGE 0

When on October the twenty-first, our boys met the Carver College, they went in to redeem themselves for the defeat by Phillips; and they did it. From the first kick off our boys went down the field to down the man with the ball, on the twenty yard line. Our line was like a stone wall, it stood. Our back field was also playing a good game and carried the ball speedily down the field. The Carver team became weaker and weaker, and our boys continued to score, ending the game 81 to 0.

S. W. T. C. 39—EAST CENTRAL 0

On October the twenty-seventh, East Central came down intending to go back victorious. This was Home Coming day at Southwestern, good pep was exhibited on the side lines, and our team responded accordingly. In the first half, East Central played a strong and consistent game. But in the first of the second half, our boys opened up with passes, runs and line plunges, that continued throughout the last half, until the game ended, 39 to 0 for Southwestern.

S. W. T. C. 19—CLARENDON COLLEGE TEX. 20

On November third, Southwestern and Clarendon College played a nonconference game at Mangum. The game waxed strong from start to finish, but Southwestern was ahead for the most of the game. Many fumbles and penalties for Southwestern boys, gave the Clarendon team a chance to score and they did. Then in the last few minutes of play the Clarendon boys completed a pass for a touch down and kicked the goal, winning the game twenty to nineteen.

S. W. T. C. 13—Northwestern 6

On November the eleventh, our boys again met a strong

team, Northwestern, at Alva. After a long and tiresome ride on the train and a hasty snack, our team went out to do battle.

Northwestern came out strong in the first half and made their one and only touch down of the game. In the second half, S. W. T. C., open up with some straight foot-ball that sent Northwestern staggering back. On down the field they went for their first touch down. Again they approaching the goal line and with a nice pass to "Hack" another touch down was added. They kicked goal and the game was over.

S. W. T. C. 13—Tulsa University 21

On November seventeenth we went to Tulsa to meet Tulsa's "Golden Hurricane" a team that was undefeated though they had played many out of state teams.

Tulsa was strong in passes, as well as straight foot ball. In the first of the game, the ball went back and forth up and down the field. Many times our boys clamored down upon the Tulsans with splitting line plunges and end runs; many times almost reaching the goal line but usually a fumble would give Tulsa the ball and they would punt out of danger. These fumbles lost the game for Southwestern. Tulsa made the first two touch downs. When Southwestern did get to playing, they played a spectacular game; a game that made the loyal boosters of Tulsa, stand up with enthusiasm and say, "Come on Southwestern." Southwestern did come on and soon made a touch down. Tulsa gained control of the ball and made another touch down, but this seemed to infuriate the Southwestern team, and they came back strong again, while the spectators continued to yell for our team. Another touch down was hastily added and they were well on their way for another, when the whistle blew, ending the game.

S. W. T. C. 0—CENTRAL 34

Then came that fateful day when we met our old time rivals, Central, November twenty-fourth. The game opened with Central playing a better game than usual,

while the Southwestern team was playing below par. No part of the team was fighting as it had and was capable of doing. Every minute it was expected that Southwestern would begin playing the brilliant game that they had at times played, but they did not. Sometimes they would break loose, and it would look as if they were going to score but they would stop fighting.

Edmond continued to fight from the start to the finish. The game ended with the score thirty-four to nothing for Central

S. W. T. C.—BAPTIST UNIVERSITY

Southwestern was back with the old fighting spirit to win the Thanksgiving Day game, and ended the season with a victory.

Our boys used everything from line plunges to end runs and fakes. Not once did O. B. U. threaten to cross our goal line. The line charged and the backfield went whirling through for touch down after touch down, while the O. B. U. boys fought desperately to check them; they continued to score until the end of the game.

CAPT. JOE HOLLAND

24. 5 ft. 11. 175.

Joe was a good captain and a good player. We could always depend on him to open a hole for our back field. Joe enjoyed diving throught the line and breaking up the opponents defense, as he often did.

LLOYD THOMAS

20. 5 ft. 11. 182.

"Tommy" was selected again this year on the all-state eleven, this year as it's Captain. He proved himself to be a very valuable man on offense, often plowing through the strongest lines for ten and fifteen yard gains. He was an equally strong defense. "Tommy" will be with us again next year.

CAPT. ELECT HENRY SHULTZ

23 6ft. 1. 185.

"Hank" is a "real" guard. He fights all the game and is a good sport, but somehow, his opponent was always mussed up before the game was over. When you see some player on the field slinging his hands, here and there, downing several of the opposing players, you may be sure that it is "Hank." He has been elected to Captain of the team of 1923.

RAY HARRIS

21. 6 ft. 1½. 180.

Ray, better known as "Harrie" was accurate in snapping the ball back, a hard hitter and a heady player. His motto was, "Play the game, hit 'em hard, watch 'em tumble."

ROSS KENDALL

22. 5 ft. 10½. 160.

"Hadley" was a good player, an accurate passer and a heady quarter back. By watching for the opponents weak spots, and hitting them at that place he helped greatly in causing us to win the many of our games. He was exceptionally good at long end runs, and when he once got started on an end run, we were always sure of a good gain. This is "Hadley's" last year and it is going to be hard to find a man that can take his place.

JOHN CONRAD

22. 5ft. 7. 175.

This is "Cotton's" third year. He was a good player when he started, and he gets better all the time. "Cotton" was always a man we could depend upon. Playing at quarter, half or full, he played a good game. "Cotton" was a hard man to tackle. He was good on end runs and line smashes, and also played a good defensive game.

TRUMAN KENDALL

20. 5 ft. 10. 160.

Alternating at quarter and half, "Raggie" played a good consistent game. He was good on end runs and receiving forward passes.

PURL TIPPIE

22. 5 ft. 11 175.

"Tip" was back again at end. His long suit was catching long forward passes, and he never failed if the ball came near him. He was a good tackler, and good at breaking up the opponen's interference.

CHARLES FREEMAN

22. 5 ft. 9. 160.

This is "Charlie's" second year at football. as a broken field runner Charlie is hard to beat. He was unfortunate in getting injuries that kept him out of several games. He will be back next year. Watch him go.

HUGH HACKLEMAN

This is "Hack's" second year at football and also his second year on the "varsity." Through his ability at "snagging passes" he made many touch downs. He will not be with us next year.

J. E. SIMMONS

20. 5 ft. 10. 175.

This is "Jinks" first year at Southwestern, a'iso his first year of foot ball, but he proved of much value to our team as a half back. "Jinks" was good at line plunges, long end runs and forward passes.

ARTHUR OSBORN

20. 5 ft. 10½. 178.

At half or full, Ott was a consistent ground gainer. He was a good passer as well as good at receiving passes. He will be with us again next year.

TED BURRIS

22. 5 ft. 10½. 210.

Ted as a guard was always successful in tending his man, or men rather, for one man didn't last long when he was playing against Ted. Ted was like the stone wall, he just couldn't be moved.

ALBERT HEILIGMAN

20. 5 ft. 7. 155.

This is "Shorty's" first year with Southwestern. He was little but loud, as the opposing team soon found out, when they tried going around his end of the line.

CHARLES BRYAN

20. 6 ft. 210.

This is "Puss" first year at Southwestern but he made an excellant showing at tackle. Lots of fight and lots of pep, and much man. That's "Puss."

HUGH HANSHAW

19. 6 ft. 3. 190.

This is Hanshaws first year but he proved to be a good guard as well as a good punter.

CECIL KELLAR

20. 6 ft. 180.

"Pat" alternating at guard and tackle, "Pat" always did his part in opening a hole. He was very successful in breaking through and downing the man behind the line.

HENRY SIMMONS

21 5 ft. 6. 165.

Henry at end was a hard fighter. He went in and tore things up when he was in the game. He was also good at receiving passes. He was unfortunate in getting his knee hurt and was out of several games.

JESS WESNER

20. 5ft. 11. 175.

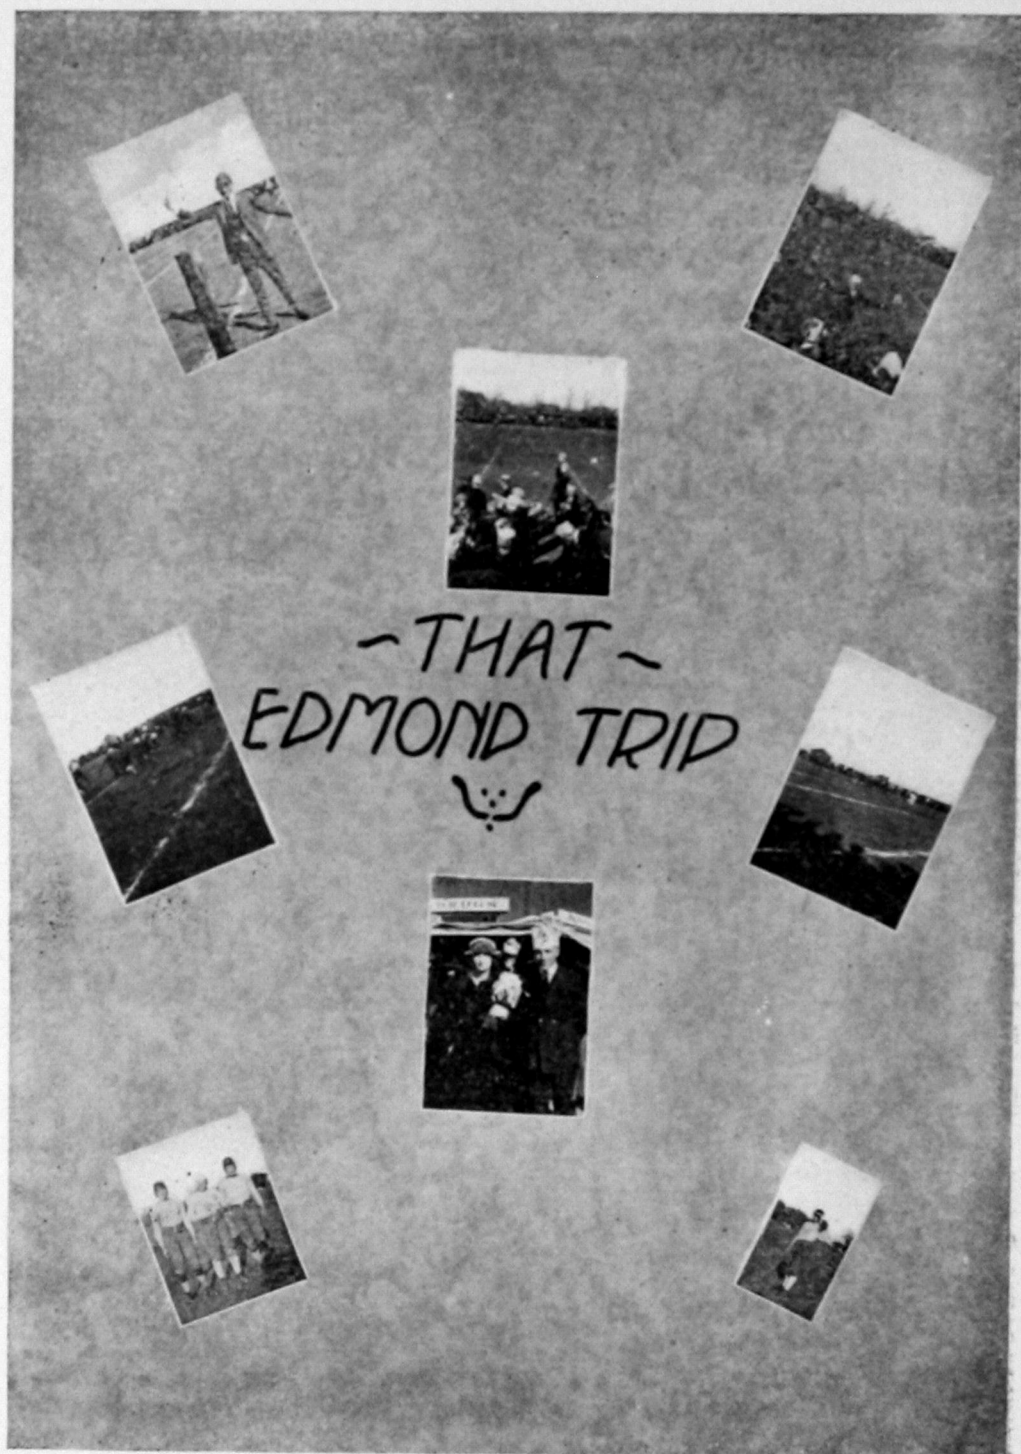

"Jess" was a cool headed and smooth player. He fought from start to finish. He played against some strong centers, and he was always able to hold his own with them.

BASKET BALL

— — — — —

This year Rankin Williams, former star of Southwestern, took over the coaching of basket ball, we had lost three of our best players and many were doubtful as to what kind of a team we would have; but we were successful in getting some new material, among whom were; "Jinks" Simmons, Heiligman, and Osborn. With these men and the old players, Ross, Doc, Joe and Freeman, Southwestern has had a successful season, defeating the strongest teams of the State, and having practically won the State Championship, when out of clear sky, Southeastern appeared as contenders, and in the National Tournament, they fought the battle to see which team should rightfully wear the honor. Southeastern was successful after playing one of the closest games ever played.

Though we lost this game we consider that we had a real team.

— — — — —

SOUTHWESTERN 21—ALVA 10.

Southwestern opened her basket ball season at Alva, January the fifteenth, defeating Northwestern 21 to 10.

This being the first game of the season both teams were anxious to win, and went in with lots of fight. The first half was hard fought, with her team doing much scoring; but in the last half Southwestern took the lead and continued to hold it until the end.

SOUTHWESTERN 23—ALVA 27

The second night's game was January 16th, Alva came back strong and was successful in defeating our boys 27 to 23. This was a hard fought game, but neither team was very successful in hitting the basket, until in the last few minutes of the play, while the game was undecided, Alva succeeded in making two more baskets, which won them the game.

SOUTHWESTERN 40—Pittsburg 16.

January seventeenth our boys came back with a surprise attack and swamped the Kansas players 40-16.

Our forwards and "Tip" at center made some accurate shots

that soon tallied several scores for our team, while our guards guarded the Kansas boys so closely that they were able to score but little. The Pittsburg team put up a strong fight throughout the game but they were not able to hold our team down.

SOUTHWESTERN 19—PHILLIPS UNIVERSITY 13

Our boys next met Phillips U. five at Enid. This was a victory for Southwestern, but not an easy one, for the Phillips boys played some excellent basket ball that at times threatened to defeat our team. Throughout the first half the score was practically even, with first one team ahead and then the other. In the last half however there was a change, our boys began to fight harder and Enid began to weaken. The game ended 13-19 for Southwestern.

SOUTHWESTERN 18—PHILLIPS UNIVERSITY 14.

Though they had suffered defeat the previous night, Phillips came back January twentieth, with hopes of winning. This game like the preceding one was close, neither team did any large amount of scoring, but it was fight all the way through. Phillips fought and continued to fight, but they could not hold our fast men. The game ended with the close score of 14 to 18 for Southwestern.

SOUTHWESTERN 42—CENTRAL 20.

January twenty-fifth, every one here gathered on the court to see Southwestern defeat Central. They were not disappointed. for our boys came out with some fast and accurate shooting that in the first half piled up points for Southwestern. The second half was more of a defensive game. Both teams were guarding closely; the Central boys fought hard but they were outplayed from start to finish. The final score was 42-20 for Southwestern.

SOUTHWESTERN 62—CENTRAL 17

It was expected that the following night's game, January twenty-sixth, would be harder and more closely fought, but it proved to be the opposite. Our boys started shooting the baskets in the first few minutes and continued to do so until the final whistle blew. "Tip," Freeman and Williams took time about at shooting

goals, while Kendall and "Jinks" Simmons by close guarding kept the Central forwards from running up a large score.

Our boys continued to score until the whistle blew ending the game 62-17 for Southwestern.

SOUTHWESTERN 39—EAST CENTRAL 17.

The East Central team came here January the second, to do battle with our home cagers. They came with hopes of defeating our team; but our boys quickly shattered their hopes by shooting two field goals in the first few minutes of the play. They did not stop with these two goals however, but continued to shoot basket after basket, "Tip" was high score man with 14 points, while "Doc" and Freeman had only a few less.

During the course of the game several substitutes were in but the scoring for our team continued. Kendall and Holland did some close guarding that kept East Central from making a large score. The game ended with 39 points for Southwestern to East Central's 17 points.

SOUTHWESTERN 34—EAST CENTRAL 16.

Saturday night, February the third, Ada came back strong, still determined to get our scalp. In the first half hard fighting and close guarding was exhibited by both teams. Ada was having better luck at hitting the baskets than our boys. The students of Southwestern sat tense with excitement, scarcely able to realize that East Central was ahead; but they were ahead and continued to be ahead until late in the last half. At the end of the first half Ada was leading 10 to 6.

The second half started with neither team scoring much. Realizing that Ada was ahead the Boosters began cheering, demanding a basket; and as if in answer to these desires, "Tip" looped one through. This started some of the most spectacular shooting ever witnessed. Shooting from all positions on the court, Freeman, "Doc," "Tip" and Holland made goal after goal, so that in a very few minutes when the whistle blew they had completed a score of 34 to 16.

SOUTHWESTERN 40—NORTHWESTERN 16.

On February the fifth, came the game with Alva. Alva had in a previous encounter succeeded in winning one of two games. Our boys were determined to administer a booming defeat. Dur-

ing the first half, neither team showed much fight.

The second half was more exciting, both teams were fighting hard, but Alva was not able to keep our boys from scoring a few points. In the last few minutes of the game, as in many other games, our boys began shooting baskets as though they had been holding themselves in check until the last few minutes. From a very few points, they had in the last few minutes increased it to 40 to Alva's 16.

SOUTHWESTERN 45—NORTHWESTERN 14.

The second night's game was a mere repetition of the previous night's encounter. Our boys won this game easily forty-five to fourteen. There was not much fight in this game. By a few accurate passes our boys would carry the ball down the field and shoot a basket.

SOUTHWESTERN 23—PHILLIPS UNIVERSITY 16.

Our boys met on February the ninth, the Phillips team, a team that had not been defeated, except by our own team in two games. We won this game 23 to 16, but only by some hard fighting and accurate shooting.

Phillips led throughout the first half, and for a part of the second half. In the second half our boys got started, but still Phillips continued to fight and continued to score, our boys however were also fighting, and finally had evened the score. In the very last few minutes of the game Southwestern made two baskets giving them the lead 23 to 16.

SOUTHWESTERN 18—PHILLIPS UNIVERSITY 16.

As on the night before, Phillips led throughout the first half, but couldn't keep the lead. It looked as though Phillips would win this game, but they could not keep the pace. This was a test endurance, a test in which our boys proved the stronger, for while Phillips weakened in the last of the game, our boys continued to fight until they had tied, and finally won, the game.

SOUTHWESTERN 34—O. B. U. 13.

On February sixteenth, our boys journeyed to Shawnee where they met and defeated O. B. U. Our boys were poorly conditioned. Many had the flu, others were taking it, yet not with-

standing these handicaps our boys went in and won the game 34-13.

Our boys continued to hold the lead and gradually increased it until the end of the game. At no time did Shawnee do any playing that our boys did not combat successfully.

SOUTHWESTERN 22—O. B. U. 24.

On February the seventeenth, O. B. U. came back unusually strong, and succeeded in nosing our boys out two points 22 to 24.

Our boys playing poorly, due to the flu. Shawnee gained the lead in the first of the game, several times our boys started fighting and it seemed that they would surely come out and win, but this they did not do. This game and the one with Alva were the only scheduled games lost by our team. These two games were not considered as a drawback to our team for one of these games was protested and the other was by a team, that had been defeated by teams we had won over.

SOUTHWESTERN 44—CENTRAL 30.

We again met Edmond February 23rd, we expected to win this game and did win it; but Edmond did some good playing.

Kendall, our guard, did some close guarding that kept Central from running up a large score, and our forwards and "Tip" at Center played rings around the Edmond boys. Both teams were trying to score, not to keep the other team from scoring. The game ended 44-30 in favor of Southwestern.

SOUTHWESTERN 43—CENTRAL 19.

The first half was close and hard fought, Southwestern was leading 10 to 12 at the beginning of the second half. Then our boys woke up and began shooting baskets. Central sent in several substitutes in a desperate attempt to stop our boys, but to no avail, and Southwestern continued to score until the whistle blew, ending the game 43 to 19.

SOUTHWESTERN 71—OKLAHOMA CITY COLLEGE 31

O. C. C. came to Weatherford, March second, with hopes of upsetting some dope, by defeating Southwestern and putting them out of the race for state championship.

This was a one sided game, our boys scored at will, working the

ball down the court as though nothing were there, Southwestern continued to shoot basket after basket. Finally after what had seemed hours the whistle blew, the score was announced as 71-31.

SOUTHWESTERN 59—OKLAHOMA CITY COLLEGE 36.

This game on March the third, like the one March the second, was an easy victory for Southwestern, the score being 59 to 36. At no time did O. C. C. show any basket ball playing that in any way compared to that played by our team.

This ended the basket ball schedule of Southwestern.

SOUTHWESTERN 33—SOUTHEASTERN 36.

Southwestern and Southeastern were the only two teams in the state that were undefeated, both teams were contending for the State title. Both teams claimed it, but no agreement for a game could be made. But as luck would have it, these two teams were able to play each other. Both teams went to the National Tournament, and each won their first game. In drawing for the second preliminaries they drew each other.

This game was one of luck, for at the end of the period for play, the score was a tie, 28 to 28. An extra time was taken, and at the end of this period, the score was again tied, 30 to 30. Another extra period was set, and East Central was successful in making three baskets to our basket and free throw. This ended the game, 33 to 36 for Southeastern.

GORDON WILLIAMS, FORWARD (CAP).

"Doc" has made for himself a name in Oklahoma athletics. He was selected on the third all-American team. He made more points than any other player in the history of athletics in Oklahoma has ever made. "Doc" will not be with us again next year and his loss will be felt keenly.

CHARLES FREEMAN, FORWARD.

"Charlie" was a fast man on any court. No guard was able to keep him down. He had a knack of dribbling through two or three men and going on down the court. "Charlie" also had a way of shooting all his own, but it was a good way and his opponent soon found out.

PURL TIPPIE, CENTER

"Tip" plays all over the floor. He played guard last year but this year he was usually successful in getting the tip-off from center as well as getting his share of the baskets, being second high-point man on the team.

ROSS KENDALL, GUARD

As a guard "Hadley" is unequalled by any player in the State. Though the all-State men have not been selected as yet, we feel confident that he will be selected. His heady playing and close guarding kept other teams from running up large scores.

J. E. SIMMONS, GUARD

This is "Jinks" first year at Southwestern but he came out and soon proved himself a valuable man on the team. He is a heady player, a fighter and a speedy man and was unusually successful in working the ball through the opponents defense. He was unfortunate, however, in getting hurt the first of the season and was out of several games.

JOE HOLLAND, GUARD

This is Joe's second year at guard. Joe was all fight. From the start to finish he fought so closely that he was usually successful in keeping his opponents from scoring more than a few points.

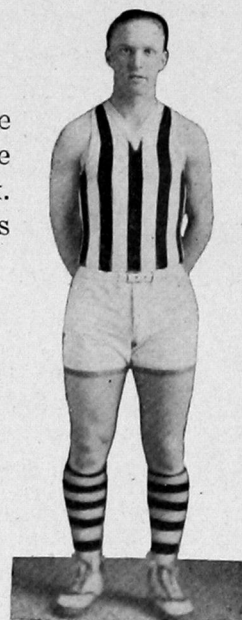

ALBERT HEILIGMAN, FORWARD

"Shorty" was what one might call a pinch hitter. When a goal was badly needed, all that was necessary was to let "Shorty" in the game with the instructions to "pour it on 'em and the deed was as good as done. He was a good floor-worker and had a good eye for baskets.

ARTHUR OSBORN, FORWARD

"Ott" was a good consistent player. He played good basket ball from the first of the game to the last. He played good teamwork. Aiding his team-mates in making baskets as well as making many himself.

TRACK—1922

The track team of 1922, the most successful in the history of the school, consisted of twelve men. Southwestern placed second in the State Intercollegiate Meet and the Norman School Meet. We won the dual meet from Edmond, our old time rival. The striking events at the Norman meet were the hurdle races by Rankin Williams and the javelin throw by Steward.

The relay won the dual meet for us at Edmond, Edmond being in the lead up to that event.

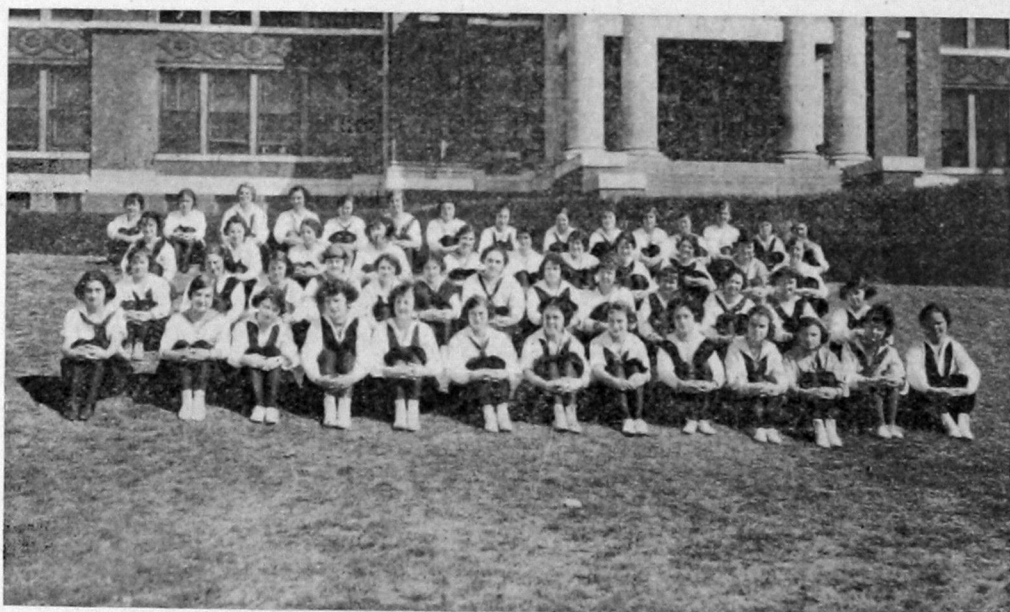

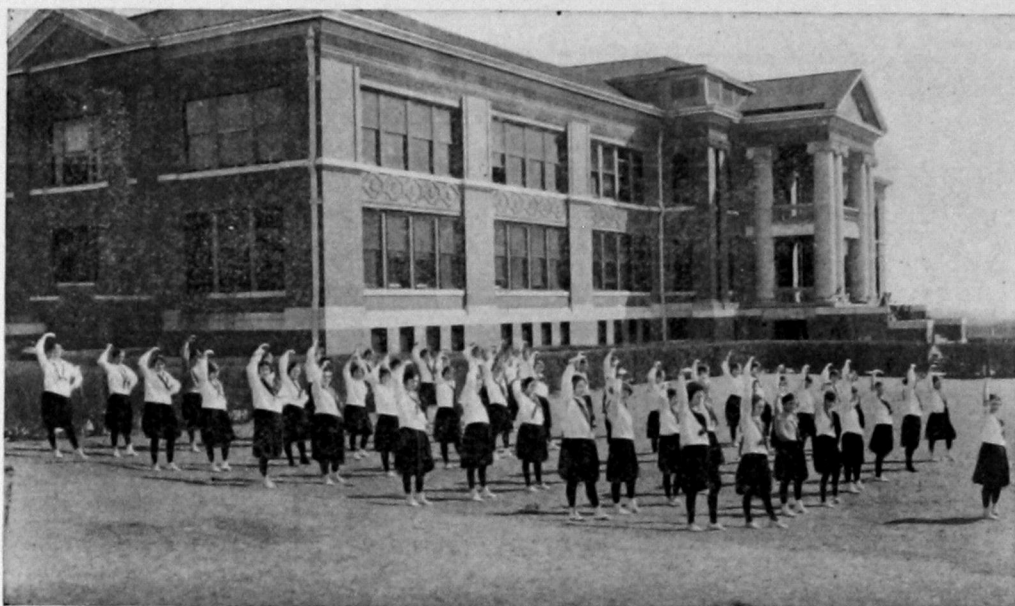

Track—1923

Track prospects for 1923 look very good for Southwestern. In the field events, Heiligman, Norton, Williams, Thomas, Kuper, Coulson, Keller and Kerr will represent the school. Southwestern will be represented in the dashes by Freeman, Simmons, Kuper and Page, while in the mid-distances, Nelson, Horton, Hackleman, Kerr and Thomas will participate. Horton and Grubb will run the long-distances—and Callison will do the hurdling.

On Friday the thirteenth of April, Edmond swooped down upon Southwestern, engaging us in the first Royal Combat of the season. It was truly unlucky for us since Central went home with the "bacon," having won 62-65.

On Friday the twenty-seventh, Southwestern won a large loving cup in a meet between Clarendon and Canyon, Texas, and Southwestern,—making slightly less than the other two teams combined.

We have a just right to be proud and may expect to win the coming State Meet with the 1923 Track Team.

SOCIETY

Sophomore Hike

The Sophomores met at the Public School building on the night of September the thirteenth for their first stunt of the season. They hiked to Banner's Bluff and there ate sandwiches, pickles, marshmallows and wienies to their hearts content. While cozily seated around the campfire each one introduced himself, giving his name and home town. Some plans for the year's work were made after which all departed for home. Mrs Arnold and Miss Henson chaperoned the bunch.

Forensia and Senate Mixer

The first reception of the season, that was given for both the faculty and students at the college, was the Senate and Forensia "Mixer" which was held in the Science Building, September the twenty-first. During the early part of the evening the guests assembled in the auditorium for a joint program after which punch and wafers were served in the beautifully decorated hall. The orchestra furnished music during the remainder of the evening, which was spent in the various "get acquainted" devices. The entertainment was well named a "Mixer."

Freshmen Wienie Roast

The Freshmen Class enjoyed a wienie roast at Cedar Canyon, September the twenty-first, chaperoned by Mr. and Mrs. W. E. Phillips.

Fine Arts Department Entertainment

The Fine Arts Faculty appeared in recital Tuesday evening, October the seventh. Mrs. Lowe and Mrs. Arnold, the new mem-

bers in this department, each showed unusual ability in her particular line of work. Miss Hutchins who has been the very efficient instructor of piano at Southwestern for the past two years, again delighted the audience with her artistic renditions.

Senate Entertains Forensia

"Come to the Administration Building on the evening of October fourth" were the glad words received by the Forensia girls from the Senators. They did so, eagerly, and after they had been introduced to the proper species of humanity, were led to a blazing camp fire on the campus. Weinies, marshmallows, pickles and other delicies were consumed after which they formed a line party to the Bungalow. Following the show the crowd was entertained at the Varsity.

Serenading concluded the events of the evening which had been one of the most enjoyable of the season.

House Warming for Old Graduates

On October the twenty-seventh, we held a house-warming for the "Old Grads" and celebrated the event by pouring it on the East Central team, thirty-nine to nothing. It was a great game, and was very pleasing to the visitors.

Following the game, a reception was held for the former students, and later everyone enjoyed the dance in the gym.

The Academy Hike

The High School of Southwestern held its first social gathering on Tuesday October the twenty-eighth. The class met at the public school building at seven-thirty in the evening and hiked to Banner's Bluff. Fires were built, wienies and marshmallows roasted and the remaining part of the evening was spent in playing games and getting acquainted. They were chaperoned by Mrs. Duffy and Miss Shoemaker.

Forensia Entertains Senate

The Forensia entertained the Senate with a party on the evening of November twenty-sixth, at the home of Miss Helen Rice, which was beautifully decorated in keeping with the Thanks-

giving season. Many interesting games were played, among which was "Turkey" that was highly enjoyed. Refreshments of chicken salad, baked apples, bread and butter sandwiches, pumpkin pie with whipped cream, and coffee were served at a late hour.

On Friday night, January twenty-six, following one of the liveliest games of the season, the Forensia girls very pleasantly entertained the two Basketball teams, Central and Southwestern. Refreshments consisting of sandwiches, pickles, cocoa and angel food cake were served.

Farewell Party for Coach and Mrs. Lance

A very enjoyable party was given at the home of President and Mrs. Burris in honor of Mr. and Mrs. John Lance. The house was beautifully decorated with white and blue, the college colors, which helped to breathe a freedom of hospitality and welcome to which this home is so often given. A most interesting program was enjoyed by all, after which refreshments of fruit salad, cake, and hot chocolate were served.

At the conclusion of the party Mr. and Mrs. Lance were presented with a small gift, a token of esteem of the friendship of those present, President Burris making the presentation speech.

Southwestern Entertains Legislators

On Tuesday morning, December the seventh, the Chamber of Commerce and other towns-people assembled with the faculty and student body to welcome the legislators and county superintendents who had responded to an invitation to be our guests. Music by the orchestra and men's gle club and the old fashioned dances, the Virginia Reel and the Minuet were artistically rendered and enthusiastically received.

Several talks were made by the Legislators but most of the speech making was reserved for the Chamber of Commerce banquet, served under the supervision of Miss Umphress.

Americanization Week

Southwestern observed Americanization week with a program at chapel time on Wednesday, December the sixth. Miss Vrooman's tiny tots gave an appropriate flag drill. The main event

of the day was the lecture "A Patriotism of Peace" by Josh Lee of the University of Oklahoma.

Tri-J "Cozy"

Following the basket ball game between Southwestern and Phillips Friday night, February the ninth, the Tri-J club was delightfully entertained in the home of Miss Dorothy Dobyns. At a late hour refreshments were served.

Home Economics Luncheon

The class in advanced cookery, under the supervision of Miss Umphress entertained seven of the women members of the faculty at a St. Patrick luncheon on Thursday March the eighth. Five delicious courses were served.

On the following Saturday night the class entertained twenty of their friends at a buffet supper and rook party in the rooms of the Home Economics Department.

Palette and Brush Reception

The Palette and Brush Club entertained the women members of the faculty at the Art Studio Monday afternoon, March the twenty-sixth. The rooms were tastefully decorated with Shamrocks and games suitable for Saint Patricks day were enjoyed. The green color scheme was carried out in serving refreshments of sandwiches, olives, potato chips, fruit salad, wafers and tea.

CALENDAR

Sept. 4th, Monday—The doors of dear old Southwestern are open this morning. Oh, Boy! isn't it a "Grand and Glorious feeling" to roam around the Campus and hear the merry laughter ring through the halls once more?

Sept. 5th, Tuesday—Robert Wheeler, being a little timid is having a hard time keeping up with the red-tape of enrolling and just what the institution has to offer.

Ted Burris—Then how in the devil do they start a Ford on a winter morning?

Cornell—How do you like your new dress, my dear?

Mrs. Cornell—It doesn't quiet come up to my anticipation.

Cornell—Well, they are not wearing them quite that high this year.

"LONG LIVE GREER COUNTY"

Having won distinction as ticket sellers for the benefit show of the Sophomore Class, the Greer County Delegation in the Summer School of Southwestern College, 1922 has been awarded this page. We want to use it to set forth the status of Greer County Teachers in educational activities both at college and at home.

To those who attended the 1922 Summer Session it is hardly necessary to state that the Greer County representatives were present in greater numbers than ever before—There were 66 in attendance in 1922 as compared to 24 in 1921—and this increase in numbers was accompanied in like increase of spirit and activity.

Before the summer session opened a meeting of those who expected to attend summer school was called in the county and an organization formed and plans made for the summer. The enthusiasm, thus early aroused continued to grow and resulted in the large attendance and increased activities. At this meeting a banner was ordered which was floated over the Greer County section in the auditorium. Social life was fostered by the Club by the appointment of a social committee which has resulted in many pleasant occasions.

But it is not only these lines of endeavor that these teachers strive, for no more loyal and patriotic people can be found than those from Greer, who are ever interested participants in every effort to advance the welfare of Southwestern and the cause of education. They can be counted in 100 per cent strong on every laudable enterprise.

It would be an incomplete story if the source of the desirable characteristics of the people to whom this page is dedicated were not told. Greer County is known throughout the state as the county of consolidated schools. This movement began early in 1910 when the first two consolidations were formed, received a new impetus when Milton Butler became County Superintendent and in 1917 several more consolidations were formed, to be followed rapidly by the complete consolidation of the county. The standardization and perfecting of these schools has been consistently carried forward by Haskell Pruett and Will C. Jones, "Live Wire" superintendents and worthy successors to Butler.

"I'd like to get off something sharp" said the joke editor.
"Try sitting on a tack" replied his unsympathetic contemporary

He—She was such a forlorn little Freshmen and she looked so lonely standing there.

She—For pity's sake!

He—Why, of course.

Prof.—Sick yesterday, eh? But how does it happen that I saw you running down the street?

Freshmen—Oh, that was when I was going for the doctor.

He—Is that you darling?

She—Yes. Who is this?

He—Last night Mary told me I was the first man who had ever kissed her.

Her—Too bad the dear girl got such a poor start.

He—Just one more kiss before I leave.

She—No; we haven't time. Father will be home in an hour.

Mansur Stewart was digging away at the weeds in his garden. Mr. Neff, passing by, said to him: "Makes it harder with the weeds so thick, doesn't it?"

"No it's easier," replied Mansur. "You don't have to walk so far to the next weed."

During the revival meetings in Weatherford last winter, placards giving notices of the various meetings, subjects, etc., were posted in conspicuous places. One day the following was displayed: "Subject - Hell, It's location and It's absolute certainty." Ewen Ellis, Baritone, will sing: "Tell mother I'll be there."

While the football boys were waiting at Geary enroute to Alva, Truman Kendall was accosted as to the meaning of the "S" on his football sweater.

"Does it mean switchman?" was the inquiry.

"No sir. It means Southwestern State Teachers' College" was Raggie's proud reply.

Alva Whitely—Oh! Say the bill passed. Passed both houses.

Our business is founded on confidence—confidence in the quality of our merchandise, confidence in our integrity and confidence in our ability to serve you properly.

Quality is of the utmost importance in this day of critical exactness. This store knows no such phrase as “just as good” but rather we endeavor to have “just what you want.”

We esteem it a privilege to serve you properly, courteously and efficiently.

Royce Banks (to messenger boy) “What did Miss Miller say when you gave her the flowers?”

Boy: “She asked the boy sitting next to her if he would like one for his buttonhole.”

Student: “Your bill is exorbitant. I am not an easy mark. Do you think I spent two years in boarding houses for nothing?”

Landlady: “From what I’ve seen of you I should think it highly probably.”
