

State Regents Postpone Meetings on January 27-28

01.26.2010

Due to the predicted inclement weather, the State Regents for Higher Education have postponed all of the State Regents' meetings scheduled for Wednesday, January 27, and Thursday, January 28, at the University of Oklahoma in Norman.

The meetings will be rescheduled for a later date.

Among the agenda items were public comments on a proposed tuition and mandatory fee request for Southwestern Oklahoma State University.
