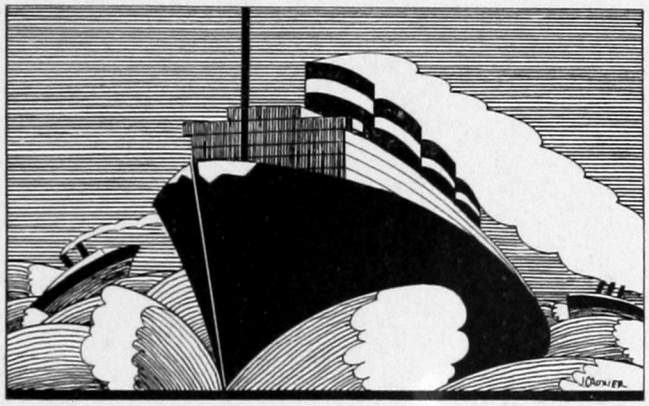
FOREWORD

This volume can lay no claim to elaborateness or literary achievement. The staff have merely endeavored to bring closer, in the minds of students of Southwestern, the memory of friends and events which would otherwise grow dim with the passing of years. If we succeed in this, we count one of our greatest objectives gained.



DEDICATION

To that spirit of progress which has made Southwestern the school we all love and esteem, which has brought forth from her doors each year teachers more capable and citizens more efficient, is this the 1932 *Oracle respectfully dedicated.*

Review

IN presenting this annual we are submitting the product of our best efforts toward a representative record of the year's activities and events. In this endeavor we believe that we have been in large measure successful. This edition contains a far greater number of pictures than did any previous issue, a fact which in itself is a suitable test; a yearbook should be primarily a picture book. Also the photographic quality is on the average higher than earlier achieved. The engraving and printing are standard.

Another point of considerable importance in a period such as the school year just closing is the low price at which the publication has been executed. Here the staff feel they have carried out a task of no little difficulty and yet a virtual necessity.

We realize that errors have inadvertently been allowed to pass uncorrected. For these we offer no excuses, but a word of explanation may be appropriate. Some errors have been observed, too late to rectify, such as in arranging a few students in the wrong class groups; this we regret, but do not consider that any particular injury has been done.

Now that all the copy's in and the study and execution of design finished, the staff hope for a modicum of appreciation. Won't you take the will for the deed—consider not merely the result, but to some degree the goodwill with which we have exerted ourselves, under the handicaps of inexperience, limitation of funds, and division of time between Oracle development and class work? Squander, if you please, a kind thought upon us at the recollection that on many occasions when you were enjoying an afternoon of tennis, or a picnic, or some other recreation, we were involved in serious tasks in preparation of the yearbook or in "catching up with" studies necessarily neglected during a rush to conclude some phase of the work.

The staff deeply appreciate assistance and guidance given in this enterprise, and hope that in years to come this volume may be a source of genuine pleasure to Southwestern students of 1931-1932.

The scholastic group unofficially designated "Perennials" is made up of Southwestern students attending this college after receiving a degree here. These students claim the degree B. P., "Baccalaureus Perennialis" —Perennial Bachelor. The significance here should be obvious: they attend throughout the years, instead of merely during a regular course.

Of the five so recognized above, Mrs. Krumtum is the first observed to achieve this rank, and has perhaps the highest qualifications in the class, in terms of college credit hours.

The group first began to take form as a distinct classification in 1930, hence this is their first appearance in the yearbook. Thus far, membership in the order has been assigned upon the fact of attending Southwestern a term after receiving a degree. The society is not yet functioning regularly. No definite organization has been completed; social purposes are the chief *raison d'-etre.*

There are many among Southwestern's alumni who deserve recognition in this number, though a list of them is not at present available. The Oracle Staff regret the fact that eligibility to membership was overlooked in the case of one student in attendance this year, who deserved to be included above.

The Perennials consider that the existence of their group is a testimonial that Southwestern has been a good school to attend even after it has granted them the Arts and Science degrees.

Alma Mater

Standing firmly on the hill-top,
Clearly outlined 'neath the blue,
Emblem of the best and noblest—
Alma Mater true!

Refrain:

Hail, all hail to thee, Southwestern,
Alma Mater true!
We will ever sing our praises
To the White and Blue!

Foster mother, friend so loyal,
Honor, love and faith we bring;
With thy spirit ever near us,
This our song shall ring!

Southwestern

Jus! give 'way there, flags and horns and all;
Southwest College is coming with the ball!
Southwest College sons are ever true—
Makes it awfully hard on you!

Refrain:

Football, basketball, oratory too;
Run, write, talk, fight—win in all we do.
Southwest College is coming after you—
'Rah-'rah-'rah! for White and Blue!

Bulldogs sweep down upon the enemy,
Caging goals for our great victory,
Scoring for their Alma Mater true,
Bringing honor to old White and Blue.

Crunch! Crunch! Crunch! Crunch! Take a seat in back;
Southwest College is coming down the track;
Big blue "S" comes first in running too—
Second's all that's left for Y-O-U.

The Q. P. Dramatic Club is one of the oldest organizations on the campus. It was organized in 1916 by Miss Mildred Duncan, head of the expression department at that time. Although the club has suffered some periods of inactivity, there have always been Q. P. members on our campus.

The purpose of the club is to promote the art of dramatics in all its forms. This year the club has been studying the dramatic art of different countries, the criticism of new plays, and lighting and setting of different types of modern scenes.

"Alpha Iota is to secretarial training departments and schools what Phi Beta Kappa is to Liberal Arts."

It is a national honorary business sorority, having fifty-five active chapters affiliated with leading business training schools, and fourteen alumna chapters. This is now the sixth largest sorority in the nation.

The purpose of Alpha Iota is to encourage high scholarship and to foster a spirit of friendship and loyalty among women students of business. An average grade of 90 is required of all girls seeking membership in the organization.

The local chapter, Beta Pi, was organized in February, 1932, and the members were to be installed the last week of April by the national president, Mrs. Elsie Katz Fenton.

To foster interest in the commercial department of the college was the purpose for which the commercial club was organized March 18, 1930.

The club began functioning with Rudy Janzen as president, under the sponsorship of Miss Juanita Welton.

Membership was limited to students having at least six hours of commercial work, or four hours with the intention of majoring in the department. Meetings were held every two weeks, alternating business and social programs.

With the college furnishing materials and the members doing the work, the organization redecorated and converted a small room in the commercial department into a club room.

The name Alpha Gamma Gamma was adopted when the group reorganized under the guidance of Miss Wellman, with Lovett Browning as president.

This year the club made an excursion to Clinton, to observe the many details of offices and business houses. An observation trip to Oklahoma City to visit business colleges and telephone and telegraph offices was also a prospect for the latter part of April.

Some furniture, a modernistic bookshelf, magazine rack and several other small articles have been added to the accessories of the club room. A large picture of Mr. John Robert Gregg was framed and hung in the room, marking the thirtieth anniversary of Gregg Shorthand in the United States.

Purpose of the Palette and Brush club is "to promote the appreciation of art and the love of nature, and to encourage the advancement of all phases of art."

The Palette and Brush club has sponsored a series of exhibitions, one each month of the past year; the first was of the American Water Color Society. The next was a one-man exhibit of Birger Sandzen's. The Oklahoma Association of Artists exhibited during the month of December.

An exhibition of work by Mrs. Augusta Custer, art supervisor at Gallup, New Mexico, was sponsored. In February Miss Kelly's Oklahoma Scenes and Flowers were on display. A one-man exhibition, that of C. O. Williams of Clinton, was shown.

In April and May five major art students' exhibitions were featured by the club. The artists whose work was displayed are: Helen Parnell, Katherine Peckham, Nancy Miller, Ethel Heinrich, and Virginia McCauley.

Student Council

	First Semester	Second Semester
President	Charles Folks	Saunders Davis
Faculty Representative	J. B. Stout	J. B. Stout

The Student Council was organized early in the fall of 1931. It provides for student participation in administrative work. Some purposes which this organization is intended to serve are:

To further good fellowship among the clubs and classes of the college.
To give students an opportunity to aid in administration through the club representatives.
To improve efficiency in handling situations which arise during the school year.
To advance interest in legislation by giving members occasion to exercise this privilege
The major aim is to insure the administration all possible aid and co-operation of the student body.

The Council can name several results achieved during the year. Some of these items are:

A Student Dance, held bi-monthly under the supervision of the Council.
Arranging for ushers at assembly.
Formulating a set of regulations as to use of the tennis courts.
Adoption of various resolutions providing for phases of campus improvement.
Assisting in a survey to determine the type of assembly programs preferred by the student body.

Senate

The Senate is an organization of male undergraduates who are interested in developing ability in debate, oratory, extempore speaking and parliamentary practice, and in general the art of logical reasoning.

Meetings are regularly held each Monday night. The club seeks to instil into all its members the principles of democracy, co-operation and advancement. Any male student willing to undergo the four-weeks' trial membership may apply for admission; anyone satisfactorily passing the tests is voted in as a full-fledged senator. In order to give experience to more men, officers are elected quarterly, and no senator can either hold two offices at once, or any office twice during the year.

The Senate has been conspicuous in its campus activities this year. It was one of the first clubs to go on record as favoring publication of the Oracle, one of the first to vote and pay a contribution to the Oracle fund, and one of the first organizations to present a program in assembly. The Senate sponsors all worthwhile campus activities; also its individual members are prominent in other organizations and take part in many school enterprises. Senators are found in practically every college organization to which men can belong.

Spring term officers of the Senate are:

PRESIDENT, Elmer M. Million.
VICE-PRESIDENT, Clifford Sanders.
SECRETARY-TREASURER, Le Roy Vick.
SERGEANT-AT-ARMS, Arthur Sweet.
CRITIC, Professor A. H. Neff.

Twenty-two years ago Forensia made its debut into the Club life of Southwestern. Any girl in school who makes an average of 85 in her school work, is of good moral character, and wishes to work in the club may become a member.

Among the important events of the year 1931-1932 may be mentioned the sending of delegates and a Forensia quartet to the Federated Club meeting; the Christmas Charity drive; and the planting of a tree in commemoration of the Washington Bi-centennial. Among the social functions may be listed numerous parties, the annual Forensia Wedding and the annual spring banquet.

It is the desire of every Forensia girl to develop literary talent, to promote friendship among the girls in school, and to encourage school activities.

Primarily for women interested in athletics, the Women's Athletic Association offers membership only to girls who have earned a hundred points in some sport. Points are earned in sports such as hiking, volley ball, basketball, tennis, hockey, baseball, horseback riding, swimming, and archery. A pin is awarded to the girl who has succeeded in earning four hundred points, a lettered sweater for one thousand points, and an emblem blanket for four thousand.

At the annual intercollegiate Play Day in Chickasha, Miss Windsor and nine W. A. A. girls represented Southwestern.

There has been more interest shown in women's athletics this year than in previous years, ten girls having earned letters

Swastika Club was organized January 18, 1932, under the name of the Southwestern Culture Club. The organization was to be of forensic type. There were seven charter members. A constitution for the society was drawn up to be submitted to the college administration for approval, which was given.

First regular meeting was held January 25, and the club has been functioning since, presenting organized programs in connection with its Monday night social and business meetings.

To provide a form of union for Southwestern's athletes the "S" club was organized, in 1920. All letter men in school at that time were declared charter members. Men winning letters in any competitive sport sponsored by the college are eligible for membership.

The major aim is to develop group spirit and mutual appreciation among the athletes of the college.

Institutional patriotism impels members to make the letter "S" the sole sports letter to be worn on the campus.

Football

Losing only two games out of a scheduled nine in the past campaign, Southwestern's Bulldogs completed their most successful football season since 1927.

Considerable pre-season strength was demonstrated at the annual Varsity-freshman fray when the yearlings held the veterans to a 7 to 6 victory.

The first game of the season found the Bulldogs meeting the highly touted O. B. U. Bison at Shawnee. Sport writers gave the Bison a paper margin of 15 points but the Bulldogs kicked over the dope bucket and came home with a thrilling 10 to 7 victory.

The Eighteenth Field Artillery of Fort Sill were bombarded out of the Bulldog camp on the next week-end, with the short end of a 56 to 0 score. Carl Beason, veteran back, received in this game injuries which kept him out for the remainder of the season.

The following week brought last year's champs, East Central Tigers, into the Bulldog arena. After leading from early in the game, the locals allowed the Tigers to tie the score at 7 all. Dope and figures show the Bulldogs to have been the best team.

Northeastern slipped in on the Bulldogs some seven days later and was in turn chased out of the stadium with the short end of a 21 to 6 verdict.

After 26 hours of mud and water the Bulldogs pulled into Goodwell just an hour before they were scheduled to meet the Panhandle Aggies. Despite the fact that many of the boys had had no sleep the previous night, they defeated the Aggies by a 25 to 0 score. No little credit for the victory goes to the coach for his strategy.

At Alva, the following week, the Bulldogs played in the hardest luck that they encountered all season. After scoring early in the game seven regulars were forced to the sidelines from injuries and the team was so weakened that the Rangers were able to push across the tying score, late in the fourth quarter.

Again Central held the jinx which they have used for years on Bulldog teams. Breaks and excellent playing combined to defeat the Bulldogs, 25 to 0.

Too weak from injuries to prove very antagonistic, the Bulldogs nevertheless gave the Southeastern Savages a bad Thanksgiving day before losing by a 12 to 0 margin in the last game of the season.

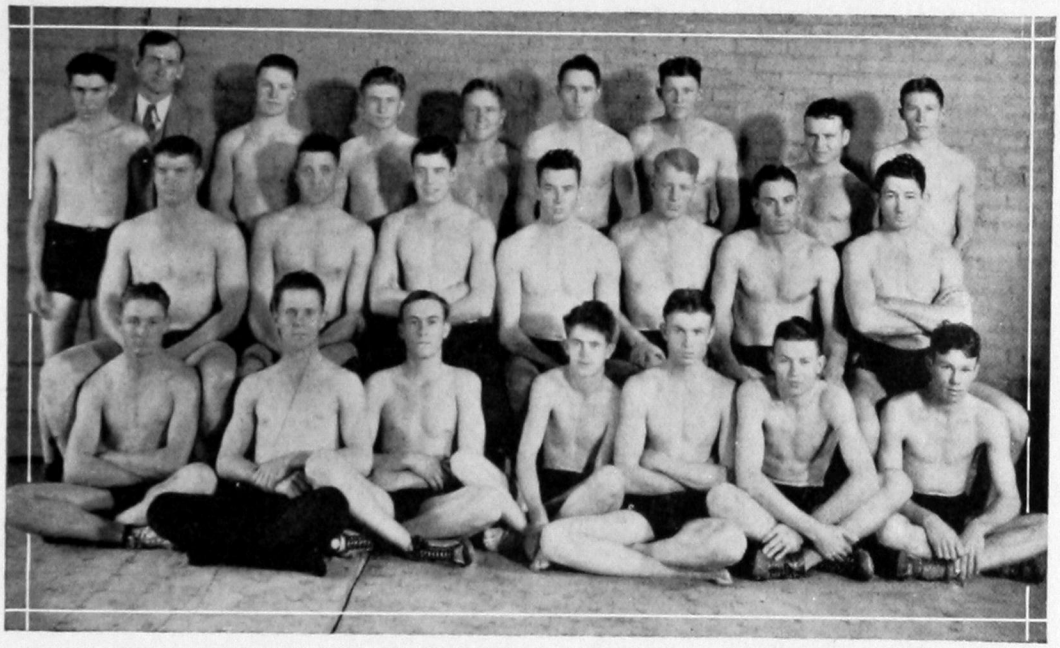
Joe "Savoldi" Curb was named all-state center on the first team; "Francie" Young was chosen all-state forward on the second team.

Wrestling



Climaxed by the annexing of six individual state championships and a powerful showing in the national meet, the wrestling team completed the most successful season of any of Southwestern's athletic endeavors, this year.

In dual meets during the regular season, the Bulldog grapplers proved their superiority, losing only two matches, one with Oklahoma A. and M. and one to Central. Revenge for the latter was obtained in the state meet.

Individual glory as well as school laurels was obtained by Ralph Teague, heavyweight, when he placed second in the national meet. By virtue of his place, Teague will enter the Olympic tryouts this summer and bids fair to be the first Southwestern representative at the international games.

Summary of the meets this year follows:

Southwestern	23	Northeastern	3
	9	A. and M.	23
	34	O. C. U.	0
	24½	East Central	1½
	28	Southeastern	0

Preview

The glad words which Southwestern is issuing to all conference teams next year are "Watch Our Step." And well may the Bulldogs be optimistic for the material left over promises to be far superior to any in years.

In football, only one man will be lost to the team. Joe Curb, veteran fullback, is lost by graduation. With such material to work with, Coach Rankin Williams can well wear the broad grin.

Coach Joe Milam is equally fortunate concerning his grapplers. Only Captain Lawrence Lundy receives his degree this spring and will no longer wear the blue and white colors.

Basketball is the hardest hit sport of all. Saunders Davis, Joe Curb, Roy Williams and Hugh Haley will be lost to the team during the next season.

No regular section for track was available but the thin clads deserve tribute for their campaigning. Southwestern's track team traveled farther and competed in more meets than did that of any other state college. 8778 miles were covered and seven meets of national importance participated in. The two stars, Marion "Red" Strong and Eugene "Hotshot" Medley brought back medals from every meet. Both of these men are being considered for the Olympic meet, this summer.

Early contests this year indicate an equally strong team. Medley is consistently turning in good performances and coupled with the added strength of veterans, the team should rate high.
