

SWOSU Hosting Tech Careers Expo this Wednesday

02.15.2016

Southwestern Oklahoma State University will host its 4th annual SWOSU Tech Careers Expo this Wednesday, February 17, on the Weatherford campus.

This event, which will be 8 a.m. until 1 p.m. in the Memorial Student Center Ballroom, serves in connecting juniors and seniors in the SWOSU Engineering Technology, Industrial Technology, and Computer Science Departments with organizations and businesses for full time work placement and internship possibilities. The event consists of individual interview sessions, open networking time, and ends with a luncheon sponsored by the Center for Economic & Business Development.

Students in the three areas have already signed up for this closed event. The students registered for the event online, allowing their resumes and information to be seen prior to the event.

For more information about this event and future ones, contact Savannah Schones at 580.774.3233 or savannah.schones@swosu.edu.
