THE VICE PRESIDENT

WASHINGTON

April 20, 1970

Colonel Thomas Stafford
Manned Spacecraft Center
NASA Headquarters
Houston, Texas 77058

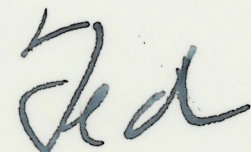

Dear Tom:

Attached is a copy of part of my remarks before the Republican Leadership Conference last Friday. I hope they caused some thought and did some good.

If there is anything you can think of that I can do to help the space program, please let me know -- and thank you again for keeping me informed during those tense days last week.

My best regards to you and Faye.

Sincerely,

A handwritten signature in dark ink, appearing to be "Gerald", written in a cursive style.
