HONOR

WHO'S WHO

There is a good chance that twenty years from now some of the eight listed below will be leaders in our state. At least, they have already taken the first step by being selected by the faculty of Southwestern for "Who's Who among Students in American Universities and Colleges," a collection of biographies of outstanding students in the schools of America.

Only one and one-half per cent of the student body is eligible, and that one and one-half per cent must be juniors, seniors, and graduate students. Each selection is determined by consideration of the student's ability in leadership, his character, and his potentiality for future usefulness to society.

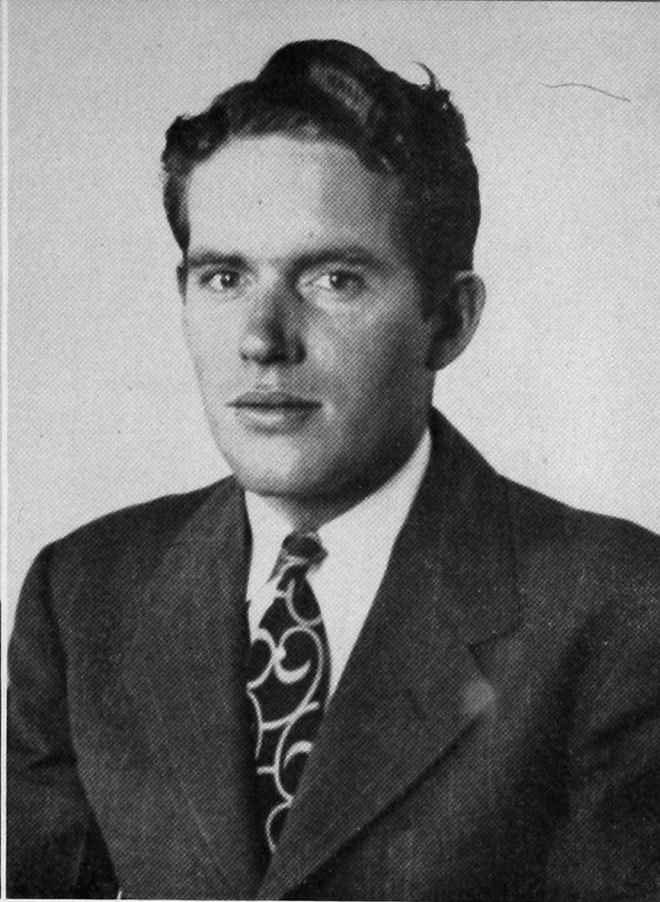

Top Row: Betty Daily, Mary Odell, Betsy Preston, Maurene Stuckey.

Second Row: Harry Hubbard, Everett Flansburg, Myrtie Card, Kathryn Heatley.

BETTY DAILY

KELLY DOUGHERTY

BEST CITIZENS

These two seniors have been chosen by the faculty as the most outstanding individuals and the best all-around students on the campus for the school year of 1944-1945.

Betty Daily is editor of The Southwestern, president of the Senior Class, vice-president of Kitawasa, treasurer of Delta Sigma Epsilon, and a member of Student Council, Alpha Phi Sigma, and Forensia.

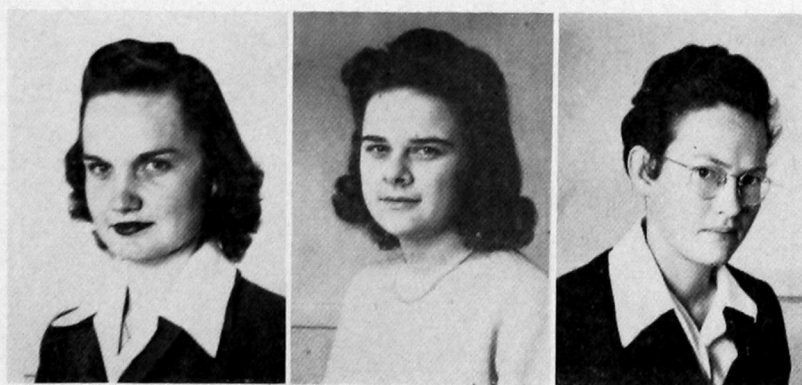

Kelly Dougherty is president of Student Council, president of Southwestern Tech Student Branch of the American Pharmaceutical Association, and Junior Rotarian of the Weatherford Club.

Mr. and Mrs. Southwestern

... a beautiful and impressive occasion with an underlying sentiment and purpose ... the wedding of Miss Forensia and Mr. Southwestern ... an annual event symbolic of the union of Forensia and our school ... on April 30, this Southwestern traditional ceremony was re-enacted by Maurene Stuckey, as Miss Forensia, and Wayne Hamilton, as Mr. Southwestern.

EDITORIALLY SPEAKING

The staff of Southwestern's Bulldog wishes to summarize the almost incredible achievements of Miss Lora Enoch. She has assisted in twenty appearances of "South of the Border," traveling all over southwest Oklahoma to meet her performance dates; repeatedly furnished music for six civic clubs and women's organizations in Weatherford; and presented one assembly program each month for fourteen consecutive months here at the college. In addition to supervising the routine recitals of a music department, she has arranged and directed an original Christmas pageant, as well as one celebrating St. Patrick's Day; has staged and directed a Lincoln's Day program that presented a poem written expressly for the purpose by Welford Inge; and has written, composed, and directed two operettas—"Rooms for Girls" and "The Gay Ranchero."

We wish to thank President Sanders, Dean Keeth and the Student Council, whose assistance made this book possible; and also Mr. Fulton, who worked indefatigably developing the thousands of pictures used.
