**DR. HOMER F. TIMMONS
DEAN OF THE SCHOOL OF HEALTH SCIENCES**

Dean of Health Sciences

Dr. H. F. Timmons, since 1956 a faculty member and administrator at Southwestern, was appointed Dean of Health Sciences in March, 1980. He had been acting Dean of the School of Health Sciences since June, 1979; prior to that time he had served seven years as Associate Dean of the School of Pharmacy and was the acting dean of the School of Pharmacy from July, 1979, to July, 1981.

A native of Mangum, Oklahoma, area, Dr. Timmons is a graduate of Central Vue High School. He received a bachelor of science degree, with a zoology major and chemistry minor, from Oklahoma State University in 1949 and a master's degree in zoology and bacteriology from the University of Oklahoma in 1950.

From 1951 to 1953, Dr. Timmons was a graduate assistant in the University of Oklahoma College of Medicine, Department of Physiology. He also served as a research assistant in the mycology section of the Oklahoma Medical Research Foundation and a teaching assistant in the Exfoliative Cytology Laboratory in the University of Oklahoma Hospital.

The following two years he served in the military; he taught chemistry and physics in Central Junior-Senior High School during the 1955-56 academic year.

Dr. Timmons first came to Southwestern as an instructor in the Department of Biological Sciences. He continued his graduate education in the summers and completed the requirements for the Ph.D. degree in physiology from the University of Oklahoma in 1963. In 1965 he became a professor of pharmacology and physiology in the School of Pharmacy and a year later was named as the head of the School's physiology department.

For 10 years, 1967-77, Dr. Timmons was chairman of the Division of Biological Pharmacy and took the chairmanship of the Pharmaceutical Sciences Division in 1977. Beginning in 1972, he was also the Associate Dean.

The new Dean is a member of the American Association for the Advancement of Science, American Association of Colleges of Pharmacy, and Oklahoma and American Pharmaceutical Associations. He is also a member of the American Public Health Association, Federation of Experimental Biologists and Oklahoma Academy of Science.

Honor society memberships include Rho Chi (pharmacy) and Beta Beta Beta (biology). He also is active in the American Lung Association and Higher Education Alumni Council of Oklahoma. In addition to his administrative responsibilities, Dr. Timmons will continue teaching human physiology, pathology and clinical pharmacy in the School of Pharmacy.

Dean of The School of Pharmacy

Since coming to Southwestern Oklahoma State University School of Pharmacy in 1969, Dr. Bernard G. Keller Jr. has been instrumental in developing programs in clinical and pharmacy practice which have been widely adopted by other schools of pharmacy. His personal background in education and career experiences had much to do with these innovations.

He earned the Bachelor of Science in Pharmacy degree at Loyola University of New Orleans in 1959. He actively practiced in community pharmacy for three years in the New Orleans and Harahan, Louisiana, area. He entered the University of Mississippi, where he earned a M.S. degree in 1964 and a Doctor of Philosophy degree in 1969.

From August, 1965, to May, 1969, he headed the Departments of Pharmaceutics and Pharmacy Administration at Mercer University in Atlanta, Georgia. The Dean came to Southwestern as Professor of Pharmaceutics and Pharmacy Administration. In 1972, he was assigned to Oklahoma City to head the Department of Clinical Pharmacy.

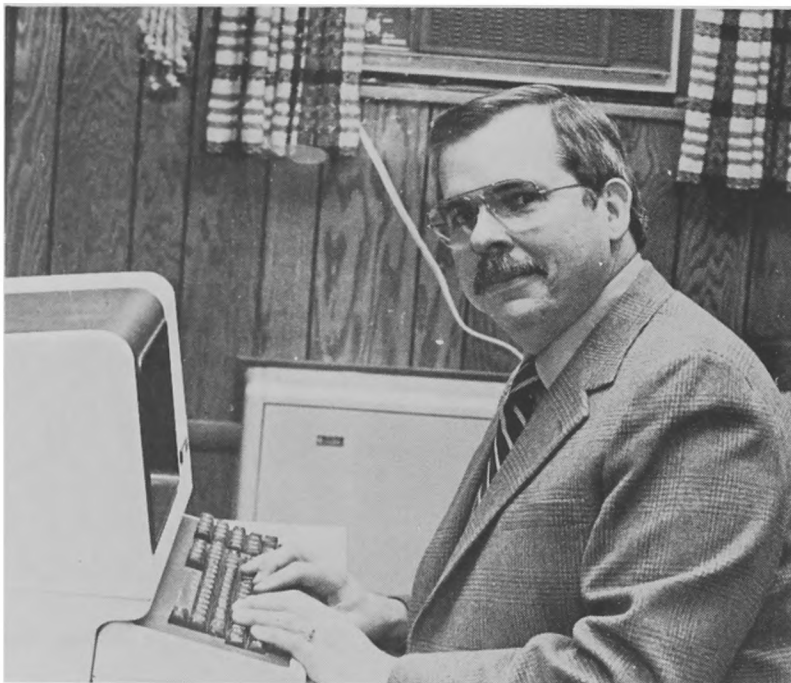

Dr. Keller is listed in Who's Who in America, Who's Who in the South and Southwest, and American Men and Women of Science. He is a registered pharmacist in Oklahoma, Georgia, Mississippi, and Louisiana.

The Dean is a member of the American Pharmaceutical Association, Academy of Pharmacy Practice, American Association of Colleges of Pharmacy, American Society of Hospital Pharmacists, American College of Apothecaries, National Association of Retail Druggists, Oklahoma Society of Hospital Pharmacists, Oklahoma Pharmaceutical Association, American Heart Association--Oklahoma affiliate--Higher Education Alumni Council of Oklahoma, Rho Chi society, and Phi Delta Chi fraternity.

In addition to his administrative responsibilities, Dean Keller will continue teaching Pharmacy Ethics and Clinical Pharmacy.

DIVISION OF ALLIED HEALTH SCIENCES includes Medical Records Administration, Administration of Allied Health Services, Medical Technology and Pulmonary Services Technology. All are B.S. degree programs.

Medical Records Administration requires two years pre-professional and two years professional training. Passing a professional exam is necessary for registration.

Administration of Allied Health Services trains one as an administrator for hospital, nursing homes and other health agencies. An internship period is required.

Medical Technology consists of three years on-campus training plus one year in an AMA approved hospital laboratory. A professional exam for registration is required.

Pulmonary Service Technology requires a degree in Biology or Medical Technology plus six months internship in an approved hospital.

DIVISION OF ALLIED HEALTH SCIENCES

First Row (l-r): Mrs. Faye Henson, Dr. Harold Cole. Second Row: Dr. Gary Wolgamott, Mrs. Marion Prichard, Dr. Dennis Messmer, Dr. Michael Kerley.

DIVISION OF NURSING

First Row (l-r): Helen Fenstermacher, Cindy Foust, Emily Merrill, Gemma Doll, Lu Reichmann. Second Row: Mary Schenk, Joi Wilson, Mary Dickey, Sue Ann Raney.

DIVISION OF NURSING baccalaureate curriculum for nursing consists of two years "pre-nursing" and two years specialized instruction provided by nursing faculty known as the clinical or professional component of the curriculum. The professional training is provided in a variety of settings--classroom, laboratory, audio-visual laboratory and various health care facilities in the area. Pre-nursing courses may be taken by qualified students, but the professional component is restricted to those individuals who have made application and have been granted admission to the program. Completion of the Bachelor of Science in Nursing qualifies one to take the exam from the Oklahoma State Board of Nurse Registration and Nursing Education.

Auxiliary Faculty

Sometime before we began to hear the words "clinical pharmacy," Southwestern had already embarked upon curriculum changes designed to prepare our graduates for a more "patient-oriented" practice of pharmacy. The development of an improved instructional program for physiology-anatomy, the introduction of a required course in pathology, and modifications in our approach to the teaching of both pharmacology and laboratory dispensing as exercises in patient information and care date back to the early 1960's.

During the 1967-68 academic year, a new committee known as the "Clinical Pharmacy Committee" was formed with representation from each department of the School of Pharmacy. This committee was charged with the responsibility of developing a course in which the laboratory would provide

students an opportunity to deal directly with sick people. Working in cooperation with officials from the St. Anthony Hospital, and particularly with Mr. Kelly Dougherty, Director of Pharmacy Services, the committee finalized plans for a cooperative program with St. Anthony. The course developed was a two-semester-hour course entitled Clinical Pharmacy. With some modifications this is still the basic exposure which the students receive involving ill patients. The course requires the student to attend class one hour weekly on campus for one semester. During this semester, the student leaves campus for a one-week residency at the St. Anthony Hospital in Oklahoma City, with a variety of laboratory experiences concluded at that location.

Southwestern's next major step toward a new look for

the School of Pharmacy curriculum was a pilot program involving a new seven-hour clinical pharmacy course known as Professional Practice. This was first made available as an elective course in January, 1971. The implementation of this course made Southwestern a truly state-wide institution, through the utilization of a number of hospitals, instructional clinics, and free-standing community pharmacies variously located throughout the state as auxiliary instructional laboratories of the School of Pharmacy, and registered pharmacists practicing in these locations as adjunct clinical faculty members of our School.

These volunteer faculty members perform a great service for our School and our students who receive on-site instruction in pharmacy practice and management as well as supervised experience in communication with patients, physicians, nurses, and other health professionals.

In the summer of 1972, Professional Practice was made a required course for graduation from the Southwestern Oklahoma State University School of Pharmacy. At that time, a Department of Clinical Pharmacy was established, and Dr. Bernard G. Keller Jr. was appointed Assistant Dean for Clinical Programs with two full-time staff members. Their offices and base of operation were located in the St. Anthony Hospital in Oklahoma City.

The original Professional Practice course is now subdivided into two courses; namely, (1) Pharmacy Practicum-Community, and (2) Pharmacy Practicum-Institutional. Each course is for seven-semester-hours credit, and each requires that the student leave the home campus to spend one-half semester under instruction in one of our auxiliary laboratories. Those who choose (1) above, go to selected community pharmacies for instruction, while those who enroll in (2) above, go to one of our affiliate institutional locations for their half-semester of concentrated instruction. All students are required to complete one of these courses. It is possible for a student also to elect and complete the alternate course.

Southwestern's most recent innovation in clinical instruction is an elective course entitled Gerontology. This three-hour course utilizes selected off-campus Extended Care Facilities in and around Weatherford as auxiliary laboratories. Completion of this course prepares the student to perform well as a pharmacist consultant.

Like the other clinical offerings, it is an innovative and unique learning experience designed to prepare our students for a life of service to the health needs of mankind. Our students and faculty are ever mindful that pharmacy is a "people profession"--not a profession dedicated to the disseminating of chemicals and biological products.

Southwestern's clinical programs have served as models for many other schools who have initiated, or are presently developing, similar academic offerings.

Institutional clinical faculty members include: Pat Abernethy of Lawton; Jack Arnold of Vinita; Richard Dennis, Marguerite Lloyd, Larry Warden, William Brown, Mike Weisz, David Penka and Russell Teakell of Tulsa; Kelly Dougherty, Charles Dreyling, Joel Osborne, Michael Stephan, Tommy Willhoit, Everett Mounts and Dan Barnes of Oklahoma City; John Harms of Durant; Bobby Hoffman and Michael May of Clinton; Ovetta Oakley and Bobby Taylor of Enid; Barbara Poe of Bartlesville; Elizabeth Schmidt and Emmelita Hoskins of El Reno; Gary Mitchell of Bartlesville; Idalle Faram of Edmond; Bervis McBride of Tinker Air Force Base; Hal Lusk of Fort Lyon, Colorado.

Community clinical faculty members include: Jerry Allen and Smith Wycoff of Weatherford; David Barnes and Thomas Hull of Tulsa; Carl Bogdahn of Woodward; Rex Cox of Tahlequah; Bob Dishman of Lawton; Keith Dodson of Altus; Ron Doyle of Midwest City; Kenneth Eck of Healdton; Toni Gibson of Ponca City; Leroy Gregg, Robert Lenhart, Thomas Lout, Ed Watkins, Dale Metzler and Richard McKerson of Oklahoma City; Truett Guthrie of Hobart; Jack Jennings of Okmulgee; John Lassiter of Del City; Ellis Lindsey of Wynnewood; Donald Phillips of Enid; Bryan Potter and Warren Meador of Elk City; Dale Swann of Watonga; Don Swann of Geary; Don Coody of Bethany; Ralph Enix of Kingfisher.

Clinical instructors in the Public Health Service Indian Hospitals are: Linton Angle and Robert Parrish of Claremore; John Boren and Steve Pettitt of Tahlequah; Michael Brown, Glenn Rex and Galen Goeden of Pawnee; Ralph Causey and Michael Seybold of Clinton; Dan Hausman and Tillman Hughes of Lawton; Christopher Konrad and Jim Little of Ada; John Ware and David Wilcox of Tahihina.

In consulting roles for the School of Pharmacy, clinical faculty, are: Richard Mooney, Executive Director, and Michael Stephens, Administrator of St. Anthony Hospital of Oklahoma City, and Dick Church, Chief Area Pharmacy Branch, Oklahoma City Area Indian Health Service.

In the summer of 1981, Dr. Bernard G. Keller Jr. was appointed Dean of the School of Pharmacy, and he named Dr. Charles Nithman as Head, Department of Clinical Pharmacy. Two members joined the department at that time: Mr. Alan Mason and Dr. Keith Olsen. Their offices and base of operation are located in the St. Anthony Hospital in Oklahoma City. The most recent addition to the Department is Dr. Dail Thompson.

SOUTHWESTERN

Homecoming 1983

SWOSU 1983 homecoming activities at Milam Stadium took place on a crisp fall day with the Bulldogs hosting the Northeastern Redmen. Melanie Mouse was crowned homecoming queen, and Christy Williams, as Kappa Epsilon's nominee, was a pharmacy candidate. Southwestern's Bulldogs lost to the Redmen in the last few seconds of the game.

The School of Pharmacy participated in the festivities by holding an open house that day, while the Alumni Association Dinner was hosted by Dean Timmons.

Kappa Psi celebrated their 20th anniversary on campus by hosting national officers and holding a roast for Dr. Coates in honor of his reign as Grand Council Deputy for 16 years.

SWPhA entered a float in the homecoming parade this year and walked away with the first prize award.

Kappa Epsilon hosted a KE Alumni Breakfast and also an afternoon tea for SWOSU pharmacy alumni.

Phi Delta Chi rounded out the evening with a dance.

IPA OFFICERS

Monty Lee, Kathy Carroll, Shaun Chastka, Jeff Rollwitz

The Institutional Pharmacy Association (IPA) is an organization dedicated to the student interested in the practice of institutional pharmacy (hospital, nursing home, etc.) IPA is a student affiliate of the Oklahoma Society of Hospital Pharmacists (OSHP). Members receive all OSHP publications and are invited to attend functions free of charge.

Officers for this year are: Shaun Chastka, president; Monty Lee, vice-president; Kathy Carroll, secretary; Jeff Rollwitz, treasurer, and Dr. Steve Pray and Dr. Linda Beasley, faculty advisors.

Speakers for this year's meetings included a pediatrician involved in cancer research, a radionuclear pharmacist and an expert in the kinetics of antimicrobials. In addition, members meet socially and for tours of local institutions.

Each year a senior student is recognized by OSHP and presented with a year's membership in the Society. This year's recipient was Frank Post.

All pharmacy and pre-pharmacy students are invited to join.

Rho Chi emerged nationally as an honor society in pharmacy with three chapters in 1922. Our local chapter, Beta Upsilon, was founded in 1961.

The fundamental objective of Rho Chi has always been to promote the advancement of the pharmaceutical sciences through the encouragement and recognition of sound scholarship. High standards of intellectual and scholarly attainments have been demanded for election to membership.

The requirements for membership into Rho Chi include: three semesters as a full-time student in the School of Pharmacy, a grade-point average of 3.10, both in the School of Pharmacy and overall, and ranking in the upper 20% of one's class.

Candidates are elected to membership in both the fall and spring semesters and are initiated at an Initiation Banquet held in the spring.

Southwestern Pharmaceutical Association is made up of 181 dedicated future pharmacists. Serving the School of Pharmacy by hosting a number of events, SWPhA's officers are Sandy Conklin, Bonnie Woods, Joy Gilliland, Craig Stone, and David Tate. In addition to the monthly meetings which are informative and interesting, SWPhA was involved in many activities.

The first activity was an ice cream social held in the summer to relieve the routine of summer school. The fall semester was launched by a hamburger cook-out at which 150 pounds of hamburger were consumed. To celebrate homecoming, a float expressing the theme of fiesta was constructed. This float, SWPhA's fiesta cruise, was a 30-foot ship which held Mexican dancers and children tapping at a pinata. This ship, built entirely of tissue and chicken wire, was the highlight of the parade and captured first prize of \$1000.

December was the month for SWPhA's Christmas social. The event was exciting and included a visit from Santa, relay games, and the crowning of the Southwestern Pharmaceutical Queen.

A skating party held in February at the Center proved to be a success and included numerous memorable falls.

SWPhA also sponsored pre-pharmacy mock interviews and sold lab coats at discount prices. Four of SWPhA's members attended the Region 6 Midyear Meeting in Kansas City, Missouri, in which Carole Cleckler served as Southwestern's delegate.

The year ended with the Annual Awards Convocation and Senior Banquet.

Kappa Epsilon is the women's professional pharmacy fraternity. Its goals are to cooperate with the faculty and stimulate high scholastic standards in its members as well as provide a bond of lasting friendship, loyalty, and interest.

This was the twenty-fourth year for the Alpha Beta chapter of Kappa Epsilon on Southwestern's campus. Starting off the fall semester was a Coke party, a watermelon feed, and weekly signature parties for the pledges. Money-making activities included a car wash and the annual spaghetti supper which were both a great success.

The professional project for the fall was a drug fair. Representatives from various drug companies were invited to bring with them demonstrations and information for Southwestern's students and faculty. This was the second year KE organized this event, and it proved again to be an educational experience for all who attended.

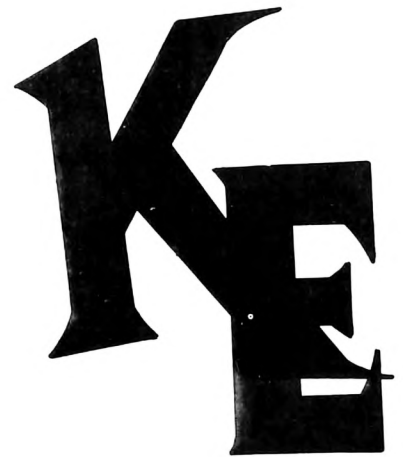

The spring semester brings in a new group of officers and pledges. So far the pledges have already been given a Coke party and an ice cream party by the members. The spring professional project will be a campus-wide rock-a-thon for the Ronald McDonald House. Organizations send a representative to rock in a rocking chair for a designated length of time. Donations will be made for each one of the "rockers." These donations in turn will be given to the Ronald McDonald House in support of their cause.

The year will be ended with the Founder's Day Banquet which is a special celebration to honor the founders of KE. Awards and scholarships will be presented to outstanding members. KE extends a special thank-you to Dr. Keith Reichmann for his guidance and support.

Phi Delta Chi, a professional pharmacy fraternity, was founded in 1883 at the University of Michigan. It currently has 55 chapters across the country with Alpha Omega Chapter, the first fraternity on the Southwestern campus, being founded in 1956. Since that time the chapter has initiated over 460 members.

The brotherhood sponsors several professional projects each year. Every year we have our Diabetes Screening for the public in conjunction with the National Diabetes Month. Each spring we conduct a Poison Prevention Program at the local grade schools as part of Poison Prevention Week recognized nationally. Also this year we were active in Hypertension Screening by aiding Dr. Neal Latman in obtaining the data necessary for him to compile a report on the new electronic blood pressure kits on the market today. In meeting this challenge the fraternity received national recognition in various journals and magazines. We are also active in the Special Olympics and minister to a local nursing home by providing gifts at Christmas each year.

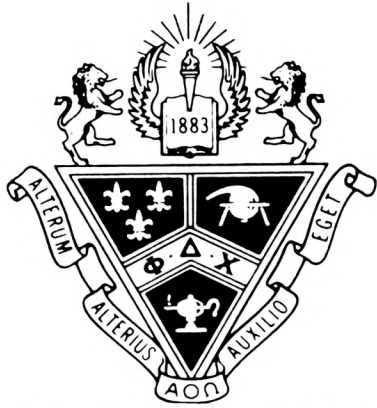

Several fraternity and campus awards were achieved by our

chapter this year. The university's President's Trophy was won for the second year in a row by our brotherhood. An Achievement Cup, Battle of the Fraternities Honors, and several sports trophies were among the other awards we enjoyed.

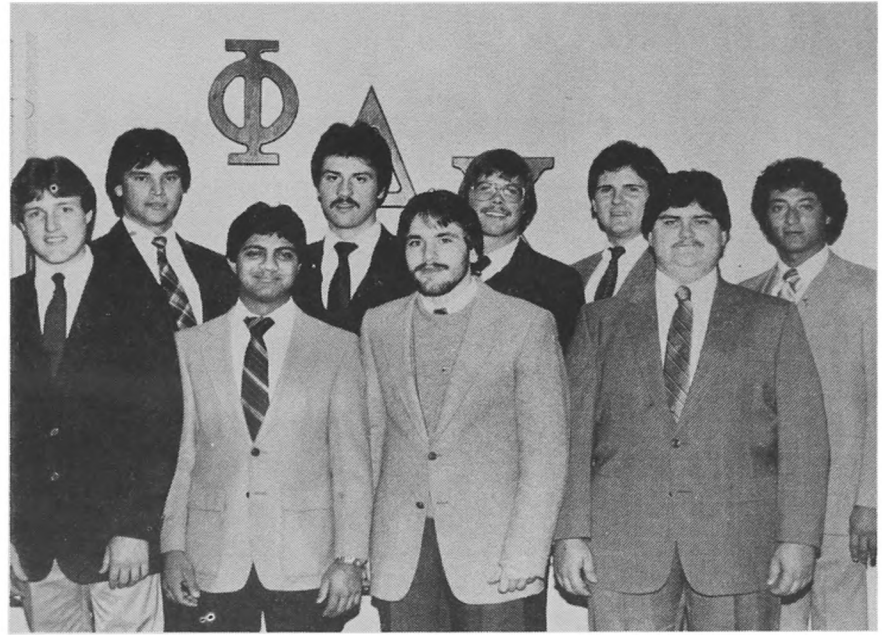

Each year our formal social events give us a chance to see old friends with the returning of many of the alumni. The social events held are homecoming in the fall and our Formal Banquet and Dance in the spring.

We are greatly indebted to our little sisters and sponsors who make our activities possible through their continuous support. Our little sisters, through their loyal support and dedication, have bonded together to help us with all of our projects and aspirations. Our sponsors strive to keep us informed and help us with our many questions. Without their leadership and guidance we would not have been able to realize our past accomplishments, nor could we expect any in the future.

With high goals and dedicated hard work we have helped to make the Southwestern School of Pharmacy the outstanding school that it is today.

First Row (l-r): Ray Hoke, Jerry Nunn, Ken Douglas, Troy Wall, Craig Stone, Craig Inman, Mike Kitchens, Brian Maxey, Raudel Rivera. Second Row (l-r): Dr. Coates, Chris Koenig, Kane Lamkin, Greg Diel, Mark Villines, Jay Quintana, Monty Lee, Carey Bridges, John Lemley.

Kappa Psi has the double distinction of being the oldest and largest professional pharmacy fraternity. This is the chapter's 20th anniversary at SWOSU, and it continues to reflect professionalism as well as advancing the interests of pharmacy.

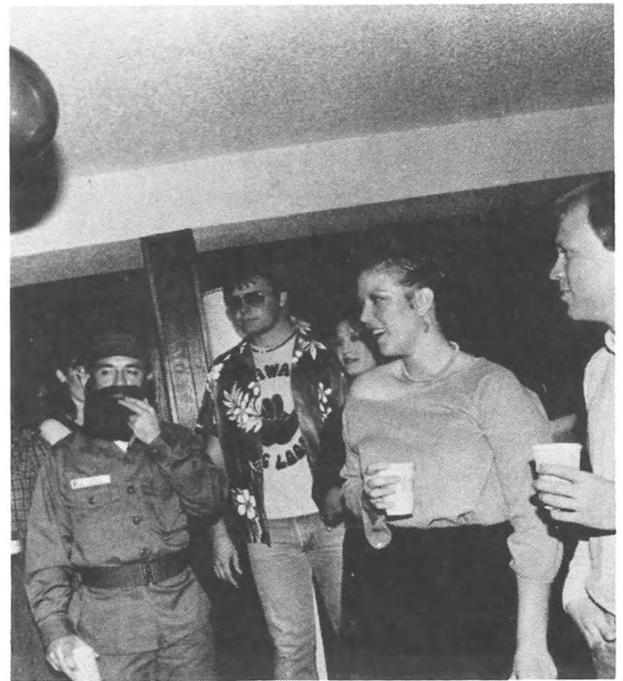

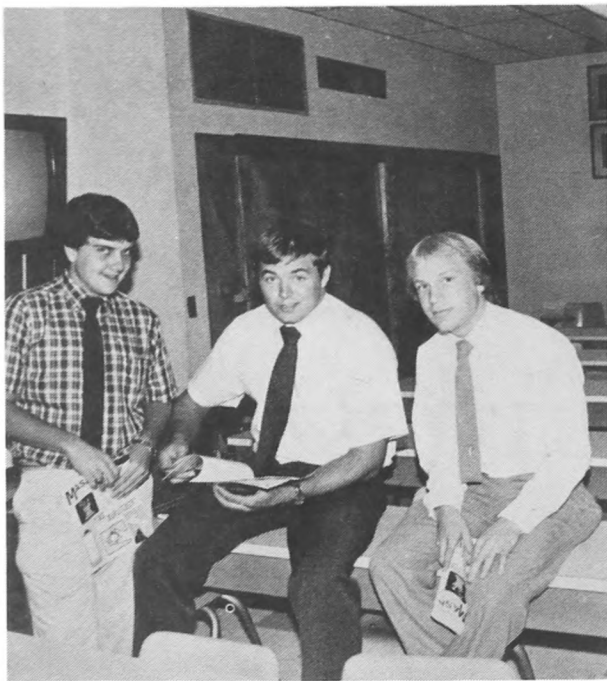

Each semester Kappa Psi performs bimonthly hypertension screening for the elderly at the Senior Citizens Lodge. The fraternity sets up the same type of hypertension screening at local department stores in Weatherford. Every fall, members help represent SWOSU at the Oklahoma State Fair by working in the school booth. Kappa Psi is occasionally asked to volunteer services for nonprofit organizations such as the American Cancer Society, and members are encouraged to assist with the campus blood drives for the American Heart Association.

There are many fun projects each year. The annual KY Golf Tournament, Hygiea Bowl, Spring Cookout, and Valentines Party are just a few of the festivities. Keeping in mind the old

adage about everyone needing a sound mind as well as a sound body, KY has been more than respectable in their participation in intramural sports. The basketball team has been in the finals twice in three years with one championship, and the football team was in the playoffs again this year.

One of the goals of all professional fraternities is to promote and maintain academic excellence from within its membership. We were proud to have three members inducted into Rho Chi and hopefully expect more in the future.

Kappa Psi has had a successful year and would like to remember this year as a special 20th anniversary honoring past members and affiliates, but mostly KY would like to express earnest appreciation to Dr. David Coates for services rendered above and beyond the call of duty. His sixteen-year tenure has enriched the status of the fraternity, so we say--thank you, Dr. Coates.
