The 24th annual Research and Scholarly Activity Fair at Southwestern Oklahoma State University is scheduled for Thursday, April 13, at the Pioneer Cellular Events Center on the Weatherford campus, and applications are now being accepted.

The fair will take place from 12 noon to 3 p.m.

An application is required to present at the fair and is accessible on the SWOSU web site at <http://www.swosu.edu/administration/osp/fair/info.aspx#>. The application process is through on-line submission only. The application deadline is Friday, March 10.

A participant must present in poster or podium format. New this year is a poster and/or podium competition for student presenters. While podium presenters will be automatically entered, poster presenters are asked to check their preference to participate in this event.
