

# Fraternities Plan Spring Rush Week

02.04.2014

Southwestern Oklahoma State University's social fraternities on the Weatherford campus are set for the spring semester's Rush Week that continues through Monday, February 10.

The SWOSU chapters of Phi Delta Theta and Tau Kappa Epsilon will host events for any interested male students.

The two fraternities hosted an information session on February 3. Members discussed activities, events and philanthropy. Later in the week, the fraternities will split to host their own events. On Tuesday and Thursday, Phi Delta Theta will hold gatherings for newcomers. Tau Kappa Epsilon has events on Wednesday and Friday.
