

# SWOSU Tech Trek Honored by OKC Thunder and Devon Energy

02.19.2016

Tech Trek at Southwestern Oklahoma State University in Weatherford recently received recognition from the Devon Thunder Explorers Program for efforts to inspire girls entering the eighth grade to pursue careers in science, technology, engineering and math (STEM).

The Devon Thunder Explorers program is a team effort between Devon and the Thunder to create activities to excite children ages 4-14 about STEM and highlight programs that align with this mission.

Tech Trek at SWOSU, a program of the American Association of University Women, is in its fourth year and will be held this year on June 12-18. Additional information about Tech Trek is available at <http://techtrek-swosu.aauw.net> or emailing [techtrek@swosu.edu](mailto:techtrek@swosu.edu).
