TO THE STUDENTS OF SOUTHWESTERN STATE COLLEGE

The staff of the BULLDOG presents for your approval the 1950 edition with most humble regards.

We hope the 1950 BULLDOG will serve its intended purpose of being a guide throughout the years to happy memories of past experiences of days spent at Southwestern. Our wish is that many nights in the future will be spent thumbing through the pages of this book and the faces and names found here will be recalled with happiness and joy.

We wish to take this opportunity to give our thanks to the gracious people who have contributed their time and talent to the publishing of this book.

STATE OF OKLAHOMA
OFFICE OF THE GOVERNOR
OKLAHOMA CITY

ROY J. TURNER
GOVERNOR

TO MY FRIENDS AT SOUTHWESTERN STATE COLLEGE:

It is a genuine pleasure for me to take this means of extending greetings and good wishes to the faculty, alumni, and students of Southwestern State College. I also wish to extend congratulations to the members of the graduating class and to the staff of The 1950 Bulldog.

For many years Southwestern State College has played a prominent and impressive role in Oklahoma's fine system of higher education. Thanks to a mandate given by the people at a special election last September, higher education is on the march in Oklahoma. Our college plants soon will be modernized and expanded under the supervision of our State Board of Regents for Higher Education. Southwestern State College will share in this progressive program.

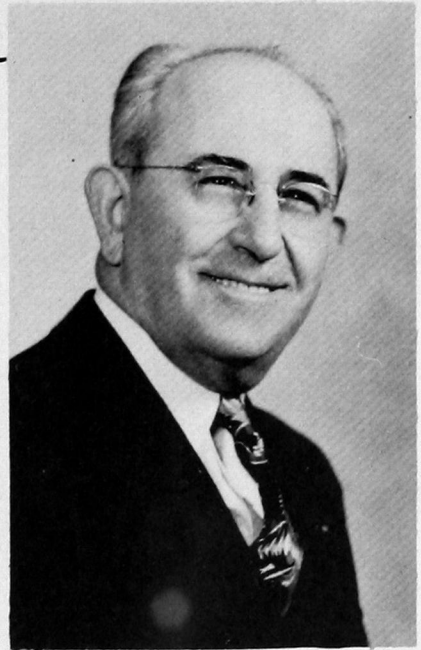

The spirit of the pioneers, who built our state, is still a moving and vital force in Oklahoma. This spirit, together with our rich and abundant natural resources, makes Oklahoma a great state in which to build our homes and our futures. The horizons which beckon us now are, as the horizons that beckoned our pioneers -- unlimited.

Dear Paul:

It is a pleasure to extend greetings to the faculty and student body of Southwestern State College. I wish to congratulate the staff and sponsors who are responsible for this excellent edition of The Bulldog. Left to Right: Dr. S. R. Emmons, Dean of the College; President R. H. Burton, President of the College; Dean Phoebe Addison, Dean of Women; Mr. Francis L. Richardson, Director of Student Affairs.

Administration

A willing team pulling together to promote the best interests of both the college and the student body are these four leaders.

President R. H. Burton, who came to Southwestern in 1945, handles the affairs of the college. President Burton received his Bachelor of Science degree at Central State College and his Master of Science Degree at Oklahoma Agricultural and Mechanical College.

Dr. S. R. Emmons, a native of Louisiana, came to Southwestern in 1947. As the Dean of Administration, he gives aid and guidance to faculty and students, coordinating the whole into a

harmonious unit which can best accomplish the aims of the college.

Dean Phoebe Addison is always eager to help women students in any situation that might bring need for advice and counsel. Dean Addison is on leave the second semester of this school year.

Mr. Francis L. Richardson, Director of Student Affairs, oversees student activities and serves as Dean of Men. He came to Southwestern at the beginning of this school year and has been active in setting up a system of tests and measures for the aid and guidance of students.

Dear Mr. Bryant:

You have given me a most difficult job to perform, picking the top six beauties of your campus. I hereby submit my selections with regrets that you did not permit me to pick more of the sixteen submitted.

It has been a pleasure to have been of service to you and I would appreciate it if you would convey my best wishes to the contestants, winners or not. They are all very lovely, and if they are typical of Oklahoma, your state has much to be proud of.

I remain,

These are the people who put the 1950 BULLDOG together. Many hours were spent getting the material together, and sleepless nights were spent assembling it. The success or failure of the BULLDOG is to be attributed to these people.

I wish to take this opportunity to thank the advertisers without whose ads this yearbook would not have been published. I would like to extend my appreciation to all those who have contributed of their time and energy to the publishing of the 1950 BULLDOG.

To all the students and faculty of Southwestern State College, thanks for a job well done. Your friendship and cooperation have meant that the 1950 BULLDOG will serve its purpose. Without your aid, it would be just another book. Good luck to everyone throughout the years, and thanks for the memories of the "good old days" spent at SWSC.
