THE APOTHECARY would like to congratulate the Seniors on the completion of five years of hard work. Along with the work there were fun times also. We have learned much about our profession as well as the high ethical standards we are to meet. I think we would all agree that our efforts will be well rewarded.

We would like to remind the Seniors that they keep the Dean's office informed of their current address so they can receive future editions of THE APOTHECARY.

I would like to thank the exceptional staff that has helped me to put this publication together. Also, the various reporters of the organizations without whose help there would be no activities section. Our thanks go out to all our friends who provided financial support and to Dean Dickison for his encouragement and cooperation. Many thanks go to Mrs. Thomas and the office staff who provided us with the Alumni Listings. Mr. Jack Shelton and the Public Relations department should be commended for their help. My thanks go to Pat Lopez for the art work appearing in this edition. I would like to welcome our new faculty advisor Mrs. Nina Morris and thank her for her efforts. Special thanks go to Dr. Floyd Ulrich who put all this together to make what we, the staff, think is an excellent publication. We sincerely hope that you share our opinion and enjoy our efforts.

# Student Council

Left to right: Raymond Clark, Tempie McClernon, Kathy Robison, Doug Brewer, Dr. Timmons, Don Chambers, Dean Dickison, Biff Eck, Mary Pat Stanley, Darrell Mellor, Lonnie Long, and Sherry Kelley.

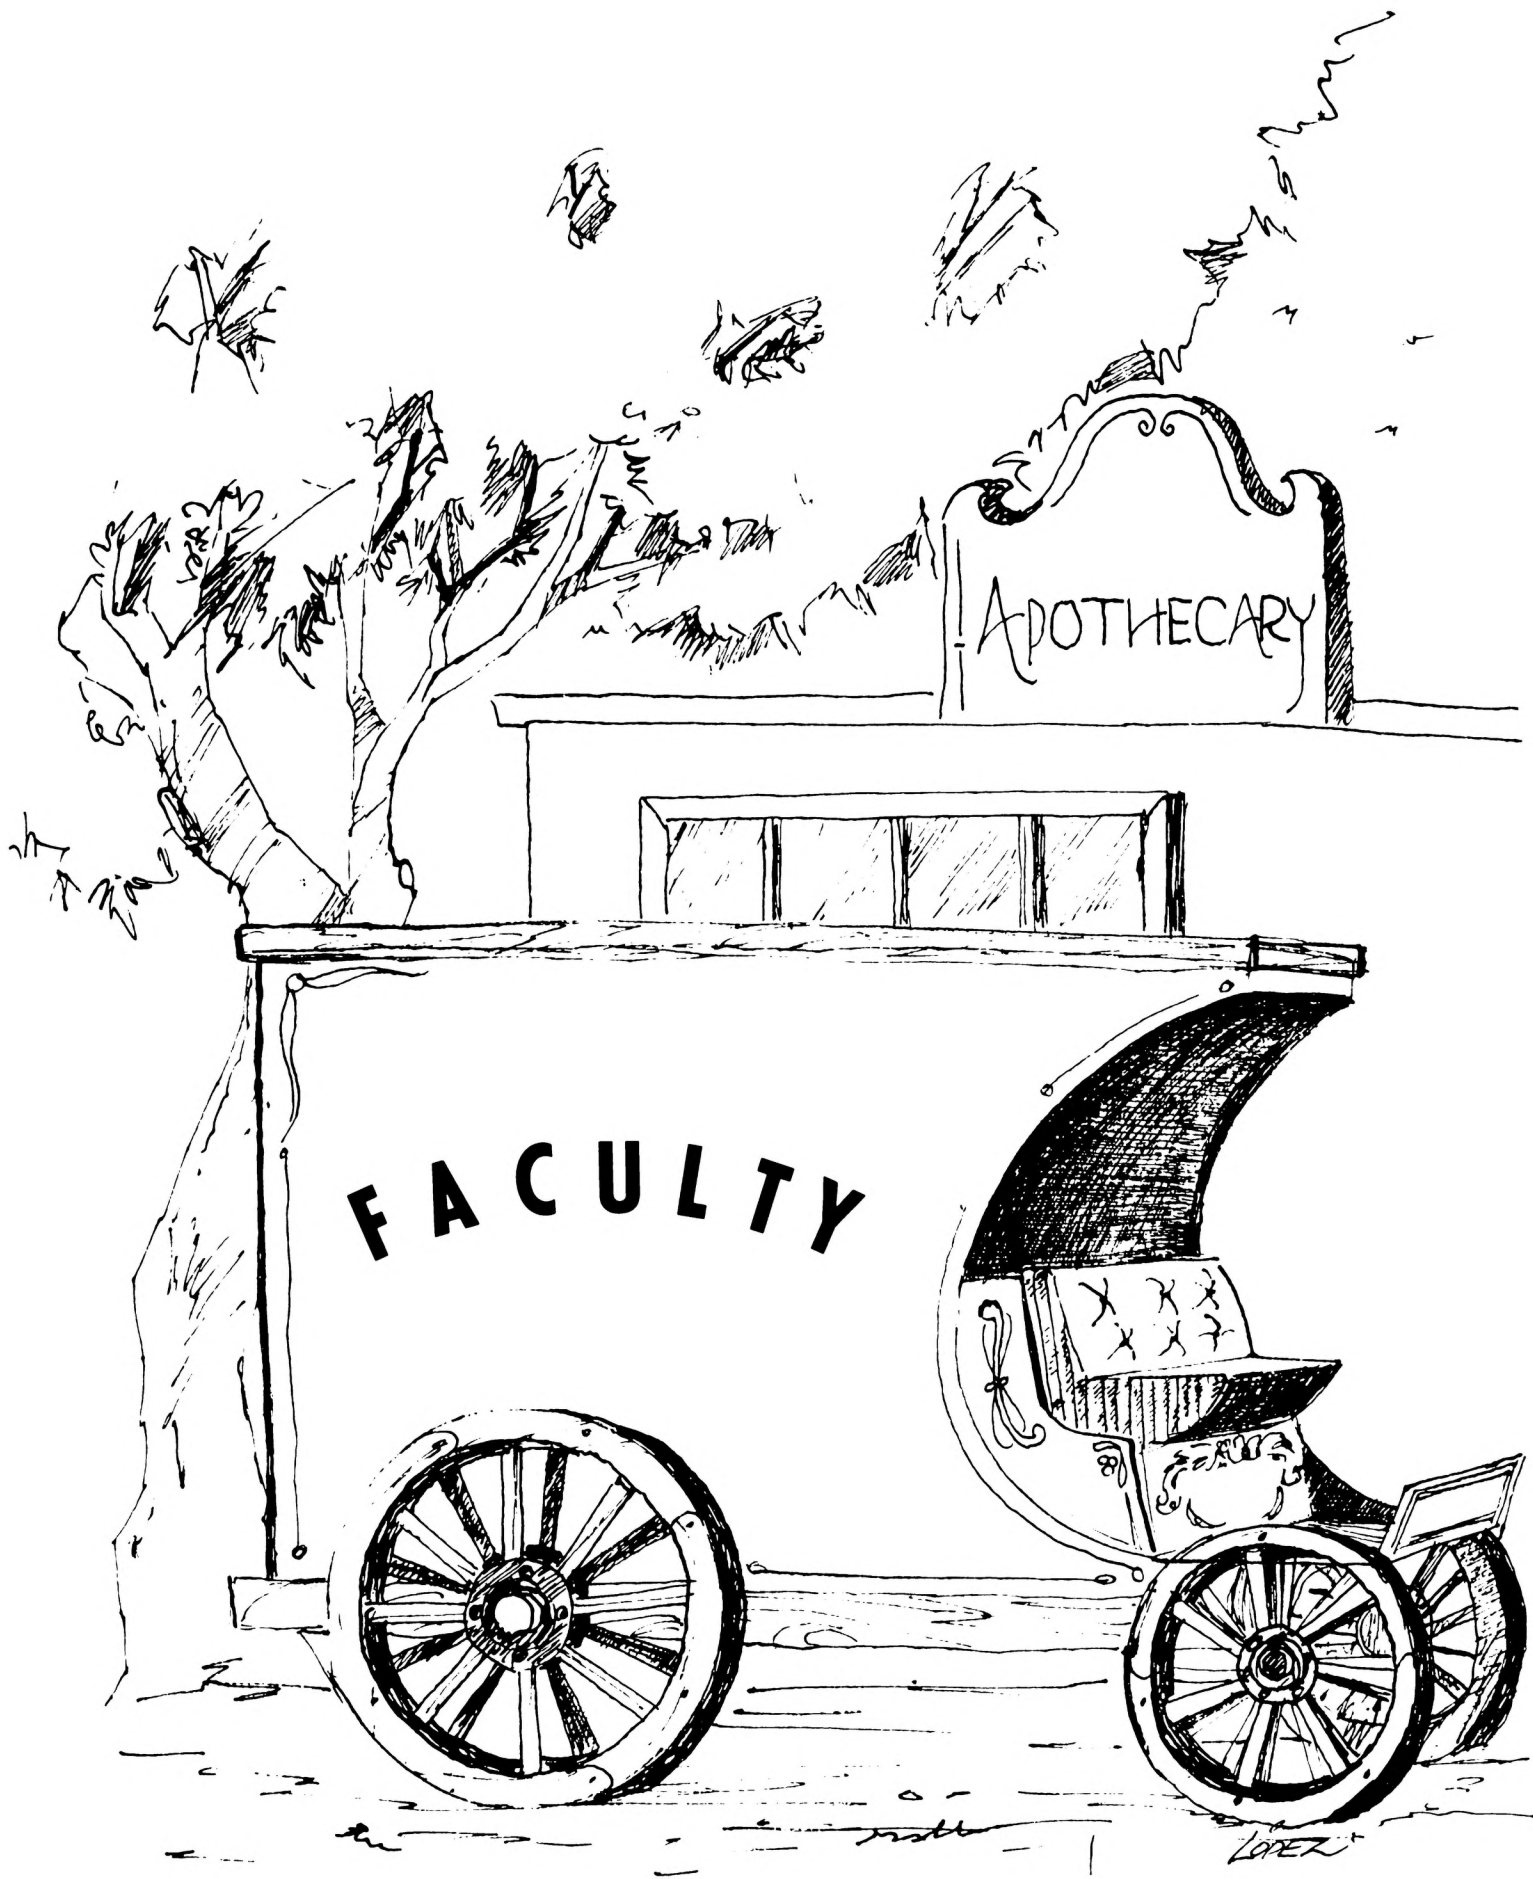

The Dean's Advisory Council has now been changed to the School of Pharmacy Student Council.

The Student Council is composed of representatives from different factions of the School of Pharmacy student body. This organization enables the students to voice their opinions and propose constructive suggestions. In this way, communication between the faculty and the students is enhanced.

Some of the functions performed by the council this academic year include: meeting monthly to voice student opinion, approve membership of Southwestern in the Council on Students, form a curriculum committee and a student services

committee for the accreditation self-study, and to serve as a group of representative students to be interviewed by the American Council on Pharmaceutical Education evaluation team.

The members of the council this fall include: Don Chambers, SWPhA; Doug Brewer, Phi Delta Chi; Sherry Kelley, Kappa Epsilon; Kathy Applegate, first year professional; Raymond Clark, Rho Chi; Rick Christy, Kappa Psi; Tempie McClernon, APOTHECARY; Randy Sanders, SOUTHWESTERN PHARMACIST; Lonnie Long, third year professional; Dana "Biff" Eck, second year professional; Mary Pat Stanley, Pharmacy Wives; Harry Rauch, SWPhA; Kathy Robison, second year pre-professional.

# Our Dean

WALTER L. DICKISON, Ph.D.  
DEAN, SCHOOL OF PHARMACY

Since becoming Dean of the Southwestern State University School of Pharmacy in 1965, Dr. Walter L. Dickison has been responsible for pilot programs in clinical pharmacy and pharmacy practicum which have been widely adopted by other schools of pharmacy in the nation. His personal background in education and career experiences had much to do with these innovations.

He earned the Bachelor of Science degree in Chemistry from Central Missouri State University, Warrensburg, in 1939. He was a teacher in Missouri public schools from 1935 until 1942, when he entered active duty military service during World War II. Released in 1946 with the rank of lieutenant, United States Coast Guard Reserve, he completed requirements for the Bachelor of Science in Pharmacy degree at the University of Colorado in 1949.

After two years as a graduate student and instructor, he left the University of Colorado in 1951 to join in the establishment of a partnership drug store in Stanton, Texas. Although the business was profitable, he sold his interest in 1955 to return to Boulder, where he earned a Master of Science degree in 1956 and a Doctor of Philosophy degree in pharmacy and chemistry in 1957, the year he joined the faculty at Southwestern.

Dr. Dickison is listed in the prestigious Marquis Who's Who in America and Who's Who in the Southwest, American Men of Science, Leaders in Education, and Personalities of the South.

He is a registered pharmacist in Oklahoma, Colorado, Texas, and Arizona.

The Dean is a member of numerous organizations including Kappa Mu Epsilon, Phi Lambda Upsilon, Sigma Xi, Rho Chi, APhA, OPhA, American Association of Colleges of Pharmacy, American Association for the Retail Druggists, Oklahoma Education Association, Higher Education Alumni Council of Oklahoma,

Academy of Pharmaceutical Science, Oklahoma Academy of Science, and American Board of Diplomats in Pharmacy.

He was the 1973 recipient of the annual Southwestern Alumni "Outstanding Contribution to Pharmacy Award." He is currently the only pharmacist on a seven-member panel appointed by the Food and Drug Administration to review topical analgesics. The other panelists are doctors of medicine.

Dr. Dickison and his wife, Virginia, are the parents of two children. Their son, Jim, lives in Colorado Springs, Colorado. Their daughter, Jane Long, whose husband, Jim is an air force officer, recently moved to Dayton, Ohio, where Captain Long is assigned to Wright-Patterson Air Force Base. They have two Colorado grandchildren; Erick, and Andria Jane, age two.

## THE FACULTY

The difference between greatness and mediocrity in an institution of higher education is determined to a great extent by its administration and its faculty. The Southwestern Oklahoma State University School of Pharmacy is fortunate in both administration and staff.

Imaginative, progressive leadership has resulted in the pioneering of landmark modern concepts of professional education that have set the pattern for other schools of pharmacy and have focused national attention on Southwestern Oklahoma State University.

Faculty members do not limit their talents to excellent classroom and laboratory instruction. Their other services, often without additional financial remuneration, are legion.

They prepare lectures, correspondence study courses, and audio-cassettes to vitalize the School of Pharmacy Continuing Education programs. They devote many hours to production of films, slides, and other material that lend invaluable assistance to students by way of the TV studio to the audio-visual laboratory and on closed-circuit television to other classrooms and laboratories.

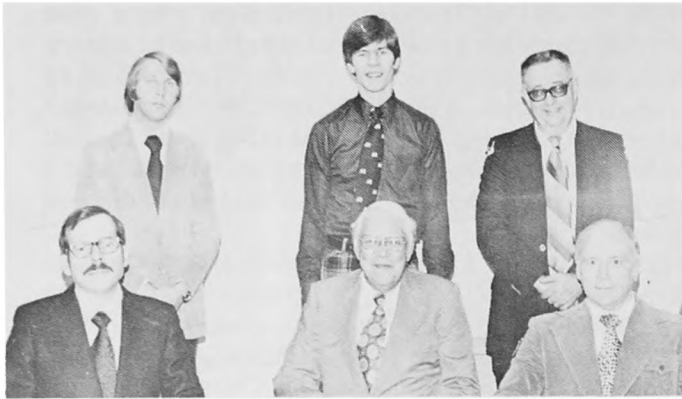

They provide sponsorship for student professional organizations, their influence setting high standards of achievement for such groups. They direct the talents of students in the publication of THE APOTHECARY and the SOUTHWESTERN PHARMACIST.

With headquarters at St. Anthony Hospital in Oklahoma City, they help make pharmacy a real health profession education through Pharmacy Practicum and Clinical Practice programs that involve a clinical faculty made up of community and hospital pharmacists.

They contribute to professional journals and are in demand as speakers for professional and civic groups. One is a Danforth Associate and is active in exposing minority students to career opportunities in the science and health professions.

In addition to the preceding, the faculty shows empathy for their student through wise counseling and understanding of individual problems. The students are very fortunate and proud of their faculty.

Some time before we began to hear the words "clinical pharmacy," Southwestern had already embarked upon curriculum changes designed to prepare our graduates for a more "patient oriented" practice of pharmacy. The development of an improved instructional program for physiology-anatomy, introduction of a required course in pathology, modifications in our approach to the teaching of both pharmacology and laboratory dispensing as exercises in patient information and care date back to the early 1960's.

For the 1967-68 academic year, Professor Gloria Ardueser chaired a new committee known as the Clinical Pharmacy Committee, which had representation from each division of the School of Pharmacy. This committee was charged with the responsibility of developing a course in which the laboratory would provide students an opportunity to deal with sick people. Working in cooperation with officials from the St. Anthony Hospital, and particularly with Mr. Kelly Dougherty, Director of Pharmacy Services, the committee finalized plans for a cooperative program with St. Anthony, with a two hour course to be entitled Clinical Pharmacy. With few modifications, this is still the basic exposure which the students receive involving ill patients. The course requires the student to attend class one hour weekly during a semester on campus, leaving campus for a one week residency at St. Anthony Hospital in Oklahoma City.

Southwestern's next major step toward a new look for the School of Pharmacy curriculum was a pilot program involving a new seven hour clinical pharmacy course known as Professional Practice, first offered as an elective course in January, 1971. With registered pharmacists making up a clinical off-campus faculty, students are exposed to pharmacy management and dealings with physicians, nurses, dentists and patients.

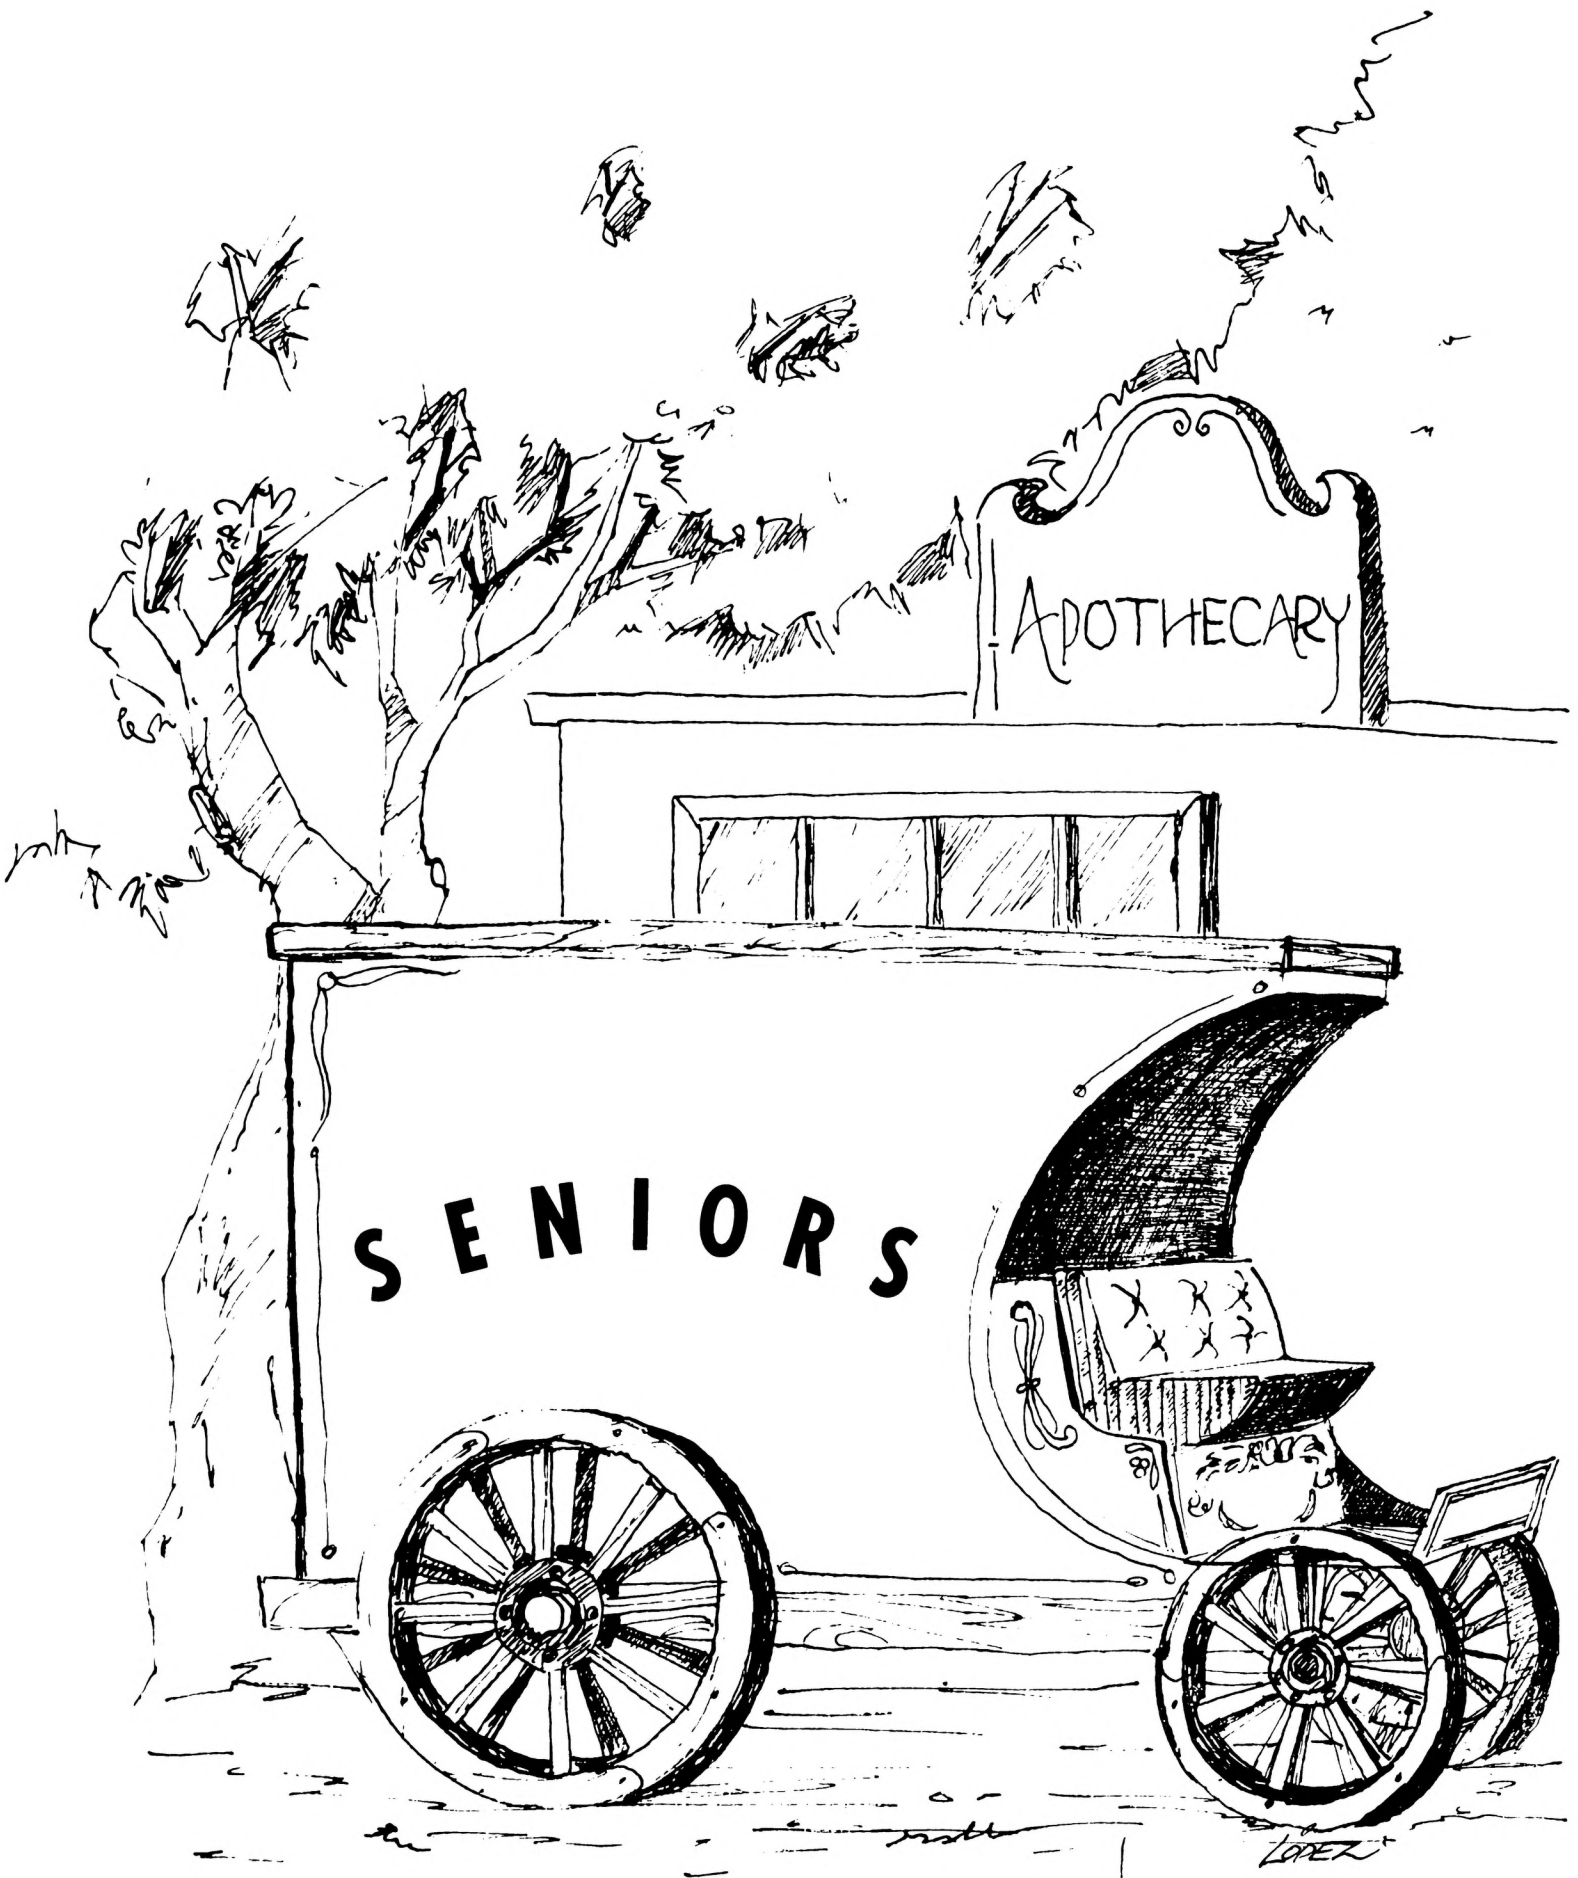

In the summer of 1972, Professional Practice was made a required course for graduation from the Southwestern Oklahoma State University School of Pharmacy. At that time Dean Dickison appointed Dr. Bernard G. Keller, Jr., Assistant Dean for Clinical Programs with an office and staff of Dr. Charles J. Nithman and Mr. Bob King and base of operation located in St. Anthony Hospital of Oklahoma City. Since then Mr. King changed positions and has been replaced by Mr. David L. Evans, Jr. The course title has also been changed to Pharmacy Practicum.

Clinical instructors in the Public Health Service Indian hospitals are Linton Angle, Robert Parrish, Dr. William Sleasman of Claremore; John Boren and Paul McSherry of Tahlequah; Mike Brown and Glenn Rex of Pawnee; Dan Hausman and Tillman Hughes of Lawton; Edgar Jeter and Ronnie Thomas of Talihina and Ralph Causey of Clinton.

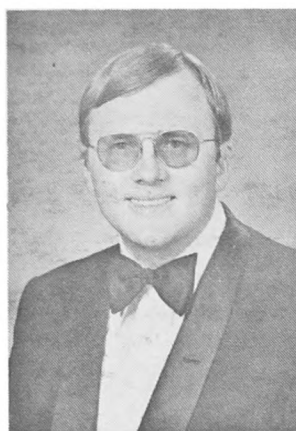

Institutional Clinical faculty members include: Mrs. Pat Abernathy of Lawton; Kelly Dougherty, Charles Dreyling, Ernie Scott, Michael Stephan, Tommy Wilhoit, and Mrs. Peggy Williams of Oklahoma City; Terry Enterline of Mooreland; Bobby Hoffman and Michael May of Clinton; Dennis Jordan and Mrs. Barbara Poe of Bartlesville; Mrs. Marguerite Lloyd, Lawrence Williams, Larry Warden, and Michael Burton of Tulsa; Bervis McBride of Tinker Air Force Base; David L. Stuff and Randy Brooks of Amarillo, Texas; Hal Lusk of Fort Lyon, Colorado. James Wisdom of Miami; and, Mrs. Idalle M. Faram of Edmond.

Community Clinical faculty members include: David Allen, Willard Holsted, and Jerry Addison of El Reno; Gene Allen, Don Coody, Don Drane, W. Leroy Gregg, Thomas C. Lout, Richard McKerson, Robert Lenhart, Phil Brown, David McMillan, and Thomas Proctor of Oklahoma City; Sam Arnold of Cordell; Don Barker of Midwest City; John Lassiter and James Lett of Del City; David Barnes, Marvin Benat, and Keith Zerbe of Tulsa; Carl Bogdahn of Woodward; Bob Dishman of Lawton; Rex Cox of Tahlequah; Kenneth Eck of Healdton; Ralph Enix of Kingfisher; Truett Guthrie of Hobart; Ellis Lindsey of Wynnewood; Frank Mock of Ardmore; William Osborn and Claude Walter of Miami; Bryan Potter of Elk City; Dale Swann of Watonga; and Smith Wycoff and Jerry Allen of Weatherford.

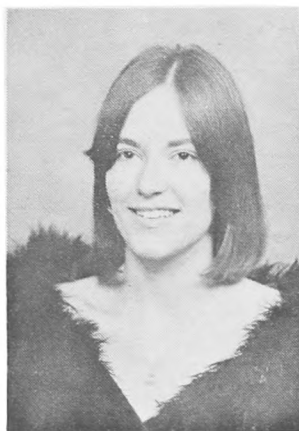

In consulting roles on the School of Pharmacy clinical faculty are: Richard Mooney, Administrator and Michael Stephans, Associate Administrator, St. Anthony Hospital of Oklahoma City; Billy G. Wells, Pharmacist Director, Oklahoma City Area Indian Health Service.

The Southwestern chapter of the Student American Pharmaceutical Association is the largest organization in the school of pharmacy, representing common goals and interests of its members. The fall semester began with the membership drive which resulted in 310 active members.

The fall activities began with the annual picnic at Rader Park with some of Weatherford's top chefs, the faculty. SWPhA sold lab jackets as well as homecoming mums to members.

The first monthly meeting featured Don Chambers explaining the functions of SAPHa to clarify its importance in the future of pharmacy. Jerry Allen, a Weatherford pharmacist, spoke at the October meeting to inform the organization about MAC/EAC. Here, Marianne Cammack was crowned Pharmacy Queen. The semester ended with George Alexander from MSD presenting a program on job opportunities in industry and pharmaceutical resources of information.

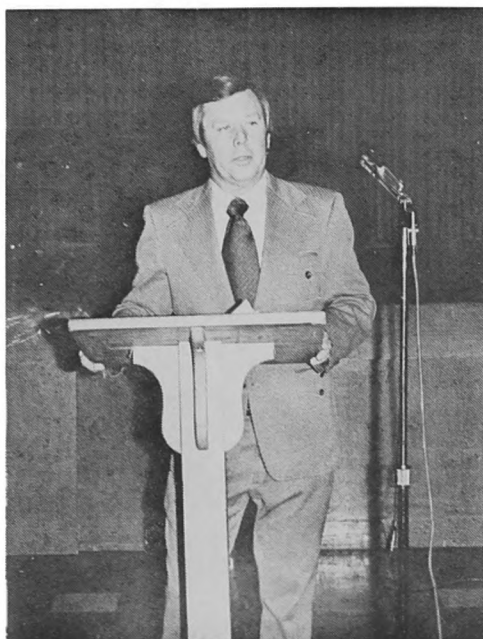

Six students represented our chapter of SAPHa at the annual Region VI conference last October in Kansas City, Missouri. The delegates brought back ideas and suggestions to SWPhA.

In May delegates were sent to the National APHA-SAPHa convention in New York City. Election of officers were held in April. April also held the highlight of the year for the seniors as they were honored at the annual awards banquet.

Rho Chi Society promotes the advancement of pharmaceutical sciences through the encouragement of and recognition of sound scholarship. Regular chapter meetings and other activities emphasize the professional aspects of pharmacy.

The 1976-77 officers of Rho Chi are: Raymond Clark, President; William Williams, Vice-President; Monty Washburn, Secretary; David King, Treasurer; Wendell Fisher, Historian-Reporter. Dr. Homer Timmons is the sponsor.

The requirements for membership include: an overall grade average of 3.00 or above; completion of seven semesters as a full time student in the School of Pharmacy; and a rating in the upper 20% of the class.

The annual banquet to honor new members was held on February 25, 1976. James U. Norwood was the guest speaker for the evening. A total of thirty members were initiated into the chapter at the spring banquet.

Other chapter activities include sponsoring a series of films during the spring and fall semesters dealing with current medical problems. Under the leadership of David King, Rho Chi is sponsoring a VD Speakers Bureau which makes presentations to area schools and the general public. Also this year the chapter was active in the Swine Flu inoculation program as jet injector technicians. In addition, Rho Chi presents awards to students at all levels of their pharmacy education for outstanding scholastic achievements with \$100 scholarship going to a member of the chapter selected by the senior members of the chapter.

Alpha Beta Chapter of Kappa Epsilon began 1976 with coke parties for pre-pharmacy and pharmacy women. Installation of 1976 officers was held the following week: Sherry Kelley, President; Tempie McClernon, 1st Vice President; Vicki Garms, 2nd vice President; Rita Winsett, Secretary; Cheryl Scott, Treasurer; Lynne Ingram, Historian-Reporter; Treasia Leatherbury, Liaison; Kathy Burchik, Librarian; Nancy Stiles, Chaplain; Vicki Lambert, Parliamentarian; Becky Reed, Intra-fraternity Council-woman; and Gloria Ardueser and Nina Morris, Sponsors.

Our service project in the spring was the OTC Drug Fair. The community and university were invited and we had speakers from both the community and the School of Pharmacy.

Province H Convention was held in Monroe, Louisiana in March. Our chapter sent six delegates. They enjoyed the convention and brought back ideas for money making projects, service projects, and for the Province H convention that will be held here in 1977.

The Senior Banquet, awards assembly, and Founder's

Day Banquet rounded out the spring activities. We concluded the Founder's Day banquet with a dance.

The KE Play Day took place with KE members playing the faculty in a softball game (and winning). We also pulled our way to winning against Kappa Psi in tug-o-war.

Fall began with a watermelon feast and a homemade ice cream party for prospective members. We initiated nineteen new members, as well as an associate member, Cinda Wilkinson. Mrs. Wilkinson, along with Nina Morris are our sponsors for the fall.

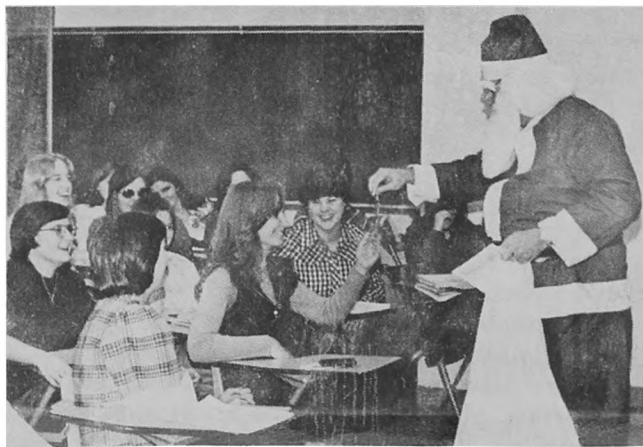

The fall service project was aiding the local Jaycee Jaynes in their drive for Cystic Fibrosis. During the Homecoming festivities, a KE Alumni Tea was held.

Our money making projects are directed toward defraying the costs of the Province H Convention to be held in Weatherford next spring.

To celebrate Thanksgiving, a turkey dinner was held with much success. The semester ended with a Christmas Party for members, pledges, sponsors and of course, Santa Claus.

Kappa Psi is the largest and oldest Pharmaceutical Fraternity in the United States. The Brothers of Kappa Psi exhibit the industry, high ideals and professionalism required in the profession of Pharmacy.

Southwestern's Delta Beta Chapter of Kappa Psi was chartered in March, 1963 and currently has 35 active members and is one of the largest and most active organizations on campus. Officers of Delta Beta Chapter for 1976 are: Rick Christy, Regent; Dennis Cooper, Vice-Regent; Ron Sanders, Secretary; Mark Bergen, Treasurer; Bob McGough, Historian; Jackie Miller, Chaplain; Brian Bobrovicz, Librarian; Darrell Mellor, Secretary of Athletic Affairs; Don Dowell, Secretary of Alumni Affairs; Sid Johnson, Secretary of Social Affairs; and Rudy Johnson, Secretary of Professional Affairs. Dr. David W. Coates serves as the Grand Council Deputy.

Kappa Psi sponsors several professional projects throughout the year. Poison Prevention Week was highlighted during the Spring 76 semester by numerous professional presentations by local Kappa Psi members to area civic groups and schools. Local merchants aided the project in distribution of poison antidote charts and checklists of poison prevention measures. During the Fall 76 semester, Kappa Psi conducted the 4th annual hypertension screening clinic in Weatherford and Clinton. The project was endorsed by the Oklahoma Heart Association who provided accompanying literature and forms. Also during the regular school year, Kappa Psi provides pharmacy assistance to the Free Clinic in Oklahoma City every Wednesday night and to the Pediatrics Clinic which is held once monthly. Extra effort

was involved this year as the Free Clinic pharmacy was completely reorganized by Kappa Psi members.

Socially, Kappa Psi held a Valentines Banquet and Dance in February and a Homecoming Dance in October, both of which were attended by numerous alumni in addition to the active members and pledges. A Spring and Summer picnic provided the opportunity for members to enjoy the outdoors and get a little exercise.

Athletics is important to the members of Kappa Psi. Three basketball teams participated in the Spring intramural league and during the Summer, Kappa Psi fielded a softball team which participated in the Weatherford softball league. Kappa Psi under the direction of Darrell Mellor sponsored two softball tournaments during the Summer 76 and a golf tournament during the Fall 76 semesters. Kappa Psi also participated in an annual benefit flag football game with the proceedings going to the Chron's disease fund.

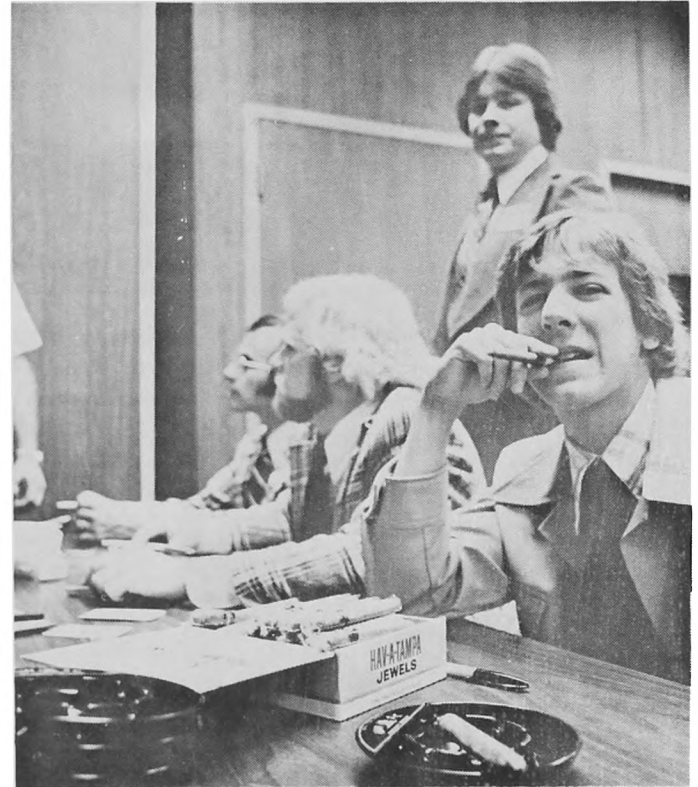

Delta Beta Chapter was well represented this past year at the Province Seven Convention which was co-sponsored by Delta Beta and Gamma Omicron chapters, and held at the Lincoln Plaza in Oklahoma City. The National Kappa Psi Convention was held in Philadelphia and was attended by Mike Stuart representing Delta Beta Chapter and Charles Carden, a Delta Beta alumni, representing Province Seven.

The members of Kappa Psi wish to thank everyone who helped to make 1976 a successful year. Our thanks also go out to Dr. David Coates who gave unselfishly of his time to help the fraternity in so many ways.

Fall 1976 has seen an enormous amount of energy and new ideas of the Alpha Omega Chapter of Phi Delta Chi transformed in to action. The semester began with a successful smoker which netted fourteen pledges. These pledges are the hopes of Alpha Omega. The pledge class possesses quite a variety of experience. Pledges have made significant contributions to our community projects and fund raising programs as well as strengthened our athletic teams. Pledges contributed greatly in key positions on the football team. This resulted in a 38 to 0 victory over the Kappa Psi's in the annual Hygeia Bowl.

Our sponsors have helped make sure that Phi Delta Chi is not only an athletic fraternity. The sponsors for fall 1976 are Dr. Gustavo Ortega, Dr. Pedro Huerta, Dr. Curtis Taber, Dr. Keith Reichmann, Mr. Ed Christensen, and a former Alpha Omega member who has come back as a sponsor, Mr. Steve Pray. With the help of the sponsors, the members have set up a tutoring program aimed at assisting the pre-professional pledges improve and maintain their GPA. To promote scholarship, the membership voted unanimously to award the Highest GPA Pledge Award (which is a medical dictionary) only if the GPA is above 3.0.

Also new this semester is the Phi Delta Chi Sweetheart, Miss Lynn Ellen Smith. She will represent Alpha

Omega, university-wide, as well as add her beauty at all our social functions.

Community projects to date can be divided into service to school and service to community. On September 15, 1976, the Alpha Omega Chapter had its twentieth anniversary of existence on the Southwestern campus. To commemorate the occasion, the brothers of Alpha Omega planted a spruce tree by the new Pharmacy Annex. A new school bond issue was finally passed in Weatherford, Phi Delta Chi contributed in the advertisement campaign. Phi Delta Chi is also helping fight inflation. Just recently the membership made it possible, through a raffle, for a citizen of Weatherford to buy fifty pounds of beef for one dollar. By aiding the Weatherford Tennis Association, the brothers of Alpha Omega helped a local tennis tournament become a success. A Toys for Tots program will be performed this semester as well as a Drug Abuse program that is still in the works.j

For the brothers of the Alpha Omega Chapter of Phi Delta Chi, this is a very active fall, and we are looking forward to an even more active spring.

# Pharmacy Queen

The 1976-1977 Pharmacy Queen elected by the SWPhA chapter in October was Marianne Cammack, a senior from Hobbs, New Mexico. She received her crown at the SWPhA October meeting from Don Chambers, as well as flowers and a necklace.

Marianne transferred to SOSU from Texas Tech Univ. She is active in Kappa Epsilon, SWPhA

treasurer, SAPHa Region VI Secretary 1975-76, Gamma Delta Kappa, on the Dean's Honor List, and a member of Who's Who in American Colleges and Universities. Her hobbies include tennis, snowskiing, and swimming.

Marianne will graduate from Southwestern in July 1977. At the present time, she plans to work in retail pharmacy.

# Homecoming

Homecoming was celebrated with a variety of activities. Kappa Epsilon hosted their Alumni the morning of the Homecoming Game. The various scrapbooks were available for viewing and refreshments were served. Southwestern Oklahoma State University was defeated by East Central University 21-20 that afternoon. The School of Pharmacy held Open House after the game. The members of Rho Chi conducted tours of the Pharmacy Building and Annex during Open House. Refreshments were served by Kappa Epsilon members. The Southwestern Pharmacy Alumni Association Reunion Dinner was held at the Mark Restaurant that evening. Phi Delta Chi and Kappa Psi had parties to round out the day's activities.

STUDENT CHAPTER  
SCHOOL OF PHARMACY  
SOUTHWESTERN STATE UNIVERSITY  
Weatherford, Oklahoma 73096

The goal of the Southwestern Pharmacist is to provide the students, alumni and faculty of the School of Pharmacy with current information of events within the school. The paper is published once during the summer, fall and spring semesters.

We are now working with an entirely volunteer staff of pharmacy students. The people on our staff may receive one hour credit for the years work. We also receive news of activities from the pharmacy organiza-

tions on campus. This information is provided by the historian reporters of these organizations.

We would also like to encourage our readers to keep us up to date on their current addresses as well as to supply us with any news items which may be of interest. We would also appreciate information about any of the activities or programs in the school which we may have overlooked. Remember, this is your publication and any suggestions you may have as to how we could better serve you will be welcomed.

OFFICERS (left to right): Jayne Cook, Mary Pat Stanley, Ann Clark, Carolyn Moore, Maggie Cooper, Waynetta Thrailkill, Sara Hunter.

Pharmacy Wives, an auxiliary of the Southwestern Pharmaceutical Association, is a social organization open to the wives of all pre-pharmacy and pharmacy men.

The first event of the year was an Ice Cream Social held in Means Park this summer. The money earned was used for the annual Howdy Party held in September. The officers presented a skit depicting the history and planned activities of Pharmacy Wives, and drug companies and local merchants provided door prizes. Some programs presented at the regular monthly meetings included a tour of the pharmacy buildings by Mr. Christensen, hairstyling

by Gary Friend, and demonstrations by the Gourmet Kitchen and Cabaniss Nursery.

The traditional Salad Suppers were held in December and May to honor the wives of graduating seniors, and the Husband's Party was in February. This year's money project was the second annual bean supper held in November. Money raised at this function sponsored the organization's activities, community project, and provided scholarships for selected husbands.

Pharmacy Wives again decorated for APhA Banquet held in April at which graduating seniors were honored.

# ALUMNI FOUNDATION, INC.

Gifts and bequests by alumni and friends in support of our school are seriously needed. Even though Southwestern is a tax-supported institution, the high quality of our pharmaceutical education cannot be maintained without this support.

Funds are invested wisely. They are used for scholarships, loans, in emergencies, and in any other way that is necessary to maintain our high standards.

Your contributions are tax deductible. Won't you help today and support our most excellent School of Pharmacy through the Foundation? Any amount will be appreciated.

## Remember the summer of '76?

This summer, four young people joined The Upjohn Company as part of the NPC Pharmacy Internship Program.

They added to their educational process . . . learned about manufacturing, quality control, pharmaceutical research, and marketing/sales.

We hope we answered their questions. Certainly, we took their suggestions to heart.

And when the 10-weeks were over, we parted knowing that we'll enjoy seeing each other in the years ahead.

And reminiscing about the summer of '76.
