

SWOSU Organization Gets Donated Car to Give Away

02.07.2007

It's not too often that a student organization receives a donated car, but Southwestern Oklahoma State University's Social Work Association has received one that will eventually be given to a SWOSU special needs student who is in need of a car.

Chris Gregston, faculty sponsor of the SWA, said the car needs some work, so the group is raising funds to make repairs to the car.

A bake sale will be held February 13-14 on the SWOSU campus. The sale is from 10:30 a.m. until 2 p.m. in the Student Union. Valentine bags containing wine glasses and chocolates will be sold at the bake sale and also at the SWOSU basketball game on February 14. Donations will also be accepted at the game.
