

SWOSU Summer and Fall Enrollment Starts February 11

02.04.2013

Enrollment for classes during the Summer and Fall 2013 semesters begins Monday, February 11, for juniors, seniors and graduate students at Southwestern Oklahoma State University in Weatherford.

Sophomores can enroll the following Monday, February 18, and freshmen on February 25.

“Preparedness is the first step on the way to success,” said Registrar Daniel Archer.

“Students should begin planning for the upcoming semesters now so that they may be able to better succeed when classes start.”

Archer also said that early planning will allow students to set work schedules and plan for extracurricular activities.
