

SWOSU-Sayre Plans Timed WARP

26 February, 2018

Southwestern Oklahoma State University at Sayre will host the 19th annual Timed W.A.R.P. (Writing and Research Project) on Thursday, March 15.

All area high school juniors are welcome to participate, according to event planner and SWOSU-Sayre Language and Literature Instructor Terry Ford.

Participants will spend time researching in campus computer labs and then will write papers using that research.

“Papers will be judged by university personnel, and the top finishers will receive SWOSU-Sayre scholarships,” Ford said.

In addition to \$1,500 worth of scholarships, t-shirts and other prizes will be given away, and lunch will be provided to all attendees. The winning paper will be published in the 7th annual SWOSU Anthology of Student Works—a beautiful, full-color publication.

While students research and write, activities will be provided for their teachers. These include a workshop for continuing education points and a free book exchange.

“This event is a great opportunity for high school students to experience a college atmosphere while gaining valuable writing experience that will help them as college students, plus they could pick up some scholarship money in the process,” Ford said.

For more information about participating in the upcoming Timed WARP, contact Terry Ford by phone at 580-928-5533 or by email at terry.ford@swosu.edu.
