

# SWOSU Hosting Choral Solo and Ensemble Workshop on Saturday

02.29.2016

Southwestern Oklahoma State University's vocal/choral division will host a Solo & Ensemble Workshop this Saturday, March 5, on the Weatherford campus.

The workshop, affiliated with the Oklahoma Secondary Schools Activities Association, is for students who received superior ratings at previous contests and their teachers.

According to Dr. Daniel Farris, the workshop will consist of master class performances and clinics by each student or ensemble that registered from 10-12 and 1-2, addressing vocal technique, rhythmic/pitch accuracy, diction, articulation and musicality. SWOSU faculty in the vocal/choral division will conduct the clinics.

Students and teachers who are not scheduled due to lack of available slots are welcome to attend and watch the workshop. For more information, contact Farris at [daniel.farris@swosu.edu](mailto:daniel.farris@swosu.edu) or (580)774-3208.
