

# Area Residents Enjoy SWOSU Medieval Arts & Crafts Fair

02.24.2017

Area residents recently enjoyed the 2<sup>nd</sup> annual SWOSU Medieval Arts & Crafts Fair on the campus of Southwestern Oklahoma State University in Weatherford. Objectives were to introduce medieval arts and science activities to SWOSU students/area residents and to provide hands-on learning workshops. Several SWOSU students have now formed a SWOSU Medieval Study Club, according to SWOSU faculty member Siriporn Peters, so they can continue learning and studying about medieval arts and sciences. The event was organized by the SWOSU Graphic Design Association, Canton of Haldtre, Society of Creative Anachronism and Weatherford Art Council.
