

Pharmaceutical Companies Coming to SWOSU Interview Day

02.14.2014

Pharmaceutical companies are coming to Southwestern Oklahoma State University in Weatherford this Thursday, February 20, to participate in the Pharmacy Spring Interview Day.

The event will be hosted in the Ballroom of the Memorial Student Center from 8 a.m. to 5 p.m.

It is expected 14 different companies and pharmacies—such as Walmart, Walgreens and CVS—will be on campus to conduct interviews with SWOSU pharmacy students.

The interviews are for possible jobs but are mainly to introduce the recruiters to the students and allow the students to get more familiar with the interview process.

For more information on the event, contact Kaye Abramson in the SWOSU College of Pharmacy at 580.774.3104 or kaye.abramson@swosu.edu.
