## **FROM THE EDITOR'S DESK**

The staff of this, the third edition of **THE APOTHECARY**, would like to express its appreciation to the many persons who helped make this magazine possible.

To the firms and stores who purchased advertisements in the magazine must of course go a very sincere thanks, for without their financial assistance, it would have been impossible to meet the expenses involved in publication.

The Pharmacy School's Alumni Association has always been eager to support any activity by the school and this magazine has been no exception.

The staff would also like to express its thanks for the support given by the A. Ph. A. and Phi Delta Chi. No less deserving a word of thanks is to be extended the many students who gave their time and effort toward making this a successful publication.

Also thanks to our sponsor, Dr. Schwartz, for his unselfish guidance and technical assistance.

We wish to acknowledge and give special mention to the following persons who made financial contributions: Connie Masterson, Oklahoma City; Ralph Enix and Don Robison of Kingfisher, Oklahoma, and Leon Conley of Oklahoma City.

## A. PH. A. OFFICERS

Left to right: Dan Woods, President; Ray Johnson, Vice-President; Lyle Hawkins, Treasurer; Dixie Shears, Reporter; Clifford Meece, Secretary.

### A. Ph. A. NEWS

The Student Branch of the American Pharmaceutical Association held its first meeting in the ballroom of the Memorial Student Center on September 18. President Dan Woods called the meeting to order and introduced the other officers heading the organization for the 1958-59 term. They are: Ray Johnson, Vice-President; Clifford Meece, Secretary; Lyle Hawkins, Treasurer; and Dixie Shears, Historian. Dr. Schwartz, the faculty sponsor, gave a short talk on the functions of the A. Ph. A. A committee, with Bobby Jones as chairman, was appointed to decorate a window for National Pharmacy Week. Coffee and doughnuts were served for refreshments.

The A. Ph. A. met again on the 20th of October and after a short business meeting nominated Pometa Hale, Judy Burnett, and Janice Whetzel as candidates for Pharmacy Queen. Election was held by secret ballot and Miss Judy Burnett was elected as the Pharmacy Queen for 1958-59. Dr. Howard Mossberg presented the program at this meeting and gave a very fine talk entitled "The Effects of Estrogens and Re-

lated Compounds on Rats Maintained on a High Fat Diet".

Future events for the A. Ph. A. include an Awards Meeting where pharmacy students are presented numerous awards and scholarships by various foundations. The A. Ph. A. will award one scholarship to some outstanding student.

Also on schedule is the main event of the school year, the annual dinner-dance to be held some time in April.

### PHI DELTA CHI FRATERNITY ALPHA OMEGA CHAPTER

The Phi Delta Chi Fraternity, a professional fraternity, has as its main objective the promotion and advancement of the profession of pharmacy. The current officers are: Eugene Deal, President; Jim Robinson, V. President; Bob Dishman, Secretary; Wilford Smith, Corresponding Secretary; Larry Barber, Master-at-Arms; James Christian, Prelate; Jerry Turner, Inner Guard; and Dr. Martin Hamner, Sponsor.

The active membership at the present time is forty-three, with an allowable active membership of forty-five.

The chapter has the following twenty-five alumni: Tom Teague, Lawrence Hoover, Sam Arnold, Tom Huffman, Virgil Janzen, Fred Stanley, George Keith, Donald Slack, Bob Benton, Kenneth Chapman, Burl Culp, Kenneth Dixon, Donald Dungan, Marvin Decker, Charles Enos, John Hale, Kenneth Hastings, Eugene Hood, Leonard Kincaid, Bill McGuire, Bill O'Connor, Joe Sullivan, Bob Vanderveer, Jim McGee, and Jim Lambert.

One of the recent activities of the Chapter was the decoration of the meeting hall for the District Two Meeting of the Oklahoma Pharmaceutical Association which was held in Weatherford.

Next semester the fraternity is planning to obtain visual aids in the form of films for presentation before the seniors of the local high schools. Brothers Charles Moudy and Larry Barber have offered their services in showing these films.

The Alpha Omega Chapter takes a special pride in its scholarship program. Sometime during the school year the fraternity awards two scholarships consisting of \$50.00 each which are awarded to members of the fraternity.

At the end of the spring semester last year, Clyde Miller of Weatherford was presented with an honorary membership to the local chapter. Mr. Miller is a retail pharmacist who owns and operates his drugstore in Weatherford, Oklahoma. He was the first person to receive a degree in pharmacy from Southwestern State College. Other honorary members of the fraternity are W. D. Strother, Dean of the Pharmacy School and Dr. Charles Schwartz, Professor of Pharmaceutical Chemistry.

### SENIOR TRIP

At 6:00 P.M. on Saturday, October 4, 1958, twenty-seven seniors and fifteen wives, accompanied by Dr. Walter L. Dickson and Jim Hudson, Eli Lilly Co. representative, boarded a special Santa Fe car in Oklahoma City to begin the Senior Pharmacy Trip to Indianapolis, Indiana, and Chicago, Illinois. We arrived in Chicago at 11:00 A.M. the following day only to find that we had missed our connection to Indianapolis on the New York Central. After five and one-half hours in Chicago, we again boarded the train and were en route

to Indianapolis where we were met at 11:00 P.M. by the Eli Lilly representatives. After a short orientation in the meeting room of the Severin Hotel, we were given theatre tickets to attend one of several excellent movies showing at the time in downtown Indianapolis. Rather than attend the theatre, many tired embryonic pharmacists chose to retire in preparation for the following day. On Monday, October 6, we began our day at 7:45 A.M. with breakfast in the hotel. After breakfast we journeyed to the McCarty Street Plant. Here we were welcomed by Mr. John F. Lee, Director of the Sales Personnel Relations Division. During the morning we toured the Research Laboratories and had a discussion of the Lilly Policy by Mr. J. W. Stroud. Our luncheon was held in the Lilly cafeteria and following this we toured the Pharmaceutical Production Departments. Later in the afternoon we saw a film on Polio Vaccine and were returned to the hotel by the Lilly Laboratory buses. A banquet was held in the evening on the top floor of the hotel. One of the highlights of the entertainment came after the banquet when we were given tickets to attend "South Pacific" in Todd-AO. After the movie, many of the students and their wives saw some of the town, and several had small informal parties in their rooms to discuss the day's events.

Tuesday morning after breakfast in the hotel we toured the Kentucky Avenue Plant and saw some of the Marketing and Productions Services Division. We again had luncheon in the Lilly cafeteria and during the afternoon we went to the Biological Laboratories in Greenfield, Indiana which is only a short distance from Indianapolis. On the way to Greenfield we had a chance to stop at the Indianapolis Speedway where the famous 500 mile race is held every

## *School of Pharmacy*

W. D. Strother, Dean

The School of Pharmacy at Southwestern is completing another successful year, marred only by the illness of Dean Strother. We are all thankful for the fine recovery which he has made and welcome him back to work again.

The progress made by the School of Pharmacy since graduating its first class in 1941 has been phenomenal. It is interesting to reminisce about the early history and recall the names of persons associated with the founding of the School.

Dr. James Boren, President of Southwestern at the time, became interested in establishing a School of Pharmacy, based on the results of a survey showing that the number of pharmacists being graduated in Oklahoma was far short of the needs of the state. The School was founded with the full and active endorsement of the Oklahoma Pharmaceutical Association, the State Board of Pharmacy and many leading pharmacists of Oklahoma. W. D. Patterson, El Reno, Secretary of the Board, and Pete Weaver, Stillwater, Secretary of the State Association, made many trips and spent much time in the early planning stages. Special credit is due Albert Eaton of Weatherford for the important part he played in the founding of the School.

The organization of the School was interrupted during World War II, but continued after the war was over. Faculty members during the early formative years were Dan Rivkin, Frank Cosgrove, Dr. L. J. Klotz and Dr. Ralph Wilson. Graduates of the School of Pharmacy received full recognition by the Oklahoma and Texas Boards of Pharmacy prior to national accreditation.

Dean Strother reported for duty in August, 1949. National accreditation and the great progress made by the School since 1949 have been accomplished under the fine leadership of Dean Strother. The loyal, continuing interest and support of President Burton and Bert Brundage of Thomas have been important factors in making this progress possible. Thanks also go to the alumni, who are doing a fine job of actively supporting their alma mater.

Dr. Howard E. Mossberg

Dr. Mossberg . . . born in Chicago, Illinois . . . graduated from University of Florida, 1954, with honors . . . graduate assistant 1954-57 . . . has major in Pharmacology, minor in Biochemistry and Pharmaceutical Chemistry . . . completed work for Doctor of Philosophy in Pharmacology in June, 1958 at University of Florida . . . came to Southwestern State College in 1958 as associate Professor of Pharmacology . . . Is a member of Rho Chi, Kappa Psi, Sigma Xi, Gamma Sigma Epsilon, and AAAS . . . is also a Rotarian . . . He is married . . . hobbies . . . golf and bridge.

Compliments

**HALLEY

Antlers, Oklahoma

year. In connection with the speedway there is a museum which exhibits many interesting points concerning race cars and the history of the speedway.

We left Indianapolis at 6:00 P. M. on Tuesday and headed for Chicago. We were guests of Eli Lilly & Co. for dinner on the train that evening and arrived in Chicago at 10:00 P.M.

The rest of the evening was an open evening and many of the seniors enjoyed seeing a little of downtown Chicago.

Wednesday morning began at 7:45 A.M. with breakfast in the Washington Room of the Congress Hotel where we were staying. At 8:30 we left for the Abbott Laboratories at North Chicago. The remainder of the morning was spent touring the manufacturing departments. Luncheon was in the Abbott Cafeteria, and immediately following we began our tour of the Research Departments. We returned to the hotel at 4:00 P.M. and had dinner in the Lincoln Room. After dinner we had tickets to various theatres.

Thursday was a day of seeing the city. The morning was spent at the Rosenwald Museum of Science and Industry and the afternoon was free so the students and their wives could see some of the city which was not included on the tour. We left Chicago October 9 to return to Oklahoma City, where we arrived at 10:30 Friday morning.

The trip was a wonderful experience for each of us as it combined much of the material which has been presented to us these last three years. It was actually the meeting point of the theoretical and the practical, and each of us wishes to express a sincere thanks to the Eli Lilly & Co. and Abbott Laboratories for this wonderful opportunity.

Bob Goodloe

## PHARMACY WIVES CLUB

Front row left to right: Betty Parsons, President; Joyce Mallouf, Vice-President.

Back row left to right: Koleata Hackney, Secretary; Jerry Hubbard, Treasurer; Joy Hawkins, Scrap Book; Jan Woods, Reporter.

### ACHIEVEMENT REPORT, PHARMACY WIVES CLUB

We're the bunch from Southwestern State,  
In the beautiful land of the mistle-toe.

We're very glad to participate,  
And hope our friendship with you will grow.

Back in the year '53,  
Ten girls met and did agree  
To form a club and have a tea  
For Pharmacy Wives, especially.

Since that autumn rendezvous,  
We have grown to thirty-two.  
Working together in harmony,

We strive for progress  
and unity,

We have a constitution  
and pay annual dues;  
We have a yearbook and  
scrapbook full of news.

We entertain our husbands  
at Christmas  
each year:

There's a banquet, a  
dance, and a speaker  
to hear.

We help with the Mothers'  
March on Polio;  
Have a 15 minute program  
on the radio.

To Crippled Children  
Homes many gifts  
we've sent;

Our newcomers tea in  
September is a major  
event.

For the Annual Dinner  
Dance sponsored by the  
APhA.

We make the decoration, favors, and  
come what may.

For our cake walk booth we bake  
many cakes,

And we're proud of the money it  
makes.

We're the wives on the outside of  
college looking in,  
But we like to feel important to the  
school and our men.

Yes, we've done well, you bet.  
But you ain't seen nothing yet!

Best wishes from the club I represent.

Betty Parsons, President.

## *Alumni*

Clyde Miller

Dear Former Students:

I believe all of us agree that a college education is one of the most valuable assets a person can have. If we as a group can help a few Pharmacy students in obtaining a degree each year I am sure we will all feel our organization is worthwhile. The number we can help depends entirely on the number of us that participate by paying our dues each year.

We had a very pleasant surprise this year when word came that Snapshots Inc., Oklahoma City, and P.D. Photo Service in Oklahoma City each gave \$500.00 to be divided between the O. U. and S. W. Alumni to be used for Pharmacy Student Scholarships. We wish to thank these fine companies for their generous gifts and ask each of you when you are in contact with these companies to thank them for their help. We hope and they hope this may start a chain reaction that might provide many future Pharmacy Scholarships. Your scholarship committee will meet very soon and decide who will be lucky enough to receive this money and other that we have.

I hope all of you will plan to attend the State Drug Convention in Oklahoma City in the spring. We will as usual invite all the Senior Students to be our guests at the luncheon.

Congratulations to this committee and our Pharmacy School for this fine publication.

Sincerely,  
Clyde Miller  
Secretary.

## *Seniors of 1959*

THE APOTHECARY last year for the first time devoted a section to the graduating seniors, which aided the pharmacists and drug store owners throughout the state in securing employees. Due to the great response which was received we are again devoting this section to the graduating seniors.

We have attempted to present briefly the facts which will assist the drug store owners to select employees and we sincerely hope that we are rendering a worthwhile service to the profession of Pharmacy in Oklahoma.

Please address any correspondence to the student whom you desire to contact in care of the School of Pharmacy, Southwestern State College, Weatherford, Oklahoma.

## **WHY "SELL-THRU" IS IMPORTANT TO YOU**

As a registered pharmacist who owns or manages a drug store, or one who is working hard to succeed in doing so, you know that it is important that you sell what you buy. The one wholesale druggist who constantly offers you promotional and selling ideas to help you "sell-thru" to your customers is Southwestern Drug. No matter how experienced you may be in selling, your Southwestern Drug salesman has a plan to help you sell more.

Depend on the full-line, full-service wholesale druggist who ties his future to your future. Depend on Southwestern Drug.

## **SOUTHWESTERN DRUG CORPORATION**

**"Distribution with Sell-Thru"**

**In Oklahoma City it's**

For over 52 years the name Veazey's has been identified with "Ethical Pharmacy" in Oklahoma City.

Throughout the years, graduate pharmacists have found lifetime careers with our organization.

Today, due to the rapid advancements in retailing, and an intensive, forward-looking expansion program in our own organization, we are offering "career opportunities" to qualified men and women in pharmacy, as well as, management, merchandising, advertising, store-planning, purchasing and office procedures.

In planning your future . . . We at Veazey's invite you to visit our organization, and discuss the career opportunities in the drug field.

We will be pleased to assist and advise you about your future.
