

# Engineering Technology Day is Friday at SWOSU

03.03.2016

Area high school students will attend an Engineering Technology Day this Friday, March 4, at Southwestern Oklahoma State University in Weatherford.

The event will begin at 9 a.m. in the Industrial & Engineering Technology Building (stone facility) and will end at approximately 11:30 a.m.

Students will tour the building and SWOSU, meet current students, hear about career opportunities, and get degree information related to engineering and industrial technology.

For additional information, contact Lesa Goucher at [lesa.goucher@swosu.edu](mailto:lesa.goucher@swosu.edu) or 580-774-3162.
