

Multiple Student Orgs at SWOSU Holding Canned Food Drive

02.18.2014

SWOSU students on the Weatherford campus are participating in a multi-organizational led canned food drive that will benefit the Weatherford Food Pantry.

Until Friday, March 14, the last day before Spring Break, the organizations will accept donations in the Memorial Student Center lobby, Dean of Students office, Admissions and Recruitment office, Chi Alpha House and the Baptist Collegiate Ministries building.

Jerrad Richards, one of the drive's organizers, said any and all canned food will be accepted and is appreciated, but certain items are more requested. Those items include: peanut butter, green beans, corn, chicken noodle and tomato soup, non-perishable boxed items, and crackers.
