

Outdoor Movie Showing of Grease Planned Thursday at SWOSU

02.22.2010

Everyone is invited to have a rockin' evening this Thursday, February 25, when the SWOSU Residence Life Department shows the movie "Grease" on the Memorial Student Center lawn on the Weatherford campus.

Chad Martin, director of residence life, said the showing coincides with the musical that will be presented by the SWOSU departments of theatre and music on March 4-9.

This Thursday's event will start at 7 p.m. Everyone is encouraged to bring their blankets and join in on the fun, food, contests and prizes. In case of wet or windy weather, the event will be moved indoors to the Memorial Student Center Ballroom.

Martin said several community residents are also bringing classic cars to enhance the atmosphere.
