Distinguished Alumni Induction at Game

Ed Berrong

Ed Berrong is a man respected in every profession. He has been involved in and is an avid supporter of Southwestern State University. Ed grew up on a farm southeast of Hinton. He was salutatorian of his senior class, the valedictorian being Elloween Ruhl. They both attended Southwestern State, and Elloween was at the top of the class and Ed was second.

Ed worked his way through college picking cotton and mowing lawns. On week-ends he would hitchhike home to work for Carl Stephens who owned the Hinton Grocery. Carl was a man that Ed gave much credit to for helping him finish his education.

Ed Berrong, always a leader, worker, and competitor, was college class president his freshman, sophomore, and senior years and was president of the Student Council his junior and senior years. Berrong was a four year veteran in debate; was elected president of the Senate, the most prestigious men's organization which was devoted to the study of parliamentary procedure.

W.T. Malone

W.T. Malone, a Southwestern State graduate in 1950 with a Bachelor of Science degree in Physics, was born outside of Hamlin, Texas and graduated from Hamlin High School at the age of 16. He worked his way to Encinitus, California in 1941 and worked for Thorne's Gladiola Flower Farm for two years. He joined the U.S. Navy in 1943. Following boot camp at San Deigo he became a member of the Navy Armed Guard. These were Navy men placed on Merchant Marine Ships to man Navy guns. Following Navy ordnance school, he served on the S.S. Horace Lee, S.S. John Sherman, and S.S. Victory H. Kelly in both the South Pacific and European theatre. He received an Honorable Discharge in January, 1946.

His mother moved to Hollis so he moved with her to help farm. He started to Southwestern Oklahoma State University in the fall of 1946 and completed his degree in 1950. He started to work for Halliburton Services, formerly Halliburton Oil Well Cementing Company, as a chemist in the

Athletic Hall of Fame

Four former athletes and a former coach will be inducted in the Athletic Hall of Fame on Friday, September 24 at 7 p.m. in the Student Union Ballroom. Tickets are \$4.50 and must be purchased by Wednesday, September 22 from the Business Office, Public Relations Office or the Director of Athletics.

M.M. "Cotton" Vickers, former SWOSU Athlete and 1979 Athletic Hall of Fame Inductee will induct Gordon "Cake" Gore, Frederick and Francy Young, El Reno, who were members of the 1933 undefeated teams, and also M.L. "Mose" Sims, Roosevelt, the great football and wrestling athlete of the late '30's and early '40's. Dr. Jerry Doyle, Moore, former basketball and baseball athlete of the '50's will be inducted by Jerrell Chesney, Executive Secretary to the Board of Regents for Oklahoma State University and A & M Colleges. Also, Otis T. Delaporte, former Bulldog football coach for 14 years, will be inducted by head coach Bob Mazie. Chris Delaporte and Otie Ann will accept the honors for Mr. Delaporte.

FRANCY YOUNG

Francy Young was born and raised in El Reno. He was named to the 1930 high school All-State team. He attended Southwestern State University from 1931-35. He lettered four years in football, basketball, and track and three years in baseball.

Francy was a member of the 1933 undefeated football team. In tribute to Francy's outstanding athletic years at Southwestern, the final basketball game was dedicated to him. Listed as the "Mighty Mite" he was called the flashiest ball carrier in football and was named to the All-Conference team. In basketball, he was All-Conference four years and was a championship hurdler in track.

Francy was the first baseball player in Oklahoma to sign a professional contract for a bonus. He signed with the New York Yankees. Francy played under Rankin Williams and Haskell McManus. Following graduation, Young accepted a teaching position at Frederick where he taught for 20 years--from 1935 to 1955--before returning to his hometown. At Frederick, Young coached football, basketball, and baseball, in addition to teaching history. Besides coaching at Frederick, he was also the High School and Junior High Principal. Jenks Simmons, former El Reno coach, said, "Francy was the most outstanding all-around athlete that El Reno ever produced."

In 1955, he returned to El Reno as assistant principal and athletic director. One of Coach Young's highlight experiences was coaching the 1953 South All-State team and winning.

When Francy retired, he was honored before the home crowd at an El Reno football game, and the 1973 yearbook was dedicated to him. Francy and his wife Marian live in El Reno where he is active in raising cattle and wheat. He also enjoys hunting.

M.L. "MOSE" SIMS

M.L. "Mose" Sims was born in Batesville, Arkansas. His parents moved to western Oklahoma, and he graduated from Erick High School. He received his Bachelor of Arts degree in 1941 and his Master of Arts in 1961, both from Southwestern State University.

Mose was an outstanding wrestler and football player during his college years at Southwestern. He was captain of the 1939 wrestling team when he was the Missouri Valley and National AAU heavyweight champion. He still holds the record for the fastest fall, when he pinned

his opponent in 20 seconds. He was the captain of the 1939 and 40 football teams and was named All-Collegiate conference tackle. In 1940, he was named to the All-Oklahoma football team which included players from the University of Oklahoma, Oklahoma State University, and Tulsa University as well as the rest of the Collegiate Conference players. He was also voted the outstanding student on campus by the students and faculty in 1940.

Following graduation, he coached football and wrestling at Hinton high school in 1941-42. He served four years as chief specialist in athletics in the United States Navy during World War II. He coached the junior varsity at OU for two years while stationed at the Norman Naval Base. Following the war, he was assistant football coach at Southwestern under Jake Spann and was dorm parent in Neff Hall. He taught at Conso Eight High School from 1948-57. In the fall of 1957, he started teaching at Roosevelt and became principal in 1959, the position he still occupies.

Mose married Virginia Jones of Roosevelt, a 1943 Southwestern graduate. They have three children, Richard of Fort Gibson, Janet Jackson of Hobart, and Steve of Bedford, Texas. Mose and Virginia have five granddaughters and one grandson. They have lived on a farm 12 miles southwest of Roosevelt since World War II.

GORDON "CAKE" GORE

Gordon "Cake" Gore is listed as one of the greatest athletes to play football in Oklahoma. Cake was born in Okarche but lived all of his life in Clinton. While attending Clinton public schools, he was named to every All-Conference and All-State honor that an athlete could receive. He won the state high hurdles his senior year.

Cake attended Southwestern State Teachers College from 1932-36. During this time, he lettered four years in football as a fullback and halfback; lettered four years in track where he ran the 100 yard dash, 220 yard dash, high and low hurdles, and pole vault. He was a four year letterman in baseball where he played the outfield and first base. Cake was All-Conference in football in 1933, 34, and 35. He was All-Oklahoma second team in 1934 and named to the first team in 1935. He was also named to the Oklahoma All-Decade of the 1930's. The All-Oklahoma teams and All-Decade team included all football players from the college and major university football teams in the state. Cake played professional football in the American League for Los Angeles from 1936-38 and was chosen All-Pro halfback in 1938. In 1939, he played for the Detroit Lions in the National League.

From a 1938 sports news release, the following was printed: "Gorden Gore, famous full back of Los Angeles, has been going at top speed this season. His line plunging, running, and kicking have shown a big improvement over last year and the critics have already picked him as the outstanding back in professional football for 1938. He will be doing his 'stuff' during the big game against Cleveland this Sunday at Gilmore Stadium."

Cake started his career in education as high school principal and coach at Davidson from 1942-45. He served as high school principal and coach at Walters from 1945-49, and high school football coach at Frederick until 1950. He was elementary principal at Frederick from 1951-75 and retired at the age of 62.

Cake stays active with hunting, fly fishing, golf, and his garden. He married Willie Durham in 1935. Mrs. Gore is now deceased. They have three daughters and nine grandchildren.

JERRY DOYLE

Jerry Doyle graduated from Victory High School where he was named alternate All-State basketball player and All-State baseball player his senior year. Jerry attended Oklahoma State University his freshman year where he was a member of the basketball and baseball teams. At the end of the semester, he transferred to Southwestern State University.

Jerry was a member of the 1951-53 basketball and baseball teams. In basketball, he was named to the All-Tournament team three consecutive years at the Sunshine tournament in Portales, New Mexico, where the Bulldog team won the tournament in 1952 and was runner-up in 1953. He was named to the Collegiate All-Conference team three years in a row. In 1953, he was a member of the NAIA team that played in Kansas City.

In baseball, Jerry was an All-Conference shortstop for three years with a three year batting average of .365. The baseball team won the conference title all three years and was undefeated one season. He signed with the Chicago White Sox and played at Topeka, Kansas, until he was drafted into the military service in August, 1953. He was stationed at Fort Sill where he continued his winning ways with the 4th Army basketball and baseball championship teams. He received his Bachelor of Science degree in the spring of 1953.

After two years in the service, he was discharged and coached at Dill City from 1953-57. He served as a graduate student the next year when he received his Master's degree. He coached at Roosevelt from 1959-62 and was named Superintendent of schools from 1962-65. He served as superintendent at Granite from 1965-67 and then moved to Altus

where he was high school principal from 1967-69 and Assistant Superintendent of schools from 1969-71. He was then named superintendent of the Moore public schools from 1971-75 and then moved to Elk City where he was superintendent from 1976-82. On July 1, he joined the State Department of Education in the School Plant Division which includes the Supervision and Maintenance of Operation of State Schools, in 1978, he received his doctor's degree from the University of Oklahoma.

Jerry is a member of a number of professional organizations where he has held leadership roles. In 1973, he was a member of an education group to tour Russia and was selected to tour China in 1981.

Jerry married Jorretta Ledbetter in August of 1950. She worked at Harry Goad's Cleaners, Easton Drug Store, and the School of Business to help Jerry through school. They live in Vet Village. They have one daughter, Keena Gay, who lives in Moore, and two grandchildren. Jerry's parents are Judge and Iney Doyle of Altus, and he has two sisters, Wilma Nunn and Barbara Wiseman.

OTIS DELAPORTE

Otis Delaporte was a person who found early in life the things he enjoyed most. Athletics came to him at the beginning and stayed with him to the end. He was born in Luther, Oklahoma, in 1919. He had two brothers and a sister. He was the youngest among them. He went to college at Central State. When he was at school he and Francis E. Hariman married in 1940. They had two children, Chris and Otie Ann.

Delaporte began his professional career in Welch in 1940 and later moved to Watonga, Pauls Valley and Mangum, but he spent most of his time coaching in Clin-

ton, Stillwater and Weatherford. He won 11 letters in four years at the University. Today he is in the Central State University Hall of Fame and was named the most outstanding all-around athlete to ever graduate from Central State.

When World War II was underway, Delaporte was an officer and was stationed in California and Oklahoma. After the War, his coaching career began, and came to full maturity in Clinton (his record is attached).

When he was at Clinton (the first stint), Delaporte was active in civic affairs including the Kiwanis, Little Olympics (which he started in 1949), the so-called Summer Playground Program and the commencement of Pee-Wee Football Programs.

In the mid 1950's, Delaporte left Clinton, moving to Oklahoma State University, where he was an Assistant Coach for four years, until 1959.

He returned to Clinton to coach until he went to Southwestern and became athletic director and head coach in 1963.

Delaporte's record while at Southwestern (94-48-2) made him the winningest coach in Southwestern's history. His record as Athletic Director would not be overshadowed by football. During his tenure Southwestern had consistent winning records. In 1977, Southwestern won the Oklahoma Intercollegiate Conference championship in all four sports. Five times he was the Conference Coach of the Year.

Delaporte received a lot of honors in his life. He coached in the All-State games in the late 40's, when he was a young man; he coached with his friend and competitor, Phil Ball, in the Oil Bowl; he spent time four summers in Canada coaching professional quarterbacks; he did scouting for the New York Jets; and he was the Coach of the Year in high school. He even took the Southwestern Golf Team to an NAIA national tournament in 1980.

While the records do indeed stand as a testament to Delaporte's ability as a truly outstanding coach, they miss the underlying simplicity of his gift: a commitment to youth, competition, fair play, hard work, fun, and the lessons of life.

After he died, one former player said that he made "a lot of boys into men". Perhaps. No doubt about it, Otis Delaporte was a tough coach and a disciplinarian. But for those who played for him and came close to his work, there was more imparted. He *knew* his work. And they knew that someday they could too.

Crews Give Campus A New Look

CONSTRUCTION WORKERS are working on Phase I of the Fine Arts Building.

Southwestern State University is in the process of getting a large face lift for the next three years. Starting two years ago, Southwestern has had a building crew on its campus during each semester.

The crews are working on a series of three buildings. The first is the new gymnasium which will be completed in the fall. The gym will help to reduce the problems of scheduling basketball practices and intramural games.

Also the gym has class rooms and office rooms. The gym has six basketball goals, a seating area, and space for gymnastics equipment.

Directly south of the gym is the work being completed in redecorating Neff Hall. The front lobby will have a new look, along with a host of other things. Such as, all of the bathrooms, the dorm parent's living quarters, the front entry way, new staircases, and the biggest change is the west wing. They are changing offices into rooms with air conditioners.

Then on the other side of the campus next to Rogers and Jefferson Hall, work is being done in Phase I of the Fine Arts Building. Before the building is actually finished, it will go through three phases. In the first one, the auditorium will be built. It will

seat 698 on the bottom level and 822 on the upper level.

There will be a scene design area, an acting practice area, along with a dock for bringing in materials for sets in Phase II.

Phase III, when built, will be the music department. There will be one big building for the entire band to practice. Next to it will be a percussion room, and at that time the center lobby will be completed. Furthermore, a wing will be built holding an instrument storage room, instructor's offices, a small library, and practice rooms.

Finally, there will be two parking lots built on each side of the complex.

Larry Ball of Sentinel has been named new Cordell high school counselor. He received a B.A. degree and a master's degree from Southwestern. He is the former principal and counselor at Sentinel. The Ball's have three children Becky 14, Blake 20, and Brent 22.

Vickie Schneider, the daughter of Mr. and Mrs. Dwaine Schneider of Thomas, has been cast in the play **Texas**. A graduate of Southwestern, she was in several operas and plays and received many honors. She was talent winner and first runner up for Miss Southwestern Pageant.

Dana [Hancock] LeBlanc attended SWOSU from 1967-69 and earned her Bachelor of Science degree in Business Education. Her husband Denis is the District Accountant for Exxon Corp., U.S.A. Dana has taught in several schools in the U.S. Their address is 4930 Golden Eye, Corpus Christi, TX 78413.

Grad school sets MAT test dates

Karen attended from 1972-76 and majored in music. Both work for the Texas Power and Light Company where Marshall is Customer Service Supervisor and Karen is an Engineering secretary. They have a one-year-old son named Mitchell.

Glenn and Ernestine Wright both attended SWOSU for four years. Glenn received his Bachelor of Science degree in Business while Ernestine received her Bachelor of Science degree in Physical Education. They have three children. Ernestine is the assistant professor of P.E. at SWOSU, and Glenn has a life insurance agency. They live at Rt. 2 Box 2, Weatherford, OK 73096.

Rhonda Milton, a spring graduate from Southwestern Oklahoma State University, is pictured with Otis Sanders, left Director of Public Relations at Southwestern, and Clark Huey, a Southwestern graduate. They are looking over her schedule at Opryland U.S.A. where she will be singing this summer.

Rhonda is returning for her second summer as a singer. Performers must audition each year in order to be selected to entertain at Opryland.

Rhonda and Clark are both from Altus. Clark completed his degree this spring in accounting and will enter law school at the University of Houston this fall. He has been Rhonda's accompanist for several years.

ECHOES RECEIVES

LETTERS FROM YOU

We've retired

Dear Friend Millie:

We have intended, for so long, to at least drop you a friendly note so its about time we informed you at least of our whereabouts and our circumstances.

It's hard to believe that "retirement time" has finally come to us! Husband retired last fall after eighteen years. They had a large banquet for him, inviting our friends and family and he had a great time, of course. I was in Europe and didn't get to share in the celebration but it went along fine without me.

With two new babies this year, our four children have now produced eight dear grandchildren for us and of course, they're all just beautiful! Our youngest daughter married six months ago and she has a responsible job with the Washington D.C. Capitol budget. Her husband is director of certain parts of the Federal Nutritional program and they're still happy newlyweds.

Mama (remember her - Mrs. England) has been in Levelland,

Texas, for the year now. I kept her here for eight years after Daddy died. She is now in the Levelland Nursing home and seems quite happy. Freda says.

Do you ever get out to Western Oklahoma? This is the season I always avoided being there what-with all the tornados skipping about!

We had a nice surprise a few months ago when Bob Martin and Bette came to see us. We caught up on all the gossip and 'reminiscing' - we had not met Bette and she seemed very nice.

Katherine Richert also came by last year - with her sisters. Losing Harvey was a blow to Husband as well as to his family.

We are enclosing ten dollars; don't know what it costs to belong to the Alumni Association - probably ten dollars, eh? If it is not enough, please let us know.

We hope you're in good health and are happy. Also we hope to see you, one of these days.

With love,

"Diz" (Dr. C. Charles) and

Sybil (England) Clark

P.S. We always enjoy the Echo!

25 years of nostalgia

Dear Millie,

Just received the March Echoes and was reminded about sending some dues. Particularly enjoyed seeing Dr. Reynolds picture (still a sharp dresser) and Dr.

Hamm's picture (he let his hair grow long) in the edition. Tends to make one nostalgic after 25 years--My Gosh--it's been that long. Looking thru the alumni notes Southwestern certainly has provided some outstanding leaders in education, business and industry. It must be very satisfying to the staff to read about former students. You must also be very satisfied, Millie, because I'm certain that many of us older grads remember the kindness and concern you always had time to provide us.

I'm still located in Ada, am a supervising research chemist with the U.S. Environmental Protection Agency, and working with various industries to improve their environmental technology. I'm also an adjunct professor at East Central University. Mary Beth (she was the music teacher at Custer City, working to put me through school) is director of the Methodist Church Kindergarten in Ada and has over a hundred 3, 4, and 5 year old students. Our children, Kathy, Steve, and Karen are still in Ada. Steve and Karen are students at E.C. Kathy is now a mother of our granddaughter, Mandy.

Wishing you the best, Millie.

An ardent admirer,

No obituaries

Dear Millie,

Enclosed you will find my check to cover my dues for another year.

I always enjoy receiving the Echoes; however, I was disappointed in the Spring issue. It didn't carry any obituaries. It is always good to know about the whereabouts of our old friends but we are also interested in knowing about those who have gone to their just reward. Hope the next issue will include an obituary.

I thoroughly enjoyed the reunion of the class of '40. It is always a pleasure to see you. I especially enjoyed seeing "Choc" Cooper with his white hair and eyebrows. He is really distinguished looking.

ing. As usual Steel and Marinell Hutto were most hospitable. Seeing Chiquita and Dolph Schultz was also great. A special thanks to Meryl Coulson Smith and those who helped put the program together.

My wife and I had a nice visit with "Diz" Clark and Sybil last September. He has recovered from his stroke, retired and enjoying it. Sorry to hear about Cecil Goss. He and I were very close friends.

Love,

T. Robert (Bob) Martin

Leisure world

Dear Millie:

I received Echoes From the Hill yesterday and enjoyed every word. Hershal Risinger told you of Lonnie's death, I'm sure. Charley Forbes was writing an article about Lonnie to send to you when Charles died suddenly, so it didn't get there.

Lonnie died June 15, 1980, after three heart attacks. He was head of Education Department at Pepperdine College in L.A. for 15 years. Spent his last ten years as counselor at Santa Monica H.S. We moved here in 1975 just after our Golden Wedding and had five more wonderful years before he was taken.

Lois Purdy Coffman and I keep in touch. They came to see us last year.

Leone (Ratcliff) Pressley called the other day. We're trying to get together for lunch. We have a nice Oklahoma Club here in Leisure World. I play piano for it and two other clubs.

When I come to Oklahoma again, I'd love to see you. Find enclosed check for dues.

Love and best wishes,

Millie elected

Dear Millie:

Congratulations on being selected to the Alumni Hall of Fame. You really deserve it.

I have a news item for the next Echoes. You may need to revise these items--I've been in fourth grade too long--ha!

Gary R. Brown, 1962-68, a native of Custer City, received his B.A. & M.T. from SWOSU.

Brown spent 14 years teaching Instrumental Music in Erick, Thomas, & Norman.

Continued on Page 6

Continued from Page 5

Brown graduated from Oklahoma City University Law School, served as assistant D.A. of Ponotoc & Seminole counties until he was appointed Special Judge of Seminole & Hughes Counties. Brown & his wife, the former Renee Colbert, former student of SWOSU reside in Seminole. Their mailing address is Box 678, Wewoka, Oklahoma 74884.

Brown is the son of Mrs. Lela Brown & the late Randell Brown of Custer City.

After 40 enjoyable years of teaching Elementary students, Mrs. Lela Brown, a graduate of SWOSU, retired from Clinton Public Schools in 1979.

Gary would love to receive the Echoes.

Thank you,

Congrats Millie

Dear Millie:

Congratulations! Wish I could be there to watch the honors. You do deserve them.

I may be retired, but can't give up the classroom, so sub as often as I can. I'm really busy with my Study Club and Church Circle, so miss some chances to sub.

Keep wishing I could sell and move back to W'ford. Am sending my dues to you.

Congrats! again!

Love,
Gwen Webb

Missing college days

Dear Alumnus,

Back in 1964, and 1966, I completed my formal educational background at good ole Southwestern. Also my daughter, Patricia Mae Rutledge, Boulware graduated in 1968. She has remarried to Raymond Dienst Jr., and she teaches in the Lakin, Kansas School District.

I kinda feel guilty not returning to the "Homecomings" the past few years. However, my favorite friend and Alumni, Mrs Millie Thomas always remembers me and sends me a copy of the *Echoes From The Hills*, to keep me abreast of what is going on etc.

I dearly love my school Southwestern and will always have fond memories of my friends and professors there. My head advisor Dr. Harold Budde (Counsel-

ing), and my days at Clinton-Sherman AFB as the Director of the College Resident Center in 1966-67, will always be an important mile-stone in my life. Dr. Al Harris, was Chief at that time and he ran a good and outstanding program.

I accepted a counseling position at the NTSU Lab. School, Denton, TX in 1967-68, 1968-69. Then from 1969 to present I have been a counselor with the Denton ISD. Two more years I plan on retiring and remaining in the Denton Community. Tell Bob Maynard hello for me, if he is still around.

Neff Hall, the oldest men's dormitory on the campus of Southwestern State University, is in the process of being remodeled, according to Dr. Fred Janzen, Dean of Student Personnel Services. The project, which is being done by the Derrick Construction Company of Altus, will include new paint, fixtures, lights, air conditioning as well as roof work [Pictured here]. The dormitory will also benefit from the extra space vacated by Southwestern's Psychology Department, which has moved into their new facilities in the new addition to the Rankin Williams Field House. "I am very pleased with this project," Dr. Janzen commented. "It will join, along with our new fine arts center and field house addition, to make our campus more pleasing to the eye than it already is."

THE OFFICE of Placement and High School Relations consists of [l-r]: Mr. Doug Brown, Career Information Officer, and Mr. Mark Mouse, Director of Placement and High School Relations. Front: Valeta Morris, secretary for the office and supervisor of student employment.

Pride at SWOSU

Pride and a good attitude about the future and growth of Southwestern best describes the office of Mark Mouse and his staff in Placement and High School Relations. Visiting with prospective students from Boise City to Buffalo to Blackwell to Tulsa to Miami to Ardmore to Duncan and back to Hollis with all high schools in between gives a person an idea of the miles traveled to represent Southwestern. Some college days are also attended in the Texas Panhandle and West Texas area.

Mark graduated from Southwestern with a bachelor's degree in English, science, and guidance counseling, and went on to obtain a master's degree in school administration from the University of Oklahoma.

Mark taught in the Custer City public system for nine years and was the high school principal for eight of those years. The Mouse family moved to Weatherford in 1963, when Mark took over the job of principal at Weatherford High School. He left that job in 1967 to take over his current position at Southwestern. The Mouse family consists of his wife, a SWOSU graduate; Melani, a sophomore at Southwestern, and Monte.

Besides Mark being a SWOSU alumnus, Doug Brown,

Career Information Officer, is an alumnus with BS and MS degrees, and his wife, Renee [Decker] Brown, has a bachelor degree and master degree from SWOSU. Doug's father, Dr. Bob Brown, is Dean of the Graduate School at Southwestern.

Valeta Morris, the secretary who adds beauty and class to the office, is a Southwestern graduate as is her husband, Dr. Robert Morris, who teaches in the Math Department at Southwestern. Dr. Morris is the son of Dr. Louis Morris, a retired Dean at Southwestern. Valeta has a daughter, Seneca, who will be a freshman this fall.

Students that work in the Placement Office at Southwestern State University "wear many hats" which include tours of the campus for prospective students and visitors; preparing packets and other information used for college and career days; help prepare credentials of graduating seniors and update credential folders of alumni; assist in directing students on campus that are being interviewed for teaching positions and major industries; help prepare a continuous list of teaching positions open in schools throughout the United States, and keep an update card file available to school administrators looking for teachers.

THE SOUTHWESTERN ROOM

In the Southwestern Library there is a room filled with artifacts dating back to when Southwestern was named the Southwestern Normal College. This room is called the Southwestern Room. It is a place for preserving the history of Southwestern and for the alumni to go to feel at home or to take a walk down memory lane.

The room is open upon request and can only be opened under supervision. There will be an open house of the Southwestern Room on September 24 from 1:30 to 5:00 p.m. as part of the homecoming activities. The room is decorated in this fashion: on the south wall there are old pictures of athletes of yesteryear under Head Coach Rankin Williams. To the left of this case in the corner is a picture of the first Bulldog. His name was Duke, and this is where we acquired the Duke Awards.

On the top of this case are pictures of the buildings on campus. The pictures range from the big fire at the Administration Building to the bell tower and archway in front of the same building.

To the right of the case are the honored alumni pictures. Two new ones going up are from the class of 1938, Ed Berrong, and

from the class of 1950, W. T. Malone.

On a table in front of the case first mentioned are pictures of Brandy Wine, our second mascot, and the present Brandy, among a number of other pictures.

The east wall has old class rings, an old Duke Award Cup, the writer of the Bulldog fight song, pictures of our outstanding wrestling teams, a T-shirt from the Apple Bowl, and several other things.

To the left of the east wall are the shelves holding the yearbooks from sometime ago and the Southwestern newspapers. Then to the left of that are the pictures of an entire study body in front of the chipping columns of the Old Science Building and the Administration Building.

In the Southwestern Room there is too much to put down on paper. When Mrs. Sheila Hoke replied, "It is their (alumni) place to reminisce," she was right in more than one sense; it is also a place for new students as well as old to see how Southwestern looked long ago.

On September 23, Dick Johnson, DeeAnn Ray, and Dr. Mel Fiegel will be presenting a slide presentation, with music and history, entitled "On High Ground . . . Roots of a University."

Rex McAnally received his Bachelor of Science in Math degree in 1975. He works with Senior Systems Programmer for computer Language Research, a company which prepares computerized tax returns for accounting firms. He and his wife Susan have two sons. They reside at 2135 Lymington, Carrollton, TX 75007.

Jeanne [Francis] Darnell, playwright, graduated from SWOSU in 1960 with her Bachelor of Arts degree in English. Her husband is an independent oil and gas producer. Jeanne's address is 10019 Parkford, Dallas, TX 75238

Lois [Jones] Gilchrist attended SWOSU and finished forty-one years of teaching throughout Oklahoma. She has one son and two grandchildren and resides at 701 W. Ave. "C", Elk City, OK 73644.

John and Marky Morton both attended SWOSU from 1963-68 to receive their Bachelor of Science degrees in Business Administration and Office Administration respectively. They have one daughter and are owners and operators of Johnny's Mens Wear in Frederick. Their address is 1020 Millicent, Fredrick, OK 73542

KELLI LITSCH receives the NAIA National Tournament Player of the Year Award at the National Tournament, held in the Kemper Arena in Kansas City.

The Southwestern Oklahoma State University Lady Bulldogs basketball team added the perfect finish to the "Cinderella" story they had been living since the start of the 1981-82 season by winning the NAIA National Championship with a perfect 34-0 season. This is compared with an undistinguished 7-17 record in 1981.

This season has been the first at Southwestern for Lady Bulldog head coach John Loftin. Loftin came to Southwestern after a 139-38 record at Murray Oklahoma State Junior College.

During the regular season, the Lady Bulldogs averaged 77.1 points per game, outscoring their opponents 24.8 points. The team field goal percentage was .552, first in the nation.

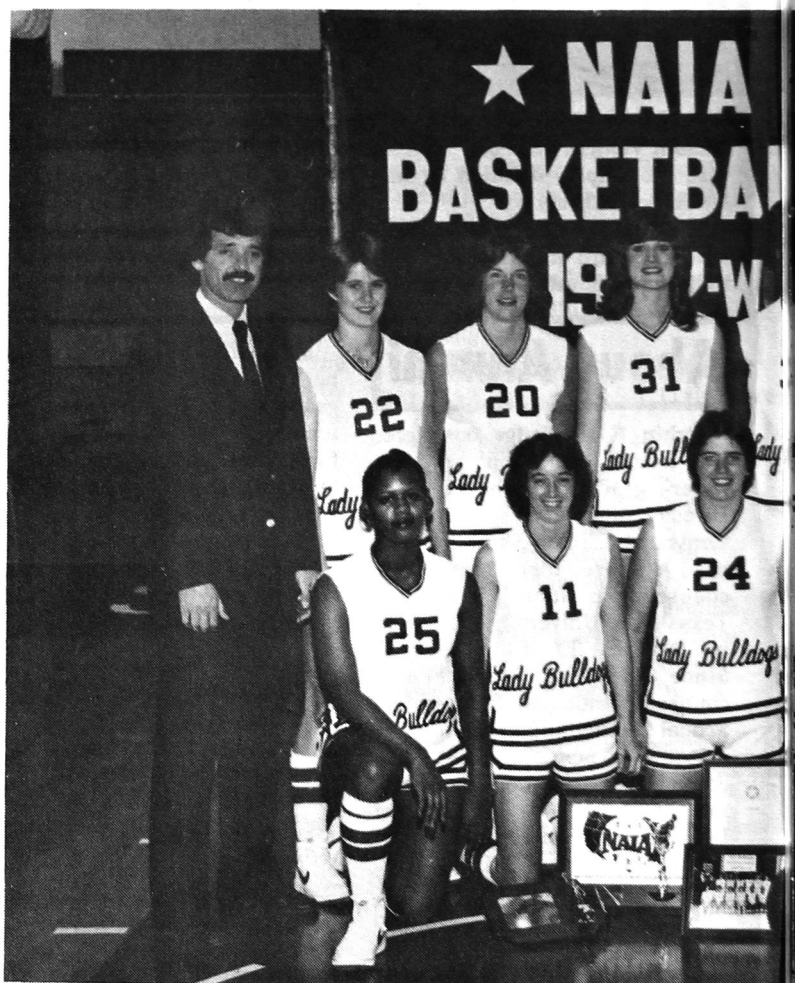

In the NAIA National Tournament, held in Kansas City, MO, March 11-13, the Lady Bulldogs averaged 80.3 points per game, outscoring their opponents 27.6 points.

Individually, the Lady Bulldogs have been led by Kelli Litsch, a

freshman from Thomas, OK. Litsch averaged 20.9 points per game during the regular season and 18.7 during the National Tournament. She was named All-Conference All-District, Most Valuable Player in the District Nine, Most Valuable Player in the NAIA National Tournament, and first team NAIA All-American.

Another All-American from Southwestern was senior Chelly Belanger from Weatherford, OK. Belanger averaged 11.3 points per game during the regular season and 11.7 during the National Tournament. Belanger was also named to the second All-Tournament team at the NAIA National Tournament.

Other important additions to the Lady Bulldogs were Anita Foster, who averaged 14.3 points per game and was named to the First All-Tournament team at the NAIA National Tournament; Mary Champion, who averaged 8 points per game and Pat Jacques, who averaged 6.7 points during the regular season.

CHAMPIONS

THE SOUTHWESTERN State University Lady Bulldogs are posed with State Senator Wayne Wynn, left; Head Coach John Loftin, center and State Representative Bill Widener, right as they leave Oklahoma City for the NAIA National Tournament in Kansas City. The legislators presented the girls with a citation from the Oklahoma Legislature for their achievements.

John Loftin is head women's basketball coach at Southwestern Oklahoma State University.

Among his impressive numbers, he has coached seven high school All-Staters and five college All-Americans. He has been selected Coach-of-the-Year on seven different occasions. In

the 1980-81 season he was selected Region 2 [Oklahoma and Arkansas] Coach-of-the-Year by the National Junior College Athletic Association. Coach Loftin was named the 1981-82 NAIA National Coach-of-the-Year for his efforts with the championship team.

COACH LOFTIN and the Southwestern State University Lady Bulldogs are pictured with KTVY-Oklahoma City sports personality Robbie Robertson. Robertson came to Southwestern to do a feature story on the girls' success.

About Alumni

Wayne Prentice, a 1963 SWOSU graduate and a teacher at Apache Elementary School in Albuquerque, New Mexico, has built a museum-quality taxidermy exhibit at his school. His stuffed roadrunner will go on a traveling exhibit sponsored by the Museum of Natural History. Wayne has been in the Apache school for the past 15 years.

The picture and an article from the Wildlife section of the Albuquerque newspaper were sent to Dr. Donald Hamm, Dean of the School of Arts and Sciences at SWOSU and passed on to "Echoes." The collection of specimen, which total about 170, is the only one of its kind at an elementary school in the United States. Wayne started the program in 1968. He found that the mounted specimen were helpful for class discussions or identification, as well as other educational items or wildlife.

With encouragement from the U.S. Fish and Wildlife Service, Prentice sent a letter to every National Wildlife Refuge in the United States requesting contributions of illegally killed or salvaged specimen. Replies were fantastic, as specimen from Alaska to Florida and from Maine to California were sent. In order to maintain the collections, the Apache School has a special possession permit from the United States Fish and Wildlife Service.

Wayne grew up in Greenfield and his wife Sharon [Franz] is a 1963 graduate and a native of Cordell. She has a large ceramics business and sells to gift shops throughout the Southwest. They have three children: Michael, 13; David, 10; and Susan, 7. David is a national cross-country finalist runner. Wayne and his family live at 8117 Princess Jeanne N.E., Albuquerque, New Mexico 87110.

RETIREMENTS

PICTURED ARE faculty and staff members from Southwestern State University who have retired from their university services at the end of the spring semester. The retirees are displaying the plaques presented to them at a luncheon in their honor April 2 on the campus. The retirees, their department, and the year of their initial employment are [l-r]: Helen B. Brown, Home Economics, 1964; Orba Mackey, Student Union employee, 1962; Buena Ballard, Biological Sciences, 1967, and Merle E. Taff, Music, 1948. Pictured with the retirees are their spouses.

DR. BUENA BALLARD

Dr. Buena Ballard retired at the end of the spring semester, 1982. Dr. Ballard received her Ph.D. at Mississippi State University, and she came to Southwestern Oklahoma State University in 1967.

Dr. Ballard's 15 years at Southwestern have given her the opportunity to teach, coordinate a large number of courses and serve as a sponsor and/or member of a wide scope of extra-curricular duties while at Southwestern. Some of the courses Dr. Ballard taught during her tenure were Introductory Zoology, Biological Concepts, Histology, Embryology, Parasitology, Invertebrate Zoology, and the Human Body. In addition, Dr. Ballard has taught Introduction to Marine

Zoology on campus at Southwestern, with field trips to the Mississippi Gulf Coast. Dr. Ballard has also taught at the Gulf Coast Research Laboratory during the summers.

Dr. Ballard's extra-curriculum duties include Faculty Senate, General Education Committee, Library Committee, Who's Who Selection Committee, Student Center Policy Forming Board, Faculty Examiner for Undergraduate Assessment Program-Graduate Record Exam, Judge at Academy of Science and many other activities.

Dr. Ballard plans to enjoy her husband and home in Weatherford. She plans to spend a great deal of time working in the yard and garden with her husband

Ottis, who retired from Southwestern a few years earlier. Dr. Ballard indicated she and Ottis "have never had enough time together" and plan to read, write, fish, and just explore the outdoors together.

Dr. Ballard explains that their traveling will be limited to visiting children and grandchildren and seeing Oklahoma's state parks. She is looking forward to retirement but will definitely miss the contact with students that she has enjoyed for so many years.

Dr. Ballard's expertise and gracious attitude has made her a favorite among her peers and students; and she will be missed at Southwestern's Biology Department.

Berrong
[Continued from Page 1]

Ed. taught history and government at Watonga from 1938 to January 1941. At mid-term, he became elementary principal in Clinton. He later accepted an appointment at Chickasha as resident project manager of the National Youth Administration. At the age of 25, he became the youngest NYA area director in the nation.

In 1943, he returned to law school in Oklahoma City, attending night classes and working for Armour and Company during the day. Having completed all course work, he was licensed to practice law by the State Bar Association. Notification of the licensing did not reach Ed until he had volunteered in the United States Navy as an apprentice seaman, but after 30 months he was commanding officer of Sub-Chaser 769 operating in the South Pacific and Southwest Pacific theaters.

Following the war, he was in charge of the veterans training program at Southwestern. After serving two years with the VA and turning down the state director position, he and Art Shotts bought the Frank Eaton real estate and insurance agency. In 1949, he was elected to the first of three one-year terms as mayor of Weatherford. Art Shotts bought the Ford dealership, and Ed bought out Shotts.

After serving four months of his fourth term as mayor, Berrong resigned after being elected state senator in a special election to succeed K.C. Perryman, who had moved out of the district. Ed served 22 years in the state senate, where he served as chairman of many of the senate committees.

Ed is a member of the First Methodist Church, American Legion, VFW, Chamber of Commerce, and Rotary Club. He was recently honored by the Rotary Club as Rotarian of the Month for his dedicated service to the city of Weatherford and the state of Oklahoma. He was inducted in the Western Oklahoma Hall of Fame last year. Ed is the President of the Oklahoma Motel-Hotel Association.

Ed married Winnie Ola Post in

1933. She grew up at Eastview in Greer County. They have three sons Ed, Jr.; Mark; and Brad all SWOSU alumni. They are all in business with their father. The Berrongs have seven grandchildren.

Malone
