A. Provost response to Motions:

1. 2004-01-02. Dr. McFarland will not be invited back to work with faculty.
2. 2004-01-02. Administration is open to Post Tenure Review Policy.
3. 2004-02-01. Four (4) faculty instead of five will serve on the Bernhardt Committee along with alumni and student representation. The most recent Bernhardt recipient will be the fourth to represent their college. The other faculty representatives will represent their respective colleges.

Rationale: To balance representation from each college.

4. 2004-01-08. The decision to fill faculty positions over the last two academic years was made under unusual circumstances of time and situation. Administration considers strongly that qualified faculty need to be in the classroom, and views decisions made in the past will not be ongoing practice in the future.
5. 2004-02-09. Administration appreciates faculty commitment to be available to the students in the classroom, lab, and clinical settings.

B. Judiciary Committee

In accordance with the Constitution of the Faculty Senate, each college is apportioned one senator for every seven (7) (or major fraction thereof) full-time faculty members receiving an annual contract.

Recommendation: The reorganization of Southwestern Oklahoma State University has not resulted in necessary changes in apportionment of the Faculty Senate. Changes in the number of faculty in the College of Pharmacy entitle that College to add one Senator if that is the desire of that College.

Suggestions: While it does not fall within the prerogative of the Faculty Senate to determine how Senators are apportioned within the respective college, the Senator whose term is expiring from the Department of Health and Physical Education might be replaced by a Senator from Park and Recreation Management in order to give that department representation on the Senate. The College of Pharmacy might consider electing Senators in the future so that two Senators come from Pharmaceutical Sciences and three Senators come from Clinical Pharmacy.

FS Motion 2004-03-01

It was moved and seconded that the Judiciary Committee report be accepted.

The Motion passed by voice vote.

- C. Nominations Committee – A revised Biography Information sheet for University Committee Members Elected by Faculty Senate and Ballot – Faculty Senate Officers and Selected Committees were presented. The form will be emailed to each senator.

FS Motion 2004-03-02

It was moved and seconded to employ the following format for the University Tenure/Promotion Review Committee based on the new organizational structure of Southwestern Oklahoma State University:

- **One representative for each 25 faculty members (or major portion thereof)**
- **For Colleges with more than one discipline, representation should come from different disciplines of the College**
- **Using this format, the University Committee would have seven (7) members:**
 - **Arts & Sciences – 3 members**
 - **Professional and Graduate Studies – 3 members**
 - **Pharmacy – 1 member**

The Motion passed by voice vote.

FS Motion 2004-03-03

It was moved and seconded that all references to “Chair” should be changed to “Chair/Associate Dean” in the Tenure/Promotion Guidelines based on the new organizational structure of Southwestern Oklahoma State University with the following footnote reference.

Footnote reference:

“Chair/Associate Dean” in this document refers to the Department Chair for faculty members in the College of Arts and Sciences, College of Pharmacy, School of Behavioral Sciences and Education, and School of Computer Science and Technology. “Chair/Associate Dean” in this document refers to the Associate Dean for faculty members in the School of Allied Health, School of Nursing, and School of Business.
