SWOSU Alumni Association Still Growing

Membership in the new Southwestern Oklahoma State University Alumni Association continues to grow, but more alumni should be joining. The Board of Directors voted to mail one more edition of **ECHOES FROM THE HILL** to everyone where correct addresses are known. Over 800 "corrected addresses" were made by the postal department, and over 700 **ECHOES** were returned because the forwarding address had expired and the postal department could not deliver **ECHOES** to the alumni. The names of these alumni with no forwarding address are listed in this edition. We are asking the alumni to look over the list of names and send us the addresses of people they know.

The constitution and by-laws

have been reprinted for all alumni, and a list of alumni that have paid \$10 for a yearly membership and the lifetime members are also included. We will receive new memberships, new addresses, and more dead letter addresses after we go to press, and we will list them in the fall Homecoming edition.

Johnny Beech from Clinton was elected president-elect and Tom Libby, Weatherford, and Gilbert Dick, Clinton, were elected to the Board of Directors at the April 9 meeting. This completes the officers and 30 members of the Board of Directors. These members are also listed in this edition.

Help Southwestern by joining the Alumni Association.

Lifetime Members Pay Dues

Alumni are continuing to join the newly active alumni association with lifetime memberships. Cost for lifetime membership is \$100 for a single and \$125 for couples. Those joining are as follows:

ARIZONA

ARKANSAS

Rubyfern Woods Johnson, currently of 78 Oak Meadows Dr. in Cabot, Ark. 72023, recently retired from the Oxnard Union High School District in California after some 23 years. Motion was made by Johnny Beech and seconded by Ed Berrong for the approval of \$1,200 to purchase 5,000 alumni decals for \$500 and the remainder of the money be used to purchase items to give SWOSU booths and displays a first-class appearance. A request for the cost of plaques for lifetime members was given and will be reported at the next meeting. Alumni membership showed that 212 had paid \$10 yearly dues; 28 had paid \$100 single lifetime, and 18 had paid \$125 couple lifetime memberships. 708 copies of ECHOES were returned with new addresses, and 732 ECHOES were returned with no forwarding address. All returned ECHOES cost 25¢ per copy. Approximately 14,000 ECHOES FROM THE HILL were mailed in March so alumni membership should be larger. The Board voted to mail the next ECHOES to all alumni with current addresses as a second and last chance to join the alumni association. Names of alumni with no forwarding address will be printed. Bulk mailing should reduce the cost of mailing. Classes of 1933, 1958, and 1973 will be published again with a form to be filled out by alumni who can attend and their addresses. At the alumni luncheon, awards will be given to alumni that have the most children in school, traveled the farthest, and the oldest alumni. We will sing the alma mater and will have table registration but will not introduce everyone. The encouragement of some type of athletic reunions and the possible start of an alumni spring banquet was discussed.
- VIII. Ron Polston in Lawton has shown an interest in starting an alumni satellite chapter for the Lawton area. Plans are being made to meet with Ron to organize. Alumni memberships should be encouraged by satellite chapters and at booths. Mark Mouse reported on the progress in recruiting and the first freshman pre-enrollment session. Bob Brown reported on the SWOSU Foundation and stated that he is looking forward to working with the new alumni Foundation Committee. Other satellite chapters were Oklahoma City headed up by Arch Alexander, Bill Ware, Lucille Patton, Mike North, Bill Brogden, and Larry Claxton; Custer County Chapter headed up by Hazel Evans and Helen Gossman, and an Altus Chapter headed up by John Buck.
- IX. The meeting adjourned at 1:20 p.m.

Three Generations of Savages for SWOSU

Three generations of SWOSU alumni got together on the campus for us to take their picture for "Echoes." Standing (l-r): Lorena (Savage) Males, Cheyenne; Mickael Males, Edmond, a student at SWOSU, and Dr. James L. Males M.D., Edmond.

The parents behind the Savages: E. B. and Mary Mabry Savage had eight children, almost all of whom have become associated with Southwestern. Four daughters received degrees from SWOSU. Mrs. Savage was born on July 4, 1887. In 1900, they filed for a homestead in Dewey County, and in 1903, she came to Weatherford from Roger Mills County in a horse-drawn wagon to become the first girl to enroll. At that time it was Southwestern Normal with an enrollment of no more than 125 the first year.

Mary hasn't missed homecoming for many years. In fact, it has become a tradition for her family to have a reunion and dinner meeting every year at this time. She meets her children, grandchildren, nieces, and nephews--all of whom are interested in Southwestern.

In 1969, President Al Harris presented her with a surprise Duke Award for her untiring efforts on behalf of the college. He said that Southwestern's whole history was tied up in her life.

Mrs. Savage didn't get a de-

gree, she said, "In fact, most of the faculty probably didn't have a degree in that day." She got a teacher's certificate and taught school only four years before getting married and devoting her time to her husband and large family.

Mrs. Savage started a long line of enrollments, being at the head of a family which has probably produced more students for Southwestern than any other family in the state.

She belonged to the Thirty Year Club but thinks there ought to be a Fifty or Sixty Year Club. It's been 69 years since she left here.

In 1953, for Southwestern's fiftieth anniversary, there was a special float in the homecoming parade for Mrs. Savage as our first coed.

Commenting on homecoming, Mrs. Savage explained, "There may be years I didn't get to come, but I haven't missed one for many years. They're getting better all the time!" She believes the parades are getting larger, more beautiful, artistic, and just keeping up with the times. Each year she looks forward to the next homecoming.

Mrs. Savage passed away at the age of 93. She had 17 grandchildren and 18 great grandchildren. Her brother, Harry Mabry, a life-long friend and alumni of SWOSU, is a member of the Distinguished Alumni Hall of Fame.

FROM YOU

Book Published

May 2, 1983

Dear Millie:

I thought I should get this information to you before Echoes is published. Glen has been working on this book for six years, and he plans to have it published by the end of the year.

He became curious about what happened to all the schools when he was carrying mail, and he started digging into the history after his retirement. Roger Mills County has very little information for historical purposes so this should be valuable historically.

He met with the Historical Society in Oklahoma City last week, and they are reviewing his book. He doesn't want them to publish it because he has chosen exceptionally good paper and binding for the book, and they wanted lesser quality.

If there is a charge for having this article and price for the book published, please send us the bill.

Advance orders for the book, "History of the 101 Schools in Roger Mills County," by Glen Crane may be made by sending a check to: Glen F. Crane, Box B, Cheyenne, OK 73628, or to Rogn Kirby, Box 87, Cheyenne, OK 73628. The price is \$30 for the book and \$2 for mailing. The checks will be cashed when the book is completed and mailed.

Uncle Harry Mabry is confined to his bed and has been very ill since he failed to come to the affair at Southwestern two years ago. He lives with his daughter and has nurses care for him around the clock. He would love a note from someone there. His address is H. C. Mabry, 12352 S.W. Ranchwood Rd., Santa Ana, CA 92705.

You have been such an inspiration, Millie.

Love,
Glena Belle Crane

"Keeping On"

April 21, 1983

Dear Millie:

When I think of dear old Southwestern, and the many pleasant days spent there, I also think of you.

We had planned on attending homecoming last year, but my devoted husband, V. O., became ill and very suddenly passed away. Of course that changed our plans.

How are you? I do hope your health is good. Southwestern would not be Southwestern without Millie.

I'm trying to "keep on keeping on," but sometimes the way seems rough and very lonely since V. O. is no longer here.

Do you hear anything from Miss Shoemaker? She is in a nursing home in Tulsa. Those long hours I spent in the journalism room still remain among the best of my good memories of classes at Southwestern.

Our daughter, Linell, and her family live near Mustang, Okla. She expects to finish her degree in nursing next month. Her son, Chad, and daughter, Shannon, attend Mustang Schools. Chad is in seventh grade band which has won superior ratings at all the contests this spring. Shannon is interested in physical education and wants to be a P.E. teacher some day.

I'm enclosing a ten dollar check for my alumni dues for a year. I don't want to miss Echoes from The Hill. I enjoy hearing about Southwestern and the people who are and have been a part of the school.

Have an enjoyable summer. I hope to see you next homecoming!

Love and best wishes,

SWOSU Alumni Association:

Congratulations on the organization of the Alumni Chapter at Southwestern!

I go back a ways, but I am still interested in Southwestern and know that the association will move forward. Millie and Lucille were always two of my favorite individuals.

Wonderful Time

Dear Millie:

Enclosed is a check for my 1983 dues; sorry to be so late but somehow time seems to fly by. I thoroughly enjoy Echoes from The Hill.

I retired in June, 1981, and I am having a wonderful time. I stay so busy that I wonder how I ever found time to work! It is fun to travel, visit children, grandchildren, and friends anytime you want and do volunteer work at a local hospital.

My two sons are both teachers here in California--Jack in Vista and Don in Alvord here in Riverside. Don's wife, Sara, also teaches in the same school as he. Jack has two children--a daughter 7 years and a son 7 months. Don's first will arrive the latter part of April.

I bought a travel trailer and thoroughly enjoy it. It stays most of the time at a camp on the Colorado River where we enjoy water skiing, boating, and visiting with friends.

Sincerely,

Curiosity Dictates

March 27, 1983

Dear Millie:

A few times during the month of March I have received positive comments from different sections of our globe relative to an article appearing in the March issue of Echoes from The Hill. Evidently, thru your kindness, parts of my letter to you appeared in that issue.

Naturally my curiosity dictates desire to read the article first hand. When I wrote you I enclosed a check which I hoped would re-establish my eligibility to receive the quarterly issue of Echoes. Somehow that did not happen so it is very possible the amount was not sufficient (five bucks).

The point of this letter is to take advantage of your inherent kindness. Would you please consider mailing me a copy of the March Echoes and enclose the expense for it plus information on how and when I should normally submit a check for continued issues (including cost thereof).

My sister, Margaret Replogle, also would appreciate getting the Echoes issues. I am aware that she has given funds to the university and possibly would get the issues as routine procedure, but if that is not the case, please let me know and I will send in the necessary money to get her on the active list. She too heard of the article in question and would appreciate a copy for herself. Her address is 301 N.W. 15th, Oklahoma City, OK 73103.

Hope you are enjoying the best of health, and I am sorry to cause you extra problems in your busy life.

With love,

Pay The Postage

February 15, 1983

Millie:

Thanks! Attached find a \$1.00 bill which will pay the postage it took to mail me the last copy. I do not know a single person in the issue as I am one of the last SATC Boys of 1918. I am writing this on a desk that took first prize at Weatherford in 1917 as a student at Elk City in manual training.

LETTERS FROM YOU

Loyal Supporters

March 21, 1983

Dear Millie:

Thank you for publishing Wilbur's last letter in the Echoes from The Hill. His health prevented us from attending homecoming in 1981 and 1982. We read all the news in The Southwestern and Echoes from The Hill. Our thoughts of love and appreciation for our alma mater are sincere. Wilbur passed away on Oct. 19, 1982, and was buried at Thomas on Oct. 22, homecoming day. Most of my family live in the Thomas and Weatherford area and are loyal supporters of the University. My sister, Iva Diltz, and my brother, Lloyd Christensen, are also graduates of Southwestern. Wilbur taught 43 years in Oklahoma--31 in high school mathematics and industrial arts and 12 years as head of the audio visual department at Panhandle State University. He devoted his life for a better education for the students and teachers of Oklahoma. He loved our family and greatly enjoyed our nine wonderful grandchildren. We miss his loving care and happy presence--very much.

I am sending my membership application card and thank you very much, Millie, for your friendship and assistance to us both as students and teachers of western Oklahoma.

Sincerely,

Mildred Christensen Jones
Keep Busy

April 29, 1983

Dear Millie:

Please find enclosed a check for \$10. We enjoy Echoes from The Hill and appreciate getting it.

Cecil and I both keep busy. Since he retired he has kept things going at home. I still work part-time at the store we and our son-in-law, Cliff Wall, formerly owned.

I belong to Caddo County Retired Teacher's organization and am reporter for Kappa Kappa Iota. Also am a member of the First Christian Church where I sing in the choir. I belong to Christian Women's Fellowship where I serve as secretary. We both belong to a Bible Study Group. Cecil is also on the Church Board, teaches a Sunday School class, and is a member of Rotary Club.

We have two daughters, seven grandchildren, and one great granddaughter. We enjoy all of

them.

Thanks for remembering me.

Sincerely,

Elsie (Weese) Roberts

P.S. I would like to hear from a friend I met at Southwestern. Her name was formerly Mary Louise Ruddel. She lived in Custer City. The last I knew of her, she lived in Ponca City.

More "Millies"

March 28, 1983

Dear Millie:

I thought I should let you know about my physical condition since I haven't seen you since homecoming in September. At that time I was not feeling very well.

Irene and I have just returned from the M. D. Anderson Clinic in Houston, Texas, where I spent two weeks. I was given a series of tests, and the report was that there were no active cancer cells at this time. I am to be checked again on June 14. I was told I had a severe case of arthritis of the spine and was told to take medication for that. My left leg and hip give me some discomfort--not too severe--but some pain all the time.

Millie, it has been 53 years since I entered Southwestern. My admiration for the school seems to grow each year. I never let an opportunity pass that I don't praise Southwestern.

It is unfortunate that there were not more "Millies" at Southwestern. Many, many students would never have received degrees if it had not been for your love and counseling! As I have told you many times, I would not have received my degree without your love and help. I can never repay you for that love and concern and kindness you gave me. Thank you again for your kind heart and sweet smile.

As ever,

Bulldogs Make Leap To Professional Rank

For the first time in recent history, three Southwestern Oklahoma State University Bulldog seniors have made the leap from college to the ranks of professional football. Richard Lockman, 6-3, 230 lb. linebacker from Arlington, Tex., and Tod Nix, 6-2, 242 lb. center from Amarillo, Tex., have both signed with the Denver Broncos, while Mark Daniels, 6-3, 275 lb. defensive lineman from Lawton, has associated himself with the Dallas Cowboys.

Lockman, a two-year letterman for the Bulldogs, was named to the first 1982 NAIA All-American team as well as being selected the Oklahoma Intercollegiate Conference and the NAIA District Nine "Player of the Year." Lockman

finished the 1982 football season with 84 solo tackles and 55 assists.

Daniels was selected the first OIC and the second District Nine teams in 1982. The three-year letterman for the Bulldogs finished the 1982 season with 43 solo tackles, 26 assists and two recovered fumbles.

Nix, like Daniels, is also a three-year letterman. His 1982 post-season honors included being named to the first team of both the OIC and District Nine lists, as well as being named as Honorable Mention to the NAIA All-American group.

Each player has signed three one-year contracts with his team, and all players reported to their team's mini-camps on May 11.

MARK DANIELS (center) is shown as he signs the contracts necessary for him to become a member of the Dallas Cowboys football team. Shown with Daniels are Tom Brahaney (left), former Oklahoma University center and currently a scout for the Cowboys, and Bob Mazie, head coach of the Southwestern Oklahoma State University Bulldog football team.

TOD NIX (front left) and Richard Lockman (front right) are shown as they sign the contracts necessary to become members of the Denver Broncho football squad. Shown with Nix and Lockman are (l-r) Francis and Bud Wheeler of the Broncho organization, and Bob Mazie, head coach of the Southwestern Oklahoma State University Bulldog football team.

The Board of Regents of Oklahoma Colleges and Universities has approved the addition of Michael Scott Whaley to the Southwestern Oklahoma State University Bulldog football coaching staff. Whaley, who will be responsible for the defensive secondary, will replace Woody Roof, who left Southwestern to take the head coaching position at Northwestern Oklahoma State University.

Whaley comes to Southwestern after a successful coaching stint at Mangum High School. His other

coaching experience includes Charles Page High School in Sand Springs as well as a graduate assistantship under Bob Mazie at Southwestern in 1978-79.

Born in Oklahoma City, Whaley moved to Cleveland, Okla., at age nine and graduated from high school there. After two years at the United States Naval Academy in Annapolis, Md., Whaley returned to Oklahoma and Southwestern State, where he received his B.S. in math education and his M.Ed. in education, with an emphasis in physical education.

As an athlete in high school, Whaley lettered in football, basketball, baseball and track, as well as being named an All-State Quarterback. In college, he played his freshman year at the Naval Academy before playing three years for coach Otis Delaporte at Southwestern. Whaley was a member of the 1977 "Apple Bowl" team that finished runner-up to the NAIA National Championships.
