

# **Regional Technology Student Association Conference this Tuesday at SWOSU**

03.06.2015

Southwestern Oklahoma State University's Engineering Technology program will host the Regional Technology Student Association (TSA) Conference this Tuesday, March 10, on the Weatherford campus.

Middle school and high school students from the western side of Oklahoma will compete for a chance to represent their school at the TSA State Conference on April 7.

Participating students will give prepared and extemporaneous speeches, and the top 10 finishers in the event will qualify for the state conference. The students will compete against the top 10 finishers from the Eastern Conference meet.

The event will be held in the SWOSU Conference Center.
