THE APOTHECARY STAFF

Apothecary Staff and Advisors 2023-2024: (Front Row Left to Right) Adina Foust, Kenna Martinez, Dallas Johnson, Ryann Richardson. (Back Row Left to Right) Hannah Schroer, Mason Flowers, Mikhala Holsted, Hannah Allen.

It is with great honor that we present the 2024 Apothecary issue. This year's Apothecary was made possible by generous financial contributions from many stores, businesses, and Southwestern College of Pharmacy alumni. We greatly appreciate and thank you for your continued support.

The Apothecary staff would like to thank Dr. Les Ramos and Adina Foust. This process would not have been possible without their continuous support, patience, and behind-the-scenes efforts. We also want to thank the SWOSU Design Studio for their hard work in creating this year's fantastic cover and dividers. You always help bring our ideas to life and make them more amazing than we could ever imagine. Thank you to Dr. William French and Cody Roper for setting aside time to assist us with photography. Without them behind the camera, the publication of this Apothecary issue would not have been possible.

We hope you will enjoy the commendable work of eight dedicated staff members as we bring you a look into the 2023-2024 school year here at the SWOSU College of Pharmacy. We wish to dedicate this publication to the Southwestern College of Pharmacy faculty, staff, alumni, and students. We congratulate this year's graduates and wish you all success in your professional careers.

Sincerely,
Dallas Johnson, Kenna Martinez,
and Ryann Richardson, Co-Editors

KAPPA EPSILON

KE KE KE KE KE KE KE KE KE KE

Zada M. Cooper founded The Kappa Epsilon Professional Pharmacy Fraternity in 1921 with the goal of uniting women in pharmacy. KE strives to cooperate with faculty, stimulate in its members a desire for high scholarship, foster professional consciousness, and provide a bond of lasting interest, loyalty, and friendship. The Alpha Beta chapter of Southwestern was founded in 1960. New members are initiated each semester. KE is an active organization in the College of Pharmacy and the community as a whole. They participate annually in Relay for Life, host charity dinners and volleyball games, and promote women’s health. Since 1921, KE has contributed not only on a personal level of its members, but also to its achievements on campuses and in the profession of pharmacy and will continue to do this for years to come.
