V. ANNOUNCEMENTS:

A. FS President South:

1. Nursing has selected Mattie Tolley as their senator. Welcome, Ms. Tolley!
2. Administrative Council 10/25 – a) With the reduction of many degree programs to 120 hours and in order to be consistent with the practice at many other universities, SWOSU has changed (effective immediately) the number of hours required for each classification. New requirements are 30/60/90 hours for soph/jun/sen status, respectively. b) Institutional Research is surveying selected students who applied (and were admitted) to SWOSU, but never enrolled. Results will aid in our marketing effort. c) Paraphrased quote from VP Fagan about budget: We have weathered the current crisis through aggressive tuition increases and enrollment increases, neither of which is sustainable in the long term. d) This year's Fact Book is out; 40% fewer hard copies were printed. It will soon be available on the website. e) Construction updates: Student Union asbestos removal begins Dec. 9. Wellness Center is on schedule and may actually be finished by April. University Bookstore opens in Rogers/Jefferson in the first week of December. f) Dr. Rice will retire effective 1/01/2005. Dr. Foust has been appointed interim Provost until a search can be completed.

From Provost Becker:

1. Nametags may not be in our desired format, due to space limitations.

2. (Motion 2004-09-02) Sayre will probably continue to be included in our P/T process. The administration feels confident that future FUTPRCs will be cognizant of the differences between the Sayre and Weatherford missions and teaching loads.
3. (Motion 2004-09-03) Deans will look at our motion on written policy for summer teaching and submit their opinion to the Provost for a decision.
(Motion 2004-09-04) Dr. Rice will submit an alternative policy to us regarding date of contract for summer teaching.
4. (Motion 2004-09-07) Definition of “early finals:” Faculty are free to administer finals to individual students at their discretion as long as the final is given during finals week. No finals may be given before finals week.
5. (Motion 2004-09-10) Dr. Rice will ask that the policy for making loans to cover expected financial aid be publicized in the “administrative drop” letter. She does not think it prudent (or legal) to tell students that they may attend class if dropped.

VI. REPORTS FROM STANDING AND AD HOC COMMITTEES:

- A. University Policies (Issues sent to committee: final exam schedule, final enrollment date issue, campus reorganization)

FS Motion 2004-10-01

It was moved and seconded to accept the Spring 2005 Finals Schedule as presented.

Rotation of Finals Schedule (including multi-sections that begin prior to 6:30p.m.) will be as follows:

- ⇒ Tuesday will rotate to Thursday**
- ⇒ The MWF final at the end of finals week for one semester moves forward to the earliest MWF time during the following semester (rotates clockwise for that time)**
- ⇒ 6:30p.m. or later scheduled exams will not rotate**
- ⇒ Multi-sections are at off peak class times**
- ⇒ There are 2 multi-sections for English Comp**

Every finals schedule will include the semester exam policies from the Faculty and Student Handbooks.

Modify #9 of the Faculty and Student Handbooks for “Semester Exam Policies” to read

9. NO EARLY FINALS. Early finals are any final given prior to 8:30a.m. on the Thursday of finals week. (Lab finals are scheduled prior to finals week.)

The motion passed by voice vote.

FS Motion 2004-10-02

It was moved and seconded that the final date to enroll or add classes for each semester will be the end of the 5th day of classes from the date university class work begins. Exempt from this deadline will be self-study, continuing education, and 2nd eight-week classes. Overrides for late enrollment will required the signature of the course instructor and the chair/associate dean. This date will be published in all literature and web resources provided to current and prospective students.

Rationale: Faculty evidence shows a strong link between attendance and class performance. Students beginning class more than one week late have a higher failure rate that adversely affects retention. Allowing students to enroll more than one week late send a message to students that they are not missing significant work in the first week of class and supports an attitude that class attendance does not have value.

Proposed Implementation Date: Fall 2005

The motion passed by voice vote.

FS Motion 2004-10-03

It was moved and seconded that the University Policies Committee begin developing a survey of faculty concerning opinions and attitudes about the campus reorganization.

The motion passed by voice vote.

2. “SO, WHAT IS GOOD TEACHING AND HOW CAN WE PROMOTE MORE OF IT?”
