

SWOSU Student Lunch with President Planned Friday

03.24.2015

SWOSU Student Government Association hosts a monthly luncheon with President Randy Beutler, and the March event is planned for Friday, March 27, on the Weatherford campus.

The lunch is free and open to SWOSU students and SGA senators. The 12 noon lunch will be held in the Bonny Board Room (second floor of the Memorial Student Center).

The date of the event changes each month but is announced on the calendar and at weekly SGA meetings. SGA President Taylor Kincanon said the lunches are informal, and the conversation usually involves President Beutler and one or two of the vice presidents answering questions about events or plans on campus or talking with students about ideas they may have.

Interested students can contact Kincanon at 580.02.4512 for more information.
