

Food Drive Planned by SWOSU Psychology Club

02.23.2007

The Southwestern Oklahoma State University Psychology Club is conducting a food drive on the Weatherford campus.

Drop boxes will be located in various buildings on the campus starting February 26 and continuing through March 16. All proceeds will go to the Weatherford Food Pantry.

Melissa Hall, member of the SWOSU Psychology Club, said anyone can bring non perishable items such as canned goods, macaroni and cheese and peanut butter, for example. Also, toilet paper and paper towels are also accepted and appreciated.

Hall said the club is hoping to reach a goal of 30 full boxes. The club also plans to donate \$100 to the pantry in addition to the food, if the goal of 30 boxes of food are met.
