

Great American Cleanup in Weatherford Seeking Volunteers

03.09.2011

Southwestern Oklahoma State University student and employee organizations as well as the general public are being invited to participate in the City of Weatherford's Great American Cleanup campaign on Saturday, April 30.

The Great American Cleanup (GAC) is the nation's largest annual cleanup, beautification, and community improvement program. The GAC in Weatherford is organized by the Green/Clean/Beautiful Committee, a sub-group of the Weatherford Environment Group.

The GAC will be held from 9 a.m. until 6 p.m. citywide. Groups are needed for cleanup sites and volunteers are also needed at recycling places that day.

"This year we are aiming at educating community members about the recycling opportunities currently available in Weatherford and encouraging the public to participate in a community-wide recycling collection," said Allyson Moore, chair of the Green/Clean/Beautiful Committee.
