

SWOSU Student Updating Campus Tree Map

03.04.2008

Kelsey Zybach

Southwestern Oklahoma State University student Kelsey Zybach of Briscoe, Texas, has been updating the SWOSU campus tree map and labeling trees on the Weatherford campus. The project, under the direction of Dr. Bill Seibert, is made possible by a SWOSU College of Arts and Sciences grant and the SWOSU Foundation. Dr. Gary Bell and Dr. Ric Baugher from the Department of Industrial & Engineering Technology are also assisting with the project. Zybach will produce a booklet that will have the campus tree map.
