

Timed WARP "Hurray for Hollywood" Event Rescheduled for March 5

02.28.2013

The 14th annual Timed Writing and Research Project (WARP) contest hosted by SWOSU-Sayre has been rescheduled to Tuesday, March 5.

The event was scheduled for February 26 but had to be postponed because of a snow storm.

The event is open to all high school juniors, who compete for SWOSU-Sayre scholarships.

WARP allows the participating students to receive valuable feedback on their research and writing skills. The Hollywood theme will be personified by the students viewing a short film then having to research topics and write a paper based on that film. The competing students have a full agenda of workshops, research and writing time before submitting their entry for judgment.

The event begins with registration at 8:30 a.m. and concludes at 2 p.m.
