SWOSU Not Hosting COVID Vaccination Clinic this Friday

Because of Southwestern Oklahoma State University Commencement activities taking place through May 2 at the Pioneer Cellular Event Center, there will not be a COVID vaccination clinic this Friday, April 30, on the Weatherford campus.

Dr. Randy Curry, coordinator of the SWOSU College of Pharmacy Rural Health Center, said the last large-scale clinic at SWOSU will be Friday, May 7, to finish up any second doses that area residents are needing. Any residents who receive first doses on May 7 will need to book a second appointment through the Oklahoma State Department of Health portal or by calling their local health department office.

If the need arises, Curry said the rural health center will be able to set up a small clinic for businesses or groups of students.

For addition information, contact the SWOSU Rural Health Center at 580.774.3025.
