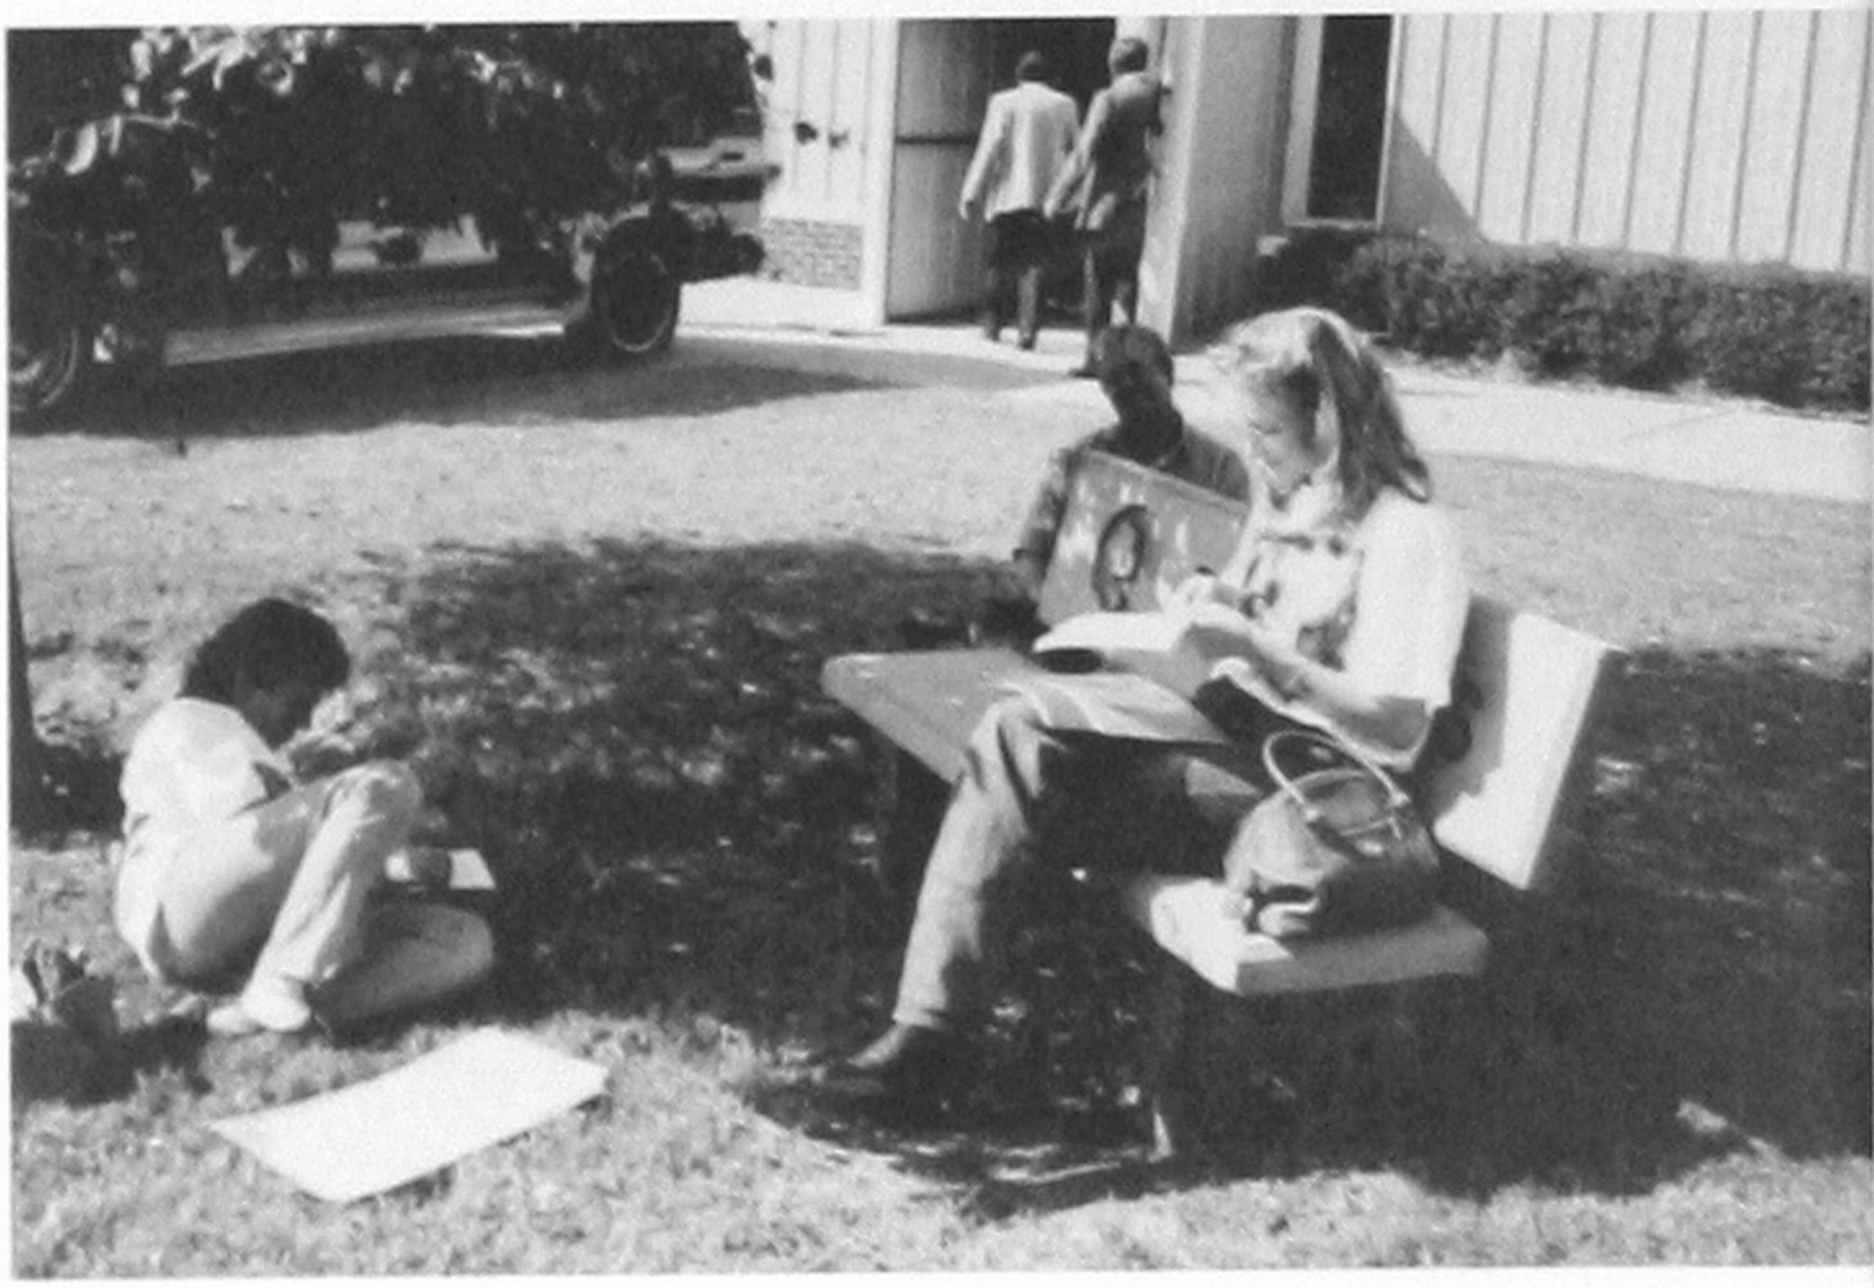
SOUTHWESTERN STYLE

Nobody wants to be in class on pretty days. Studying outdoors proves to be a favorite alternative.

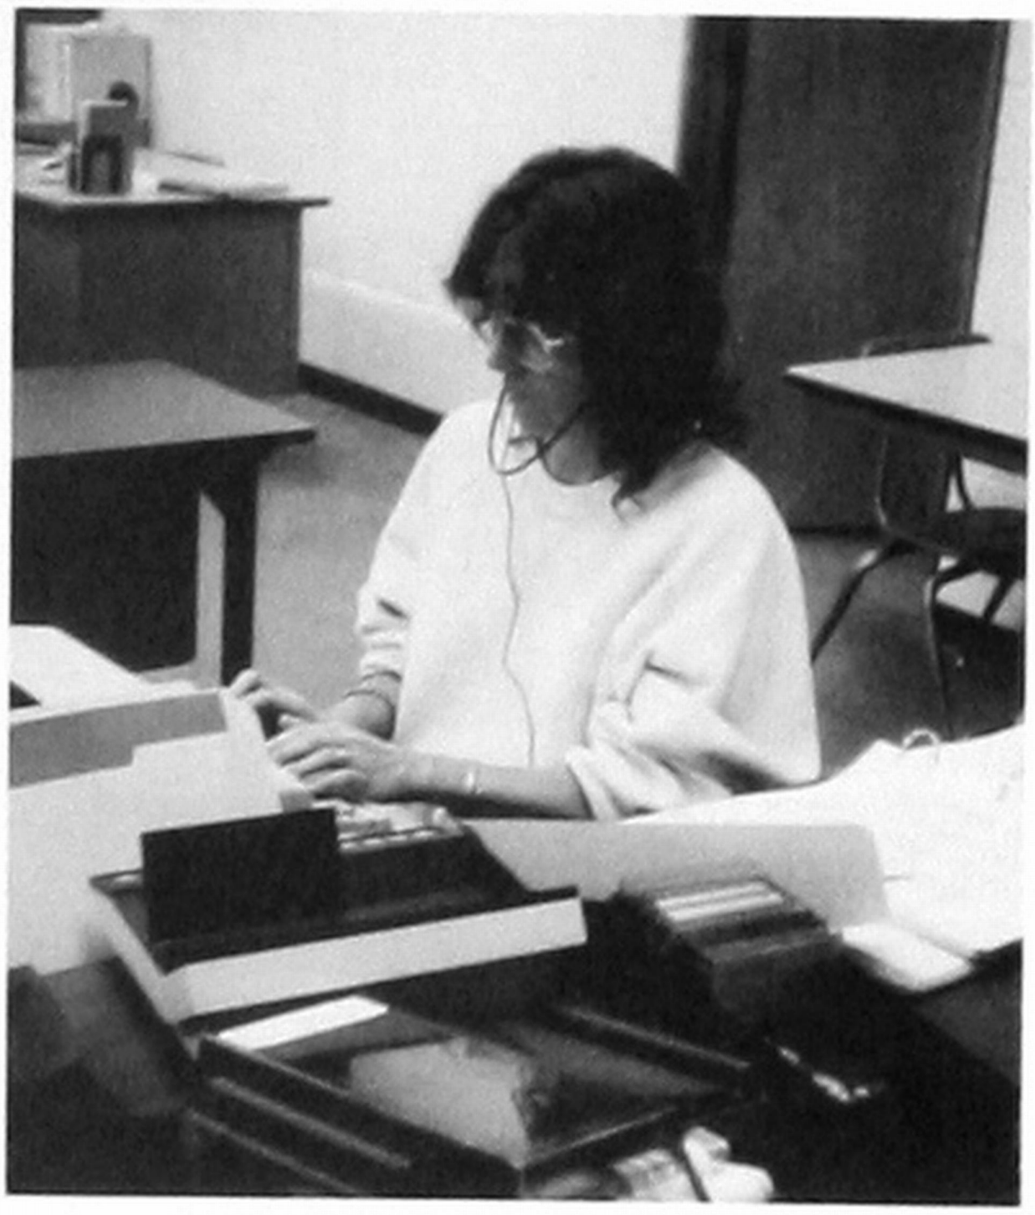


The Student Center is a great place to grab a meal, relax a minute or watch your favorite soaps.

You won't find the title of THAT book in our card catalog!

Joan, Kert, Leslie, and **Stephen** ponder the mysteries of computer technology.

One of the requirements in fundamentals of art is drawing to scale. **Linda Koebelen** proudly displays her class's composite drawing.



Carolyn Coots learns that transcription is a never-ending process.

What kind of look was on the photographer's face to put this kind of smile on our student's face?!?

STATE OF OKLAHOMA

April 23, 1992

To The Students and Faculty of Southwestern State,

Congratulations on another fine academic year completed. As a native of western Oklahoma, I am pleased to lend my words of good wishes as you celebrate the accomplishments of the 1991-92 term.

Growing up in Canute, my brothers and I all dreamed of expanding our knowledge beyond the scope of our immediate surroundings. Our parents and teachers were positive forces by encouraging our educational initiative, and as a result of a lot of hard work we all went on to fulfill our dreams for a college education.

I wouldn't trade my life at home on our family's farm, but the time I spent at the University of Oklahoma and later, at Harvard, opened my mind to a variety of intellectual and cultural experiences that has made my life even richer.

The price you pay in effort, above and beyond the material cost, for taking advantage of as much higher education as possible will afford tremendous dividends in your future. I urge you to continue to make a difference through your collective work at the university level, and I thank you for your outstanding commitment to helping to make Oklahoma the best state in the Nation.

Sincerely,

David Walters

The community of Sayre has a long, successful history of supporting the educational needs of its citizens. Since the merger in 1987 of Sayre Junior College and Southwestern Oklahoma State University, the educational horizon has been expanded to better serve western Oklahoma. Enrollment has increased by over 60 percent. Full-time equivalent faculty numbers are greater. Facilities have been renovated. Academic programs have been upgraded to meet accreditation standards, including regional accreditation by North Central Association.

The future of Southwestern at Sayre is most promising. Plans include an interactive video system to network the two campuses, the possibility of a cooperative nursing program of study, and the initiation of an assessment program that will provide enhanced counseling opportunities for the students.

Southwestern at Sayre is a vital part of our effort to serve western Oklahoma. The opportunities are many as we move toward the 21st century.

Activities

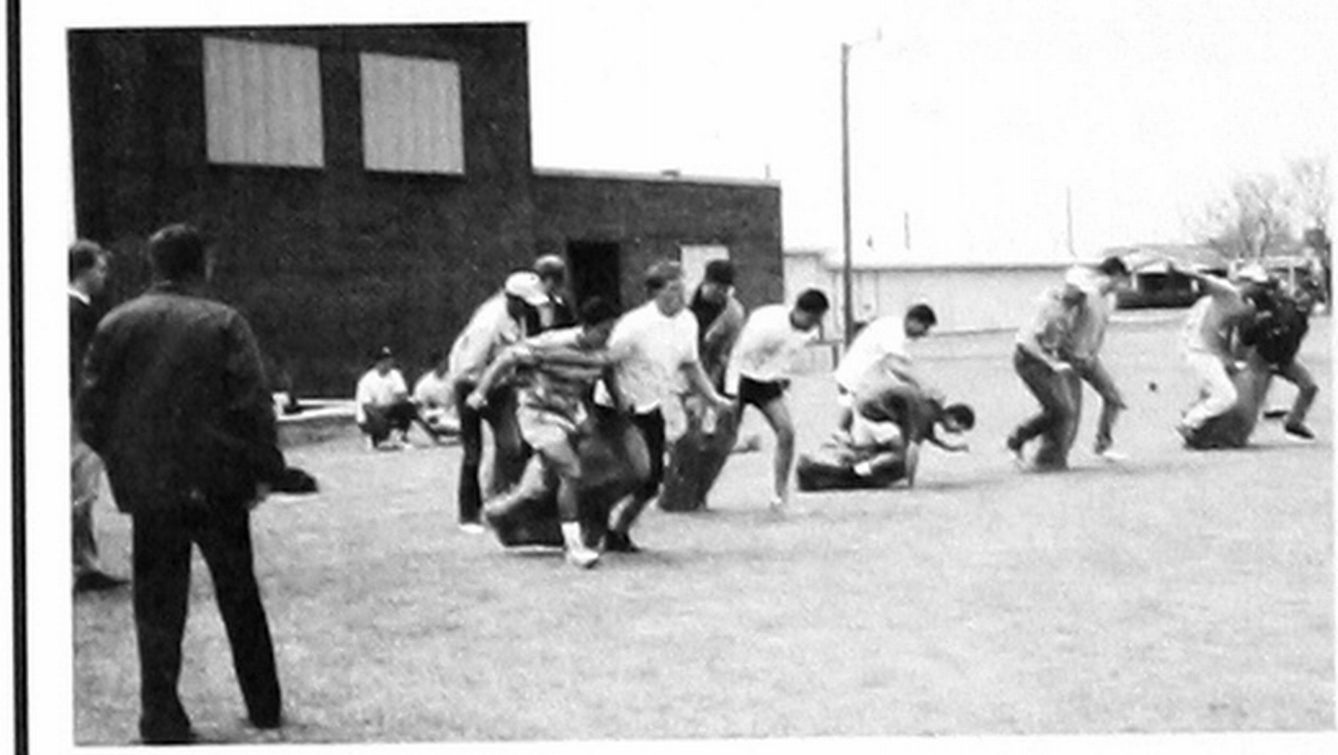
SOUTHWESTERN STYLE

STUDENT SENATE

The Sayre Campus Student Senate is an organization whose primary purpose is to promote good will within the student body by sponsoring those events and activities suggested by the students to their representatives in the Senate. Cookouts, playdays, assemblies, and campus improvements and beautification are traditional activities sponsored by the Student Senate.

Student Senate officers include: **Eric Wilhelm,** President; **Marti Atterberry,** Vice President; **Christi Hearn,** Secretary; **Sherry West, Connie Ousley,** and **Keri Livingston,** Sophomore Representatives; and **Melinda Fleshman** and **Alan Seachris,** Freshman Representatives. **Mr. Jim Crabb** is the faculty advisor.

The Student Senate officers and sponsor are very appreciative of the administrative support and the cooperation of the faculty in helping make senate-sponsored events successful.



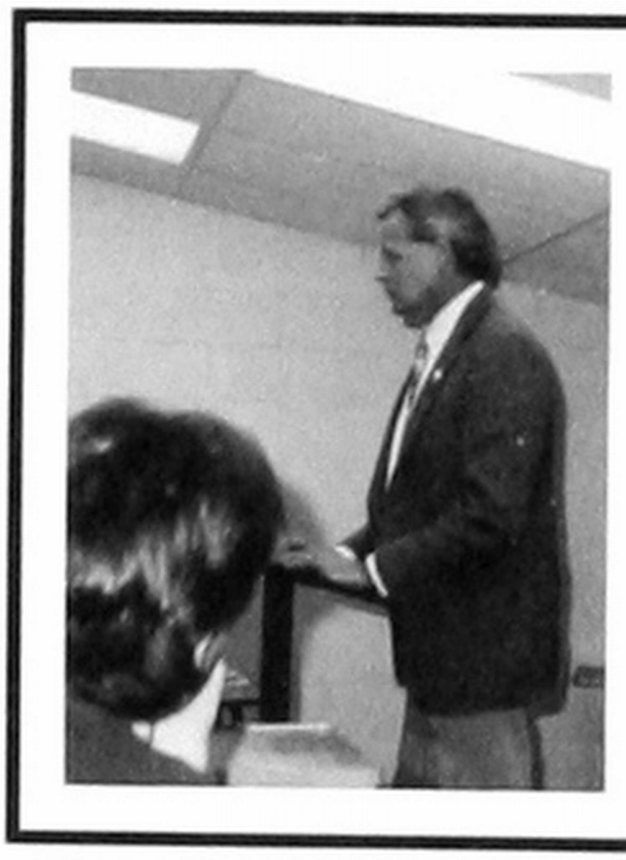
SOEA

Student Oklahoma Education Association provides future teachers an opportunity to belong to a teacher's organization which offers support in the form of training. It also provides liability protection which is advisable during classroom observations required in some education courses. Membership is open to any education major.

SOEA at SWOSU at Sayre has raffled a computer and sold Valentine carnations as fund raisers. The monies received from these ventures have been used for educational scholarships, promoting relations with the Weatherford SOEA chapter, and for members to attend the state SOEA convention.

Southwestern's SOEA Chapter, which includes members from both campuses, was named Oklahoma SOEA Chapter of the Year for 1992. The theme for their entry was "Together, We Did It."

Sayre campus SOEA officers include: **Lori Church,** Fall President; **Scott Latham,** Spring President; **Mike VanHoff,** Vice President; **Tamara Batterton,** Secretary; **Tresa Lane,** Treasurer; **James LeGrand,** Reporter; and **Mr. Tom Worley,** Faculty Advisor.



The Health Careers Club activities started with an open house in the new Conner Building. About 100 visitors came to tour the new medical technology building. Our members have participated in several community service projects. We helped with cholesterol screening in Clinton, Altus, Burns Flat and Cordell. We held two fund raisers that netted approximately $1,000. This money was used to help pay the expenses for our members to attend the state American Medical Technologists meeting in Oklahoma City and to give scholarships to some of the members. **D'Anna Oldham** was chosen as the MLT student of the year.

The officers include: (front, l to r) **Bob Cook,** Sophomore Representative; **Wes Blumer,** President; **Betty Hines,** Treasurer (back) **John Scott,** Freshman Representative; **Kim Dennis,** Sophomore Representative; **Wayne Batterton,** Freshman Representative; and **Rhonda Thompson,** Secretary.

CAMPUS PUBLICATIONS

The 91-92 SWOSU at Sayre Newsreporting I and II and Photography classes taught by **Michael McKinney** have accomplished many things. The members of these classes are most proud of the fact that they were able to publish their own newspaper with the aid of the new desk-top publishing system. It provides a place where students can come to study, talk, have lunch, or play a game of ping-pong or fooseball in a friendly environment. Some of the weekly activities include free lunches on Mondays, Wednesday Bible studies, and occasional fellowships.

Some other activities that students have an opportunity to participate in are weekend retreats, mission trips, sporting events, and conferences designed for college students and their needs.

The BSU president is **Scott Latham,** and the council members are **Cody Mills** and **Sherry West.**
