

3208

06:43:26.580 --> 06:43:33.210

The Mythopoeic Society: Stop at the introductory around there.

3209

06:43:33.310 --> 06:43:34.160

The Mythopoeic Society: It's big

3210

06:43:34.320 --> 06:43:35.760

The Mythopoeic Society: not now to speak.

3211

06:43:45.090 --> 06:43:47.510

The Mythopoeic Society: and we're logged in.

3212

06:43:48.320 --> 06:43:54.260

The Mythopoeic Society: Yeah, sure, sweet, good pictures of sea moody. And I read mostly books that are

3213

06:43:54.740 --> 06:43:57.050

The Mythopoeic Society: published as children's books.

3214

06:43:57.060 --> 06:43:59.289

The Mythopoeic Society: children's Fantasy, ya.

3215

06:43:59.360 --> 06:44:02.439

The Mythopoeic Society: team. I read them for me.

3216

06:44:03.170 --> 06:44:07.789

The Mythopoeic Society: so that says something about where the region is at

3217

06:44:08.790 --> 06:44:18.679

The Mythopoeic Society: Hello, and welcome to Midway Point, Minnesota, Tennessee. My name is Caroline Peter. We grew up on a farm in Minnesota. Try that for fun

3218

06:44:19.010 --> 06:44:22.610

The Mythopoeic Society: using among me.

3219

06:44:26.860 --> 06:44:27.799

The Mythopoeic Society: Do you remember

3220

06:44:28.130 --> 06:44:36.690

The Mythopoeic Society: here with one of the smartest women I know in the business?

3221

06:44:37.130 --> 06:44:41.189

The Mythopoeic Society: You've you've been up here in Minnesota.

3222

06:44:46.600 --> 06:44:49.460

The Mythopoeic Society: Asian runs out of it

3223

06:44:49.630 --> 06:44:50.750

The Mythopoeic Society: 6, 7

3224

06:45:02.000 --> 06:45:03.010

The Mythopoeic Society: business.

3225

06:45:11.330 --> 06:45:12.270

The Mythopoeic Society: All right.

3226

06:45:14.340 --> 06:45:16.220

The Mythopoeic Society: You've started it.

3227

06:45:19.430 --> 06:45:20.180

The Mythopoeic Society: I don't know

3228

06:45:20.530 --> 06:45:23.949

The Mythopoeic Society: what influence has this

3229

06:45:24.150 --> 06:45:28.529

The Mythopoeic Society: midwestern meal you had, if any. Do you think on your writing?

3230

06:45:30.810 --> 06:45:36.769

The Mythopoeic Society: Well, I mean so much.

3231

06:45:37.180 --> 06:45:39.310

The Mythopoeic Society: and it

3232

06:45:40.847 --> 06:45:47.060

The Mythopoeic Society: probably in Minneapolis, and probably another 2,

3233

06:45:47.120 --> 06:45:50.040

The Mythopoeic Society: the world of magic kind of slops into

3234

06:45:50.220 --> 06:45:52.970

The Mythopoeic Society: Minneapolis, which means that

3235

06:45:53.280 --> 06:45:54.430

The Mythopoeic Society: the

3236

06:45:54.520 --> 06:45:58.820

The Mythopoeic Society: heroin has changed our little

3237

06:46:02.040 --> 06:46:04.870

The Mythopoeic Society: which is fine

3238

06:46:06.230 --> 06:46:08.220

The Mythopoeic Society: on 49

3239

06:46:08.580 --> 06:46:10.589

The Mythopoeic Society: woman in the army.

3240

06:46:12.205 --> 06:46:17.700

The Mythopoeic Society: There was a ravine ground sinking.

3241

06:46:18.150 --> 06:46:21.799

The Mythopoeic Society: We need to have a boardroom landscape, but

3242

06:46:22.210 --> 06:46:26.340

The Mythopoeic Society: landscape one should be mostly in each.

3243

06:46:26.670 --> 06:46:31.129

The Mythopoeic Society: We sent her a number, basically.

3244

06:46:31.460 --> 06:46:33.610

The Mythopoeic Society: And I think the thing

3245

06:46:34.150 --> 06:46:36.769

The Mythopoeic Society: view the person shaft

3246

06:46:37.360 --> 06:46:41.000

The Mythopoeic Society: that the aliens were convincingly alien.

3247

06:46:41.480 --> 06:46:45.820

The Mythopoeic Society: and I had at least one person from Wisconsin City.

3248

06:46:47.310 --> 06:46:51.669

The Mythopoeic Society: So just bachelor.

3249

06:47:00.040 --> 06:47:02.800

The Mythopoeic Society: Yeah, I think I think we're more

3250

06:47:04.200 --> 06:47:05.800

The Mythopoeic Society: morning.

3251

06:47:06.190 --> 06:47:15.849

The Mythopoeic Society: This novel is set in space. But one character is from Chicago, and one human character, and the other one is from Nebraska.

3252

06:47:16.010 --> 06:47:19.499

The Mythopoeic Society: So I tend to kind of come back

3253

06:47:19.890 --> 06:47:22.130

The Mythopoeic Society: to the Midwest over again.

3254

06:47:22.540 --> 06:47:25.060

The Mythopoeic Society: actually got almost 9 of them alive

3255

06:47:26.890 --> 06:47:29.300

The Mythopoeic Society: and drums.

3256

06:47:29.550 --> 06:47:34.909

The Mythopoeic Society: And so I'm looking athletic. I've lived my whole life in the Midwest

3257

06:47:36.460 --> 06:47:37.680

The Mythopoeic Society: and

3258

06:47:37.860 --> 06:47:44.229

The Mythopoeic Society: just react to to some of your comment. I have a friend who was writing

3259

06:47:44.320 --> 06:47:51.819

The Mythopoeic Society: book that partly in North Dakota and partly in fantasy universe, and after the the series was.

3260

06:47:52.020 --> 06:47:58.000

The Mythopoeic Society: you know, about a survey? He said. All the letters that he got were people on the posts

3261

06:47:58.030 --> 06:48:11.350

The Mythopoeic Society: wanting to know more about the North Dakota town which they thought was really boring, and wanted to get straight into the fantasy world. But that was all they wanted to know about, because to them it was strange and weird.

3262

06:48:11.370 --> 06:48:15.459

The Mythopoeic Society: and and that has really struggled with me. I have

3263

06:48:16.730 --> 06:48:30.969

The Mythopoeic Society: not really done things in the Midwest until you know. More recently, the last couple of of things that I've done, and even there Darfurf's daughter begins with the family and stuff there.

3264

06:48:31.100 --> 06:48:39.639

The Mythopoeic Society: but then it dumps them rather rapidly into the universe where? No, we're not going to get from anything.

3265

06:48:39.730 --> 06:48:44.770

The Mythopoeic Society: And so I'm not going to spend a lot more.

3266

06:48:47.950 --> 06:48:50.740

The Mythopoeic Society: I'm going to capture this as it comes time.

3267

06:48:51.470 --> 06:49:03.810

The Mythopoeic Society: I, with pat reading, wrote, I wrote half of the Cecilia and Kate books, Starr in Cecilia and its sequels. I set my novel Rip rats in the specific area

3268

06:49:03.820 --> 06:49:17.819

The Mythopoeic Society: that I grew up in right along the Upper Mid, Mississippi River and College of Magics, when the protagonist moved home, was a lot to my home landscape, and I will say I would call the influence, I think

3269

06:49:18.220 --> 06:49:20.460

The Mythopoeic Society: what I find to be most

3270

06:49:22.550 --> 06:49:30.539

The Mythopoeic Society: impressive of that is actually a word by a Floridian, Thomas little Petty, who said he couldn't quote, thinking

3271

06:49:31.590 --> 06:49:35.519

The Mythopoeic Society: there was a little more life somewhere else.

3272

06:49:39.810 --> 06:50:00.290

The Mythopoeic Society: So yeah, I I've lived my entire life in this. If you take a map and you start with Michigan and you go this way to Minnesota, and then you click that, and it goes great. That's just, I think, lives in that rectangle pretty

much my whole life, except for one tiny stint in Wyoming, which we don't both.

3273

06:50:00.340 --> 06:50:03.630

The Mythopoeic Society: Yeah, what's the thing. So some.

3274

06:50:03.660 --> 06:50:25.799

The Mythopoeic Society: The beginning asked me to be on this panel because I wrote a novel station, and it's kind of my love letter to Minneapolis. I had moved here in 99, and about 2,002, 2,003. I'm standing at Lake Harry, and one of those street curves comes rolling up behind me, and I'm going around. And I looked at this big, beautiful street.

3275

06:50:25.800 --> 06:50:36.029

The Mythopoeic Society: and I had the thought of as long as one street core runs somewhere in Minneapolis, then the entire system will work on the reality.

3276

06:50:36.180 --> 06:50:39.879

The Mythopoeic Society: And so that kind of got Mr. Red. Nice

3277

06:50:40.460 --> 06:50:54.520

The Mythopoeic Society: urban fantasy open, and and that book was one. But I actually veered off in the pulp and weird Western. But I still with the real history, can't see that. So that's the case and

3278

06:50:54.530 --> 06:51:10.760

The Mythopoeic Society: medicine, Iowa, Nebraska, Kansas, Oklahoma. I did step into New Mexico. One for one we don't talk about that. Yeah. The midwest influence that I primarily see is is the influence that my grandparents, who were died in the Wolf Midwesterners.

3279

06:51:10.970 --> 06:51:20.949

The Mythopoeic Society: Again. He was my grandfather was from Michigan. My grandmother was originally from somewhere in Iowa I can't remember, was just the the quiet.

3280

06:51:21.520 --> 06:51:22.430

The Mythopoeic Society: confident.

3281

06:51:23.140 --> 06:51:28.410

The Mythopoeic Society: like the it doesn't get flustered. They're just quietly competent at a whole bunch of stuff

3282

06:51:29.200 --> 06:51:38.860

The Mythopoeic Society: it, which is really bad, because it also puts buttons in you when you're raised like that, that you know, it's great to enjoy your products because you're like.

3283

06:51:43.295 --> 06:51:47.019

The Mythopoeic Society: you know, Central Ohio. For

3284

06:51:47.040 --> 06:51:50.900

The Mythopoeic Society: people. I was pretty flat.

3285

06:51:51.650 --> 06:51:53.120

The Mythopoeic Society: so it was like.

3286

06:51:53.780 --> 06:51:58.490

The Mythopoeic Society: sort of the same.

3287

06:51:59.153 --> 06:52:02.539

The Mythopoeic Society: Am I going to happen to escape

3288

06:52:02.560 --> 06:52:04.610

The Mythopoeic Society: into escape rooms.

3289

06:52:06.470 --> 06:52:10.410

The Mythopoeic Society: both departmentally and financially.

3290

06:52:11.136 --> 06:52:11.843

The Mythopoeic Society: Network.

3291

06:52:12.760 --> 06:52:13.860

The Mythopoeic Society: it was

3292

06:52:15.120 --> 06:52:17.000

The Mythopoeic Society: but no

3293

06:52:17.510 --> 06:52:22.469

The Mythopoeic Society: thousands. We just had the Lord of the Rings Physio.

3294

06:52:23.020 --> 06:52:24.250

The Mythopoeic Society: Hello!

3295

06:52:25.240 --> 06:52:27.210

The Mythopoeic Society: On this department of Home

3296

06:52:27.850 --> 06:52:29.984

The Mythopoeic Society: Bridget miners I had been reading

3297

06:52:30.830 --> 06:52:34.580

The Mythopoeic Society: hoping with one Gretchen with another with his tube.

3298

06:52:35.308 --> 06:52:40.249

The Mythopoeic Society: We're going back to the landscapes of their time.

3299

06:52:40.640 --> 06:52:52.409

The Mythopoeic Society: and I think I have really happy memories of moving around as a kid in the woods all that stuff at that period of my life.

3300

06:52:52.530 --> 06:52:57.449

The Mythopoeic Society: And so I said, Let's let's do this transformation. Yeah, I will do

3301

06:52:57.560 --> 06:52:59.760

The Mythopoeic Society: project or something.

3302

06:53:00.060 --> 06:53:01.330

The Mythopoeic Society: Token doesn't.

3303

06:53:02.010 --> 06:53:05.559

The Mythopoeic Society: But we use a platform. We just

3304

06:53:08.220 --> 06:53:17.900

The Mythopoeic Society: oh, from another variable, like reverse

3305

06:53:18.560 --> 06:53:28.799

The Mythopoeic Society: farmer, and that was the fear of that that story. Looking to do something I can use it.

3306

06:53:34.780 --> 06:53:35.910

The Mythopoeic Society: You're wondering

3307

06:53:36.370 --> 06:53:40.770

The Mythopoeic Society: brings up for me. Is that growing up in the Midwest.

3308

06:53:41.460 --> 06:53:46.920

The Mythopoeic Society: I realized rather late in life that one of the things that has given me

3309

06:53:47.110 --> 06:53:52.380

The Mythopoeic Society: in my thoughts. There's certainly an awareness of where food comes from.

3310

06:53:54.150 --> 06:53:58.819

The Mythopoeic Society: When I was a kid, and the alarm went off for me to go to school.

3311  
06:53:59.000 --> 06:54:00.530  
The Mythopoeic Society: the radio went off.

3312  
06:54:00.710 --> 06:54:02.280  
The Mythopoeic Society: and what came on

3313  
06:54:02.350 --> 06:54:05.350  
The Mythopoeic Society: with this week.

3314  
06:54:05.830 --> 06:54:11.850  
The Mythopoeic Society: because that was what was on at that time of the moment. You did.

3315  
06:54:12.554 --> 06:54:21.789  
The Mythopoeic Society: You know it. It is just the the awareness, the constant awareness, and even now I mean, I listen to the the weather reports.

3316  
06:54:22.410 --> 06:54:27.960  
The Mythopoeic Society: and one of the things that that I hear in the weather

3317  
06:54:28.010 --> 06:54:47.639  
The Mythopoeic Society: reports it frequently. Well, you know, what's it's gonna be a rainy weekend, you know, the farmers need the rain, you know. It's gonna be a really nice weekend, and we've had so much rain this month that it's going to be. The farmers are ready for it and not be rainy, and you know there's there's that awareness of where that comes from. We

3318  
06:54:48.520 --> 06:54:53.329  
The Mythopoeic Society: people who grew up in New York City don't seem to have.

3319  
06:54:55.400 --> 06:55:00.120  
The Mythopoeic Society: Are you planning that all of you does not play.

3320  
06:55:01.850 --> 06:55:05.130  
The Mythopoeic Society: I'm afraid you burst your mouth, and

3321  
06:55:07.340 --> 06:55:17.250  
The Mythopoeic Society: we need to landscape. We've touched very lightly on landscape. We we could one day.

3322  
06:55:19.160 --> 06:55:23.460  
The Mythopoeic Society: Well, we don't have the weather we used to I can't remember.

3323

06:55:24.480 --> 06:55:26.669

The Mythopoeic Society: I can't remember the last time.

3324

06:55:27.100 --> 06:55:27.880

The Mythopoeic Society: Well.

3325

06:55:28.516 --> 06:55:29.550

The Mythopoeic Society: it's true.

3326

06:55:30.130 --> 06:55:30.925

The Mythopoeic Society: and

3327

06:55:35.230 --> 06:55:46.909

The Mythopoeic Society: well, we have a lot of weather in Minnesota. Which is the kind of classic mid continent. Kind of weather we have. We don't have hurricanes.

3328

06:55:46.940 --> 06:55:49.130

The Mythopoeic Society: we have hot, humid summers.

3329

06:55:49.190 --> 06:55:52.569

The Mythopoeic Society: Our winters used to be bitterly cold and are now

3330

06:55:53.280 --> 06:55:54.630

The Mythopoeic Society: kind of mild.

3331

06:55:56.430 --> 06:56:01.470

The Mythopoeic Society: comparison. Yeah. Tornadoes now and then.

3332

06:56:02.358 --> 06:56:05.430

The Mythopoeic Society: Some really spectacular thunderstorms.

3333

06:56:07.800 --> 06:56:09.570

The Mythopoeic Society: yeah, it's it's

3334

06:56:11.110 --> 06:56:14.452

The Mythopoeic Society: and I I certainly have written about

3335

06:56:16.111 --> 06:56:19.718

The Mythopoeic Society: snow and blizzards, which are

3336

06:56:22.360 --> 06:56:28.289

The Mythopoeic Society: pretty impressive. When I grew up in Minneapolis

3337

06:56:28.330 --> 06:56:33.440

The Mythopoeic Society: and a storm in Minneapolis a winter storm is

3338

06:56:33.850 --> 06:56:35.470

The Mythopoeic Society: impressive.

3339

06:56:35.880 --> 06:56:41.830

The Mythopoeic Society: but when you get out into rural areas, impressive turns into deadly

3340

06:56:42.960 --> 06:56:49.210

The Mythopoeic Society: I used to work with a guy who was from around Pipestone, in Western Minnesota.

3341

06:56:49.220 --> 06:56:59.560

The Mythopoeic Society: and he was with a bunch of people from his job in, I think, at the Science Museum in St. Paul, and they decided that they were going to drive out

3342

06:57:00.120 --> 06:57:03.990

The Mythopoeic Society: to Western Minnesota was a thorn man.

3343

06:57:04.150 --> 06:57:19.479

The Mythopoeic Society: and coming from there, he said, No, it's going to be driving is going to be too rough. Nonsense. We're Minnesotans. We can handle anything. They got a little west of the Twin Cities turned around and came back because you can die

3344

06:57:19.680 --> 06:57:22.539

The Mythopoeic Society: out on the prairie in a stone room.

3345

06:57:24.300 --> 06:57:26.770

The Mythopoeic Society: And that's the

3346

06:57:28.680 --> 06:57:31.529

The Mythopoeic Society: you. You carry a sleeping bag in your car.

3347

06:57:32.050 --> 06:57:53.729

The Mythopoeic Society: You carry a candle like a bulk load of candle to provide heat. You have chocolate for some food, you have water, you have that, and there are probably other things I haven't thought of. You have that in your car in the winter. Yes, yes.

3348

06:57:54.676 --> 06:57:56.350

The Mythopoeic Society: each of

3349

06:57:57.900 --> 06:57:59.290

The Mythopoeic Society: you think

3350

06:58:00.820 --> 06:58:11.960

The Mythopoeic Society: kind of nice in some ways. You one of the things I think about nice. What's nice about a blizzard? I think one of the reasons that Minnesotans are compoundingly

3351

06:58:11.980 --> 06:58:18.819

The Mythopoeic Society: community oriented is that. We are all united in face of the weather.

3352

06:58:19.220 --> 06:58:27.029

The Mythopoeic Society: and you know, if if your car is stuck and a bunch of guys show up who you've never seen before, and put it out.

3353

06:58:27.220 --> 06:58:30.589

The Mythopoeic Society: or if some stranger appears to give you a job.

3354

06:58:30.860 --> 06:58:38.339

The Mythopoeic Society: that's a very reassuring feeling and a very friendly feeling both of the enemies in Minnesota.

3355

06:58:38.830 --> 06:58:40.310

The Mythopoeic Society: Most

3356

06:58:40.480 --> 06:58:43.341

The Mythopoeic Society: an awful lot of them are weather.

3357

06:58:45.060 --> 06:58:52.939

The Mythopoeic Society: So you described to me once was, we live in a state where for 6 months of the year.

3358

06:58:52.950 --> 06:58:55.059

The Mythopoeic Society: The weather is trying to kill you

3359

06:58:55.880 --> 06:58:56.770

The Mythopoeic Society: best.

3360

06:59:02.380 --> 06:59:08.079

The Mythopoeic Society: The papers are long. Another reason why so many novelists from here

3361

06:59:09.260 --> 06:59:18.819

The Mythopoeic Society: I don't know if I like. Eleanor made the distinction between rural and urban weather, because

there are snow days on a dairy farm, I promise you that.

3362

06:59:19.109 --> 06:59:22.880

The Mythopoeic Society: You know you don't get to do sledding accounts still need to be milled.

3363

06:59:24.010 --> 06:59:28.300

The Mythopoeic Society: And I wanted to express my feeling that

3364

06:59:28.790 --> 06:59:31.350

The Mythopoeic Society: fantasy is particularly

3365

06:59:31.830 --> 06:59:44.599

The Mythopoeic Society: convenience. The life we have here, because there is that sense in fantasy of something that is, that is going away. Something beautiful is being lost. And in in

3366

06:59:44.730 --> 06:59:56.279

The Mythopoeic Society: once you've been here 12 months when September comes along and the light changes, and October comes along, and the trees change with every 15Â min that pass.

3367

06:59:56.510 --> 06:59:59.350

The Mythopoeic Society: You know something beautiful is going to be lost.

3368

06:59:59.620 --> 07:00:00.590

The Mythopoeic Society: and

3369

07:00:00.990 --> 07:00:03.120

The Mythopoeic Society: winter is coming.

3370

07:00:03.390 --> 07:00:04.490

The Mythopoeic Society: Show me?

3371

07:00:07.610 --> 07:00:09.339

The Mythopoeic Society: Yeah, so wouldn't know.

3372

07:00:09.470 --> 07:00:14.860

The Mythopoeic Society: And I mean, what's you know what broke you the most?

3373

07:00:14.890 --> 07:00:27.119

The Mythopoeic Society: You all have seasons, and mostly what we have is, it is very, very cold and over icy, like you don't talk about your well, you know we had 3 inches. Bumps.

3374

07:00:30.570 --> 07:00:39.939

The Mythopoeic Society: like my favorite season in Minnesota is fall like you, said October. Everything changes. My favorite season in Oklahoma was spring, because everything was cool and green before

3375

07:00:40.060 --> 07:00:43.720

The Mythopoeic Society: someone came and burned everything to a crisp.

3376

07:00:44.590 --> 07:00:46.020

The Mythopoeic Society: Yeah, whether

3377

07:00:46.630 --> 07:00:53.349

The Mythopoeic Society: as a kid, same thing with the clock radio clock radio would go over my room, and and it would be like

3378

07:00:54.300 --> 07:00:55.650

The Mythopoeic Society: hog futures.

3379

07:00:55.970 --> 07:01:05.019

The Mythopoeic Society: or, you know, wheat futures. It was always about the agriculture, and then followed by the weather, that sort of thing, and so you.

3380

07:01:05.250 --> 07:01:19.510

The Mythopoeic Society: The weather is a character. If if you're writing in the Midwest at all, I feel like the weather absolutely needs to be a character in the book, because yes, in Oklahoma, summer is trying to kill

3381

07:01:20.061 --> 07:01:32.140

The Mythopoeic Society: and each State has things besides the weather that are trying to kill you in in Minnesota. They're usually large, like bears or moose, or something like that in Oklahoma. They fall into your boots and sting you like scorpions.

3382

07:01:32.290 --> 07:01:36.150

The Mythopoeic Society: but something is trying to kill you at all times. So

3383

07:01:38.620 --> 07:01:41.530

The Mythopoeic Society: weather is like, I don't know whether, except

3384

07:01:41.570 --> 07:01:46.849

The Mythopoeic Society: 10 degrees warmer at all times. So yeah, it wasn't that big of a transition for me.

3385

07:01:47.020 --> 07:01:59.810

The Mythopoeic Society: I might. I was the second television weatherman in the country, starting in 1,952, when he was, you know.

3386

07:02:01.010 --> 07:02:01.930

The Mythopoeic Society: so

3387

07:02:08.820 --> 07:02:09.620

The Mythopoeic Society: thousands.

3388

07:02:11.190 --> 07:02:21.580

The Mythopoeic Society: 2 trillion of things.

3389

07:02:21.710 --> 07:02:24.410

The Mythopoeic Society: One second, it was used to

3390

07:02:24.570 --> 07:02:33.649

The Mythopoeic Society: actually 15Â min to tell the teachers which really are willing to the audiences in the course of the show. Calm them down.

3391

07:02:33.700 --> 07:02:34.325

The Mythopoeic Society: But

3392

07:02:35.400 --> 07:02:45.069

The Mythopoeic Society: when I go picking, whether in terms of my other one.

3393

07:02:48.280 --> 07:02:52.360

The Mythopoeic Society: others would be limited.

3394

07:02:53.160 --> 07:02:53.870

The Mythopoeic Society: Yeah.

3395

07:03:04.960 --> 07:03:10.640

The Mythopoeic Society: and woke up because I don't want you guys to sleep like

3396

07:03:14.250 --> 07:03:23.279

The Mythopoeic Society: it doesn't have to be specifically weather, but something specifically midway through that. The moment you noticed it, you thought, oh, I am putting that in the bowl.

3397

07:03:28.730 --> 07:03:31.610

The Mythopoeic Society: about the sharing knife, you know. It's like

3398

07:03:34.930 --> 07:03:46.680

The Mythopoeic Society: what's sniffing on their feet. That was something.

3399  
07:03:55.350 --> 07:03:59.129  
The Mythopoeic Society: so it's just a music of a lot of manual wholesale.

3400  
07:03:59.300 --> 07:04:00.650  
The Mythopoeic Society: stupid.

3401  
07:04:06.880 --> 07:04:09.139  
The Mythopoeic Society: simple. So yeah, there's

3402  
07:04:09.610 --> 07:04:12.370  
The Mythopoeic Society: one of the things like, I'll just.

3403  
07:04:12.420 --> 07:04:16.420  
The Mythopoeic Society: I think for me the middle of anything.

3404  
07:04:20.380 --> 07:04:24.469  
The Mythopoeic Society: I'm feelings of food.

3405  
07:04:25.540 --> 07:04:28.489  
The Mythopoeic Society: you know. Of course, the ensuring. Further, we should be released.

3406  
07:04:30.140 --> 07:04:35.220  
The Mythopoeic Society: so so that that launch new baby Reboots

3407  
07:04:35.260 --> 07:04:36.440  
The Mythopoeic Society: schedule.

3408  
07:04:37.720 --> 07:04:41.220  
The Mythopoeic Society: He went and went into those bulls and mosquitoes.

3409  
07:04:41.310 --> 07:04:43.043  
The Mythopoeic Society: Thank you. Thank you. People

3410  
07:04:53.180 --> 07:04:58.359  
The Mythopoeic Society: who was yeah.

3411  
07:05:01.430 --> 07:05:04.720  
The Mythopoeic Society: All all of those in the Midwest

3412  
07:05:05.510 --> 07:05:06.550

The Mythopoeic Society: probably

3413

07:05:07.640 --> 07:05:10.170

The Mythopoeic Society: for for drama

3414

07:05:10.190 --> 07:05:11.760

The Mythopoeic Society: in dramatic effect

3415

07:05:12.990 --> 07:05:15.710

The Mythopoeic Society: is tornadoes. I mean, you talk about your

3416

07:05:15.830 --> 07:05:28.325

The Mythopoeic Society: you're here, you know, and the the globe will kill you, and the blizzard will kill you.

3417

07:05:29.110 --> 07:05:36.450

The Mythopoeic Society: But I may have been through a fair number of pretty violent coordinators, and

3418

07:05:36.480 --> 07:05:39.870

The Mythopoeic Society: we've moved into the city from North America.

3419

07:05:40.270 --> 07:05:47.430

The Mythopoeic Society: Very good, old woman, and you step outside and you laugh.

3420

07:05:48.040 --> 07:05:48.860

The Mythopoeic Society: Yeah.

3421

07:05:49.450 --> 07:05:53.810

The Mythopoeic Society: it's always the men that do this, which is where they do not live as long as the women.

3422

07:05:55.020 --> 07:06:01.570

The Mythopoeic Society: So. But but there's there's such a force of nature. Yeah, I

3423

07:06:02.290 --> 07:06:04.570

The Mythopoeic Society: like, I just I don't know. I mean

3424

07:06:04.650 --> 07:06:08.550

The Mythopoeic Society: wizards. I can't come to play for, and things you see coming.

3425

07:06:08.680 --> 07:06:17.479

The Mythopoeic Society: But in tornado season in Oklahoma, just all of a sudden the sky is getting hit. You know this kind of sticking things up. In 3 months

3426  
07:06:17.590 --> 07:06:19.239  
The Mythopoeic Society: it went through.

3427  
07:06:19.370 --> 07:06:23.829  
The Mythopoeic Society: We'll give everything button shit

3428  
07:06:23.920 --> 07:06:28.220  
The Mythopoeic Society: with all the animals in it. The former women got their own

3429  
07:06:28.510 --> 07:06:29.190  
The Mythopoeic Society: happening.

3430  
07:06:29.480 --> 07:06:36.380  
The Mythopoeic Society: you know. You know we you would find you would find your cow perfectly fine, a perfectly fine milk cow

3431  
07:06:36.680 --> 07:06:52.090  
The Mythopoeic Society: 3 quarters of a mile away, and my neighbors, you know, gardens much. Yeah. So so, yeah, for dramatic.

3432  
07:06:58.456 --> 07:07:02.769  
The Mythopoeic Society: That's fantastic.

3433  
07:07:05.240 --> 07:07:11.730  
The Mythopoeic Society: So so, yeah, so tornadoes for dramatic. I also had the same feeling. The 1st time I saw the Lake Superior like, really

3434  
07:07:11.740 --> 07:07:21.559  
The Mythopoeic Society: got up north and stood there with thinking, deep in full water, looking at this lake. Couldn't hear any traffic. There was no on it or anything. And I'm just like.

3435  
07:07:22.130 --> 07:07:25.520  
The Mythopoeic Society: Oh, this is something special. I have to use this phone

3436  
07:07:26.300 --> 07:07:27.400  
The Mythopoeic Society: you're using.

3437  
07:07:28.700 --> 07:07:32.639  
The Mythopoeic Society: I haven't had a chance to use it yet, but I used to work for the Star program

3438

07:07:32.700 --> 07:07:37.599

The Mythopoeic Society: and I 8 previous job. I worked at a Stockton

3439

07:07:37.970 --> 07:07:42.570

The Mythopoeic Society: in downtown Minneapolis and I lived in close enough that I can cross country ski

3440

07:07:42.840 --> 07:07:44.330

The Mythopoeic Society: when

3441

07:07:44.580 --> 07:07:53.180

The Mythopoeic Society: there was some snow that had fallen since the previous day, that you couldn't cover the bridge across the little lake and flooring purposes.

3442

07:07:53.490 --> 07:07:54.859

The Mythopoeic Society: I can handle it.

3443

07:07:55.220 --> 07:08:13.669

The Mythopoeic Society: And then I discovered that at the old start reviewing building the policemen were not allowed to go home, and the weather report that the surpass was for a certain level of security. They had camp beds set up, and if you were a critical person for the smooth wheel for you.

3444

07:08:14.190 --> 07:08:19.209

The Mythopoeic Society: Wow! The 1st thing I thought of

3445

07:08:19.941 --> 07:08:25.348

The Mythopoeic Society: I thought it was the mosquitoes. Oh, sorry to grab that

3446

07:08:26.100 --> 07:08:32.839

The Mythopoeic Society: The 1st thing that psychopathy that I thought of in person was allergies.

3447

07:08:33.556 --> 07:08:41.469

The Mythopoeic Society: Because so many people are. We're doing so many people in the Middle East. I mean, there's so much

3448

07:08:42.739 --> 07:08:48.259

The Mythopoeic Society: pollen! And somebody is like there's no small

3449

07:08:48.370 --> 07:08:53.610

The Mythopoeic Society: had allergies to snow on. My dad had really bad allergies all his life.

3450

07:08:54.339 --> 07:09:00.329

The Mythopoeic Society: Luckily, today. Kind of a warm up, I guess, as he's previously.

3451  
07:09:00.400 --> 07:09:06.180  
The Mythopoeic Society: but but I mean, like they want.

3452  
07:09:06.370 --> 07:09:08.659  
The Mythopoeic Society: He was also losing business.

3453  
07:09:10.460 --> 07:09:16.499  
The Mythopoeic Society: Yeah, they made me sneeze. But but yeah, that was that was that was my

3454  
07:09:17.260 --> 07:09:18.150  
The Mythopoeic Society: Chinese.

3455  
07:09:18.450 --> 07:09:20.530  
The Mythopoeic Society: Hmm.

3456  
07:09:20.910 --> 07:09:22.020  
The Mythopoeic Society: wow!

3457  
07:09:24.220 --> 07:09:28.549  
The Mythopoeic Society: I think maybe minutes on the end of the lunch.

3458  
07:09:32.770 --> 07:09:35.560  
The Mythopoeic Society: yeah. These.

3459  
07:09:37.040 --> 07:09:40.260  
The Mythopoeic Society: they're not in Minnesoon.

3460  
07:09:40.280 --> 07:09:45.626  
The Mythopoeic Society: Minnesota stoism, Minnesota. kind of

3461  
07:09:46.700 --> 07:09:47.970  
The Mythopoeic Society: Oh.

3462  
07:09:49.300 --> 07:09:51.775  
The Mythopoeic Society: tendency to underreact

3463  
07:09:53.120 --> 07:09:54.050  
The Mythopoeic Society: and

3464

07:09:55.180 --> 07:09:56.430

The Mythopoeic Society: be somewhat

3465

07:09:56.820 --> 07:10:00.650

The Mythopoeic Society: bizarre humor sense of humor in some cases.

3466

07:10:03.490 --> 07:10:12.520

The Mythopoeic Society: I basically. And then the other thing is that I I grew up in a house full of translations of the Icelandic target.

3467

07:10:12.640 --> 07:10:26.572

The Mythopoeic Society: So I was getting both the contemporary Minnesota Scandinavian personality and the sign of personal money which is not identical, but had some similarities and just kind of

3468

07:10:27.760 --> 07:10:31.484

The Mythopoeic Society: Not exactly a flamboyant person.

3469

07:10:32.850 --> 07:10:36.860

The Mythopoeic Society: and maybe some of your flamboyant

3470

07:10:39.900 --> 07:10:44.759

The Mythopoeic Society: Patrick, my friend Patrick said. He was looking at homework of his

3471

07:10:46.360 --> 07:10:56.259

The Mythopoeic Society: at 1 point, who was standing in a parking lot talking to a landlord. Both Patrick and Jeff were working with homeless people.

3472

07:10:56.460 --> 07:11:01.860

The Mythopoeic Society: and he could tell that Jeff was starting to feel friendly towards the landlord

3473

07:11:01.980 --> 07:11:08.029

The Mythopoeic Society: because Jeff was not looking at his home. He was looking at the landlord's suit.

3474

07:11:10.380 --> 07:11:15.689

The Mythopoeic Society: and here I have to mention the movie Fargo, which happens to be

3475

07:11:15.740 --> 07:11:21.707

The Mythopoeic Society: an absolutely true movie. It is fantastically

3476

07:11:24.220 --> 07:11:32.408

The Mythopoeic Society: yeah, it is just amazing. The the villain of it who's played by Bill Macy is

3477

07:11:33.480 --> 07:11:36.459

The Mythopoeic Society: responsible for the deaths of several people.

3478

07:11:36.880 --> 07:11:47.449

The Mythopoeic Society: But he has very little affect. He's very kind of bland, he tells his son. He can't swear around his mother.

3479

07:11:48.015 --> 07:11:53.024

The Mythopoeic Society: And then he goes out and plots the kidnapping of of his wife.

3480

07:11:53.640 --> 07:12:01.412

The Mythopoeic Society: And that's a version of Minnesota. Nice Minnesota. Nice varies about it.

3481

07:12:02.934 --> 07:12:08.379

The Mythopoeic Society: it can be just plain all the way through. Nice.

3482

07:12:08.960 --> 07:12:13.679

The Mythopoeic Society: It can be passive or commit. It can be kind of market times.

3483

07:12:13.880 --> 07:12:20.760

The Mythopoeic Society: But the Cohen Brothers really, you know, they grew up in in St. Louis Park.

3484

07:12:21.471 --> 07:12:24.828

The Mythopoeic Society: They really understand Minnesotans, and

3485

07:12:26.280 --> 07:12:27.050

The Mythopoeic Society: oh.

3486

07:12:27.950 --> 07:12:35.000

The Mythopoeic Society: I guess the thing I say is, Minnesotans are familiar. I know I know what they're like. I I can put them in stories.

3487

07:12:35.810 --> 07:12:37.929

The Mythopoeic Society: They're not necessarily

3488

07:12:38.960 --> 07:12:43.339

The Mythopoeic Society: especially mice, even when they're mice.

3489

07:12:46.500 --> 07:12:55.229

The Mythopoeic Society: Anyone else on that. I wonder if anybody else, any of them, as they agree?

3490  
07:12:56.210 --> 07:12:57.840  
The Mythopoeic Society: No question

3491  
07:12:58.020 --> 07:12:58.930  
The Mythopoeic Society: wrong.

3492  
07:12:59.110 --> 07:12:59.830  
The Mythopoeic Society: So

3493  
07:13:11.500 --> 07:13:15.180  
The Mythopoeic Society: not talking about the names.

3494  
07:13:15.290 --> 07:13:17.360  
The Mythopoeic Society: They're not too familiar.

3495  
07:13:17.520 --> 07:13:19.730  
The Mythopoeic Society: It was English

3496  
07:13:20.110 --> 07:13:20.790  
The Mythopoeic Society: lunch.

3497  
07:13:28.940 --> 07:13:35.139  
The Mythopoeic Society: People who get up on the street homes didn't work people survivors

3498  
07:13:36.120 --> 07:13:41.469  
The Mythopoeic Society: for the opportunity.

3499  
07:13:42.290 --> 07:13:44.730  
The Mythopoeic Society: Yeah. So I think.

3500  
07:13:50.230 --> 07:13:52.580  
The Mythopoeic Society: sort of wrink out of that from bombs.

3501  
07:13:53.470 --> 07:13:56.280  
The Mythopoeic Society: Weather can kill you just as fast.

3502  
07:13:56.360 --> 07:13:58.999  
The Mythopoeic Society: and we are blessed to have

3503  
07:13:59.790 --> 07:14:04.540

The Mythopoeic Society: very good weather forecasting, and I have some insight into. Why.

3504

07:14:04.580 --> 07:14:16.310

The Mythopoeic Society: in 1,940, I think. Yes, the Armistice Day blizzard was so badly forecast by, I believe, the Chicago branch of the National Weather Service that they gave us our own.

3505

07:14:17.080 --> 07:14:18.030

The Mythopoeic Society: Yeah.

3506

07:14:18.790 --> 07:14:20.580

The Mythopoeic Society: excuse me.

3507

07:14:53.320 --> 07:14:54.340

The Mythopoeic Society: wow.

3508

07:14:54.760 --> 07:14:56.649

The Mythopoeic Society: The question was asking.

3509

07:14:57.860 --> 07:15:05.809

The Mythopoeic Society: Eleanor had mentioned the sense of community, and as a community of writers. What other writers who are not here?

3510

07:15:06.405 --> 07:15:14.659

The Mythopoeic Society: Express that same sense of community? Is that pretty close to what you said? Yeah, the kids.

3511

07:15:15.350 --> 07:15:17.340

The Mythopoeic Society: Sunshine. Jane Citty.

3512

07:15:17.490 --> 07:15:20.340

The Mythopoeic Society: you have the most. Yeah.

3513

07:15:21.129 --> 07:15:29.589

The Mythopoeic Society: The title is, you're without Sunshine by Naomi Spencer. Anybody else?

3514

07:15:35.120 --> 07:15:35.890

The Mythopoeic Society: Oh.

3515

07:15:37.160 --> 07:15:39.769

The Mythopoeic Society: anybody else wanted to give you a vote.

3516

07:15:46.410 --> 07:15:49.750

The Mythopoeic Society: not, in fact, the Herming bear witness

3517

07:16:04.530 --> 07:16:05.165

The Mythopoeic Society: and

3518

07:16:06.020 --> 07:16:06.880

The Mythopoeic Society: to

3519

07:16:08.150 --> 07:16:08.910

The Mythopoeic Society: to

3520

07:16:18.860 --> 07:16:20.550

The Mythopoeic Society: oh, I'm gonna do

3521

07:16:21.280 --> 07:16:22.210

The Mythopoeic Society: learn.

3522

07:16:22.510 --> 07:16:23.330

The Mythopoeic Society: Wow!

3523

07:16:25.360 --> 07:16:32.030

The Mythopoeic Society: So I had for a while getting to do this

3524

07:16:32.250 --> 07:16:34.880

The Mythopoeic Society: looks so like it because

3525

07:16:38.800 --> 07:16:41.760

The Mythopoeic Society: my kids have been cold

3526

07:16:52.170 --> 07:16:54.819

The Mythopoeic Society: questions I can get into the

3527

07:16:58.660 --> 07:17:00.529

The Mythopoeic Society: for the people living in the box.

3528

07:17:01.410 --> 07:17:04.900

The Mythopoeic Society: It is not universal that people will push you out of a snow drift.

3529

07:17:05.370 --> 07:17:16.539

The Mythopoeic Society: But if you have ever been equipped out of a snowdrift, you know how happy you were when somebody else decided this might be, Michael needs and stop to help.

3530  
07:17:16.790 --> 07:17:17.470  
The Mythopoeic Society: Okay.

3531  
07:17:17.730 --> 07:17:19.850  
The Mythopoeic Society: yeah, I think that's that's fair. Okay.

3532  
07:17:20.560 --> 07:17:21.520  
The Mythopoeic Society: Brian.

3533  
07:17:26.300 --> 07:17:30.919  
The Mythopoeic Society: we're all talking about things

3534  
07:17:31.230 --> 07:17:32.260  
The Mythopoeic Society: and

3535  
07:17:34.130 --> 07:17:42.390  
The Mythopoeic Society: And I'm just trying to map behind this.

3536  
07:17:42.540 --> 07:17:44.040  
The Mythopoeic Society: We're going to go on and say

3537  
07:17:44.490 --> 07:17:45.850  
The Mythopoeic Society: that state

3538  
07:17:54.630 --> 07:17:55.410  
The Mythopoeic Society: yes.

3539  
07:17:55.890 --> 07:17:59.509  
The Mythopoeic Society: in your infection. What makes us do that?

3540  
07:17:59.710 --> 07:18:03.639  
The Mythopoeic Society: You must find the beauty of

3541  
07:18:04.400 --> 07:18:06.400  
The Mythopoeic Society: rules. So

3542  
07:18:07.490 --> 07:18:09.419  
The Mythopoeic Society: to have more people involved.

3543

07:18:09.920 --> 07:18:21.159

The Mythopoeic Society: Brian just brought up Mount per Rodris, and how it is eurozation of how the weather is trying to kill us, and does anybody on the panel because I have something to say about the landing

3544

07:18:21.510 --> 07:18:29.488

The Mythopoeic Society: into the mic as well as in the screen. The question was about literalizing

3545

07:18:30.060 --> 07:18:34.320

The Mythopoeic Society: the metaphor of whether we find the bullying

3546

07:18:35.496 --> 07:18:40.629

The Mythopoeic Society: and I don't done that

3547

07:18:41.576 --> 07:18:43.310

The Mythopoeic Society: stomach. But

3548

07:18:43.840 --> 07:18:47.939

The Mythopoeic Society: when I write songs and and things.

3549

07:18:48.730 --> 07:18:54.620

The Mythopoeic Society: They feel me as a writer, as if they have personality, you know.

3550

07:18:55.100 --> 07:18:58.999

The Mythopoeic Society: with some fool in mind. I may not love it.

3551

07:19:00.020 --> 07:19:07.920

The Mythopoeic Society: I've I've never actually gone from Stat into. But that's

3552

07:19:10.660 --> 07:19:17.229

The Mythopoeic Society: in my, novel political matters for the very end of the book the protagonist has

3553

07:19:17.280 --> 07:19:18.290

The Mythopoeic Society: are

3554

07:19:18.750 --> 07:19:22.040

The Mythopoeic Society: powers. The chat quite comfortable, and he has

3555

07:19:22.140 --> 07:19:24.770

The Mythopoeic Society: called upon her home country.

3556

07:19:24.940 --> 07:19:26.840

The Mythopoeic Society: and the

3557

07:19:27.320 --> 07:19:29.619

The Mythopoeic Society: action goes on, and then

3558

07:19:31.270 --> 07:19:34.819

The Mythopoeic Society: the homecoming response in the form of a form. But

3559

07:19:35.370 --> 07:19:36.830

The Mythopoeic Society: the birds arrive.

3560

07:19:37.710 --> 07:19:49.069

The Mythopoeic Society: and that is a detail taken from an account of a survivor of the armistice, Dave Lizard, who was out on the river than the Mississippi.

3561

07:19:49.280 --> 07:19:56.789

The Mythopoeic Society: Very dear friend of mine from New York City, saw the Mississippi here for the 1st time, and said

3562

07:19:57.110 --> 07:19:58.600

The Mythopoeic Society: we were

3563

07:19:58.980 --> 07:20:00.130

The Mythopoeic Society: so.

3564

07:20:00.950 --> 07:20:25.329

The Mythopoeic Society: The survivor had been duck hunting with his family on the Mississippi River, because it was a lovely warm day, and of course it was duck season, and the skies were full of ducks and geese and everything else that knew what was coming, because they could sense that low atmospheric fruit. They were on their way

3565

07:20:25.350 --> 07:20:27.483

The Mythopoeic Society: to Oklahoma.

3566

07:20:29.780 --> 07:20:37.260

The Mythopoeic Society: and so I did my little best to put that into the manifestation of the home, complete as it answered the call

3567

07:20:41.066 --> 07:20:50.849

The Mythopoeic Society: to get back to people.

3568

07:20:51.020 --> 07:20:54.729

The Mythopoeic Society: They found a sandbar that was stable.

3569

07:20:54.760 --> 07:20:57.689

The Mythopoeic Society: and see what we've got go to their book

3570

07:20:58.050 --> 07:21:01.880

The Mythopoeic Society: on the sandbar. And he felt and and

3571

07:21:01.960 --> 07:21:07.840

The Mythopoeic Society: he was much like younger than the other ones in the pudding, and he felt that it was

3572

07:21:08.430 --> 07:21:13.630

The Mythopoeic Society: pivotal to his survival that he let the dog be inside his boat

3573

07:21:13.810 --> 07:21:15.659

The Mythopoeic Society: because God kept him warm.

3574

07:21:21.140 --> 07:21:22.670

The Mythopoeic Society: 3, 8.

3575

07:21:23.140 --> 07:21:23.940

The Mythopoeic Society: Thanks.

3576

07:21:26.820 --> 07:21:34.160

The Mythopoeic Society: You think that the next summer here, just a little bit. C.

3577

07:21:37.200 --> 07:21:44.540

The Mythopoeic Society: Sorry I missed the question here. Do you think

3578

07:21:44.590 --> 07:21:50.919

The Mythopoeic Society: distinguishes people to have a good philosophy, and they believe if they live in spring

3579

07:21:57.790 --> 07:21:58.685

The Mythopoeic Society: well,

3580

07:22:00.450 --> 07:22:03.899

The Mythopoeic Society: we produced scott fitzgerald.

3581

07:22:04.220 --> 07:22:07.339

The Mythopoeic Society: we produced sinclair lewis

3582

07:22:09.706 --> 07:22:11.933

The Mythopoeic Society: kind of the great.

3583

07:22:12.810 --> 07:22:16.260

The Mythopoeic Society: I guess. National epic of Sweden

3584

07:22:16.330 --> 07:22:21.770

The Mythopoeic Society: is the immigrants which is partly set in Minnesota.

3585

07:22:21.980 --> 07:22:25.862

The Mythopoeic Society: and these are all realistic novels.

3586

07:22:26.600 --> 07:22:27.893

The Mythopoeic Society: I think.

3587

07:22:30.580 --> 07:22:35.349

The Mythopoeic Society: there isn't a natural tendency to

3588

07:22:35.740 --> 07:22:39.359

The Mythopoeic Society: write of fantastic fiction.

3589

07:22:39.880 --> 07:22:43.350

The Mythopoeic Society: I think one thing makes a difference here.

3590

07:22:43.440 --> 07:22:50.150

The Mythopoeic Society: which is that we've now had decades of a very solid science fiction and fantasy community.

3591

07:22:50.480 --> 07:23:04.489

The Mythopoeic Society: And I think that is likely to encourage the, you know, writing, reading, Science fiction and fantasy and writing Science Fiction and fantasy. I think that's been. And speaking of cooperation.

3592

07:23:08.740 --> 07:23:09.540

The Mythopoeic Society: And then

3593

07:23:09.730 --> 07:23:10.970

The Mythopoeic Society: we have

3594

07:23:11.010 --> 07:23:15.550

The Mythopoeic Society: Minnesotans seem to form writers groups at the drop of a hand.

3595

07:23:18.980 --> 07:23:21.156

The Mythopoeic Society: Yeah, we have had

3596

07:23:22.090 --> 07:23:23.260

The Mythopoeic Society: I

3597

07:23:24.720 --> 07:23:35.919

The Mythopoeic Society: all the way back I mean the the you know Gordy Dixon and Cliff Simec and the God! What was it that they called it the the group that they had

3598

07:23:36.160 --> 07:23:55.069

The Mythopoeic Society: was that met down at the Paradise Bar. Because I remember that I remember Gordy talking about that about, you know, at the the conventions. But yeah. And Paul Anderson, I think, lived here for a while, because he and he and Gordy and Cliff sinek at the end of it. They had this, this

3599

07:23:55.300 --> 07:24:11.891

The Mythopoeic Society: at the end of the Paradise Bar, and they all went, and that was how you were inducted into the the group was to have to be the one who said, Hey, let's all go down. So he inducted us all, even though the Paradise bar doesn't exist anymore.

3600

07:24:12.300 --> 07:24:14.649

The Mythopoeic Society: okay. But yeah, I mean, it goes it goes

3601

07:24:14.970 --> 07:24:20.819

The Mythopoeic Society: way way back that that there have been science fiction and fantasy writers in Minnesota.

3602

07:24:21.080 --> 07:24:27.669

The Mythopoeic Society: And I think that's way more important in developing new Science Fiction fantasy on this than

3603

07:24:28.680 --> 07:24:33.660

The Mythopoeic Society: you know. The weather and the the rest of the things that we talk about those influence.

3604

07:24:33.960 --> 07:24:37.240

The Mythopoeic Society: We become it and what we will.

3605

07:24:37.420 --> 07:24:39.920

The Mythopoeic Society: But they don't service that

3606

07:24:40.560 --> 07:24:43.989

The Mythopoeic Society: initial impact influence with

3607

07:24:44.270 --> 07:24:46.570

The Mythopoeic Society: to be writing about.

3608  
07:24:47.850 --> 07:24:49.859  
The Mythopoeic Society: Science fiction fantasy.

3609  
07:24:50.430 --> 07:24:57.220  
The Mythopoeic Society: And I'm gonna shout out, green Haven and the uncles

3610  
07:25:02.690 --> 07:25:07.389  
The Mythopoeic Society: we stayed in medicine

3611  
07:25:07.590 --> 07:25:11.299  
The Mythopoeic Society: were bought by this company, and

3612  
07:25:11.310 --> 07:25:21.590  
The Mythopoeic Society: but part of what we see here is we looked at. The Edwards community in general community is here. I don't think.

3613  
07:25:22.485 --> 07:25:23.170  
The Mythopoeic Society: You.

3614  
07:25:23.490 --> 07:25:29.490  
The Mythopoeic Society: I'll stay with that science fiction fantasy, that particular conventions, then

3615  
07:25:29.890 --> 07:25:31.820  
The Mythopoeic Society: Minneapolis is simple

3616  
07:25:31.830 --> 07:25:35.849  
The Mythopoeic Society: science fiction, fancy conventions. We have a lot

3617  
07:25:36.000 --> 07:25:37.910  
The Mythopoeic Society: sooner, Con, and that was.

3618  
07:25:38.080 --> 07:25:46.929  
The Mythopoeic Society: and it was mostly economy. I think a lot of the reason that you have such a vital market here is because

3619  
07:25:50.670 --> 07:25:55.479  
The Mythopoeic Society: and it's been building for decades. And it's been. And he was the important group

3620  
07:25:55.580 --> 07:25:56.530  
The Mythopoeic Society: to hear it.

3621

07:25:58.780 --> 07:26:04.909

The Mythopoeic Society: So yes, you have in those brief.

3622

07:26:05.610 --> 07:26:10.159

The Mythopoeic Society: the writers community in this town.

3623

07:26:10.190 --> 07:26:17.470

The Mythopoeic Society: There's there's a there's any number of really important publishers in this town Coffee House, Grey Wolf.

3624

07:26:17.490 --> 07:26:20.960

The Mythopoeic Society: any number. I had my quarrels with the loft.

3625

07:26:20.990 --> 07:26:28.179

The Mythopoeic Society: but it still serves a function that maybe some people don't realize how useful that functioning actually is.

3626

07:26:28.570 --> 07:26:29.370

The Mythopoeic Society: Yeah.

3627

07:26:29.850 --> 07:26:33.124

The Mythopoeic Society: And, as as you say,

3628

07:26:34.230 --> 07:26:40.499

The Mythopoeic Society: There aren't very many places in the company that have information.

3629

07:26:40.570 --> 07:26:43.751

The Mythopoeic Society: Please explain what it is. It is. It is a

3630

07:26:46.940 --> 07:26:55.400

The Mythopoeic Society: writing oriented writing and book oriented they hold classes.

3631

07:26:57.155 --> 07:27:00.319

The Mythopoeic Society: They hold rooftops, they, you know. They're they're

3632

07:27:00.480 --> 07:27:02.100

The Mythopoeic Society: there's not much

3633

07:27:03.980 --> 07:27:12.330

The Mythopoeic Society: you know. They well, they they hire. Yeah, they hire local writers to teach classes. We also

have

3634

07:27:12.450 --> 07:27:13.240

The Mythopoeic Society: aye

3635

07:27:13.500 --> 07:27:18.359

The Mythopoeic Society: in Seinfeld, which is run by the University of Minnesota, which not anymore.

3636

07:27:19.830 --> 07:27:23.581

The Mythopoeic Society: well, was was for a very long time.

3637

07:27:24.170 --> 07:27:40.860

The Mythopoeic Society: yeah, there was. There is. There were classes up in in Duluth at at Splitterhub, and and I know that's changed a lot, but but there have been a lot of it's sort of like anytime. One of them dies. Something else pops up

3638

07:27:42.167 --> 07:27:47.349

The Mythopoeic Society: and so far, so far. Yes, and I.

3639

07:27:50.110 --> 07:27:52.309

The Mythopoeic Society: We've understood.

3640

07:27:53.350 --> 07:27:55.409

The Mythopoeic Society: This glass

3641

07:27:55.550 --> 07:28:01.810

The Mythopoeic Society: is not only half empty, it is about to roll off the table and break, and it's made of plastic.

3642

07:28:02.900 --> 07:28:08.639

The Mythopoeic Society: Nobody can do it like a native. I

3643

07:28:08.670 --> 07:28:22.620

The Mythopoeic Society: also speaking to the support I mean the the book stores support the writers, I mean, every time I have had Grandma Peru I have a book come out, and I get a call from Uncle saying, Do you want

3644

07:28:22.910 --> 07:28:24.400

The Mythopoeic Society: to do with planning.

3645

07:28:24.700 --> 07:28:35.169

The Mythopoeic Society: And it's not because, excuse me at the beginning. It's not because I'm pulling people in to buy the book and get them lots of sales. It's a lot of work to put those on. It's they're supporting rules

3646

07:28:35.500 --> 07:28:36.850

The Mythopoeic Society: and look.

3647

07:28:37.320 --> 07:28:55.609

The Mythopoeic Society: And the conventions do the same thing, and the the and the other readers do the same thing. I mean Gordon Dixon is probably the one that I personally knew the most, and as far as he was concerned, if you publish anything. You were his eagle, and he talked to you like an eagle.

3648

07:28:55.730 --> 07:29:05.450

The Mythopoeic Society: and if you and you've asked him a question like, How do I do? Characterism? He would stop and point to you and spend minutes.

3649

07:29:05.880 --> 07:29:07.600

The Mythopoeic Society: And you know.

3650

07:29:08.020 --> 07:29:13.469

The Mythopoeic Society: explaining to you what the key things were that that you needed to know

3651

07:29:14.294 --> 07:29:16.750

The Mythopoeic Society: and and you can

3652

07:29:17.100 --> 07:29:24.040

The Mythopoeic Society: conventions when you know sometimes when he's needed to be on panel, you know it was, and then it's been full of

3653

07:29:24.190 --> 07:29:33.929

The Mythopoeic Society: all of their rooms that I've known that I've known here throughout my career. I you know those people. Just a tremendous tremendous

3654

07:29:34.520 --> 07:29:41.449

The Mythopoeic Society: Minnes Minnesota poets, the Minnesota League of Minnesota poets. Yeah, we have. We have like multiple

3655

07:29:41.750 --> 07:29:45.349

The Mythopoeic Society: different things. It's it's it's amazing.

3656

07:29:45.460 --> 07:29:46.239

The Mythopoeic Society: What do you mean?

3657

07:29:47.855 --> 07:29:50.449

The Mythopoeic Society: Thanks so much.

3658

07:29:54.830 --> 07:29:55.620  
The Mythopoeic Society: Chat

3659  
07:29:57.250 --> 07:30:12.800  
The Mythopoeic Society: Braywalk and the Minnesota center

3660  
07:30:13.170 --> 07:30:14.140  
The Mythopoeic Society: down

3661  
07:30:14.330 --> 07:30:16.922  
The Mythopoeic Society: pretty much the information.

3662  
07:30:17.720 --> 07:30:24.439  
The Mythopoeic Society: yeah, when I left Detroit, because I didn't see that Detroit had much of a future

3663  
07:30:25.005 --> 07:30:31.309  
The Mythopoeic Society: I was pretty sure the companies were gonna move out of town, and there isn't going to be any jobs.

3664  
07:30:31.880 --> 07:30:34.890  
The Mythopoeic Society: So where do I want to move?

3665  
07:30:34.910 --> 07:30:40.209  
The Mythopoeic Society: I wanted to move someplace that was reasonably safe

3666  
07:30:41.680 --> 07:30:48.869  
The Mythopoeic Society: that was affordable, and the Twin Cities has become more expensive. But at the time it was affordable.

3667  
07:30:49.760 --> 07:30:53.260  
The Mythopoeic Society: and where there was a substantial art scene.

3668  
07:30:53.680 --> 07:30:54.600  
The Mythopoeic Society: and

3669  
07:30:56.480 --> 07:31:06.239  
The Mythopoeic Society: I don't know how many theaters there are at this point, but there's the dusty and a lot of subsidiary theatre theaters still.

3670  
07:31:08.770 --> 07:31:17.119  
The Mythopoeic Society: I don't know how many are art museums? 3 off the top of my head, not how many the Russian Museum, or maybe

3671  
07:31:19.730 --> 07:31:26.489  
The Mythopoeic Society: There's the Minnesota Orchestra and the St. Paul Chamber Orchestra

3672  
07:31:27.173 --> 07:31:36.380  
The Mythopoeic Society: the cities. Have generated a tremendous amount of culture, and I'm not entirely sure

3673  
07:31:38.710 --> 07:31:42.850  
The Mythopoeic Society: why, I think it probably has something to do with the impulse to push

3674  
07:31:43.200 --> 07:31:50.859  
The Mythopoeic Society: stack harms that that you want to help other people. It doesn't.

3675  
07:31:51.370 --> 07:31:55.969  
The Mythopoeic Society: It isn't purely ethnic, because it's not the same in the Dakotas which are

3676  
07:31:56.230 --> 07:31:58.700  
The Mythopoeic Society: have similar ethnicities.

3677  
07:32:00.400 --> 07:32:03.000  
The Mythopoeic Society: not as true of Wisconsin.

3678  
07:32:03.466 --> 07:32:06.033  
The Mythopoeic Society: I'm not quite sure what it is

3679  
07:32:06.470 --> 07:32:09.270  
The Mythopoeic Society: clearly somewhere back there.

3680  
07:32:10.398 --> 07:32:12.430  
The Mythopoeic Society: I don't know some

3681  
07:32:12.660 --> 07:32:14.710  
The Mythopoeic Society: Evelyn spirit

3682  
07:32:15.190 --> 07:32:16.199  
The Mythopoeic Society: blessed!

3683  
07:32:17.530 --> 07:32:19.630  
The Mythopoeic Society: Our 10,000 lakes!

3684

07:32:20.370 --> 07:32:29.109

The Mythopoeic Society: And and I can now talk about homelessness and all the things that are wrong. But there's a lot that's remained.

3685

07:32:29.860 --> 07:32:37.010

The Mythopoeic Society: Yeah. And it's it's lovely arts. It's it's nimble arts as well. Things like

3686

07:32:37.510 --> 07:32:42.179

The Mythopoeic Society: school. Yeah, I found weird things like, you know the the

3687

07:32:42.500 --> 07:32:49.119

The Mythopoeic Society: jumping on Monday livings at St. Louisa.

3688

07:32:49.280 --> 07:32:54.759

The Mythopoeic Society: Yeah, as soon as you have a time, please.

3689

07:32:55.200 --> 07:32:56.060

The Mythopoeic Society: Yes, sir.

3690

07:32:56.960 --> 07:33:20.480

The Mythopoeic Society: Well, then let's have David, and then we'll stop.

3691

07:33:24.350 --> 07:33:32.620

The Mythopoeic Society: You actually use

3692

07:33:33.070 --> 07:33:34.340

The Mythopoeic Society: Michael Rees

3693

07:33:34.710 --> 07:33:36.450

The Mythopoeic Society: in the library loan

3694

07:33:37.280 --> 07:33:42.610

The Mythopoeic Society: everything. David just said that I can't remember

3695

07:33:44.560 --> 07:33:45.240

The Mythopoeic Society: bye bye

3696

07:33:45.380 --> 07:33:47.326

The Mythopoeic Society: current selection.

3697

07:33:55.790 --> 07:33:56.820

The Mythopoeic Society: so

3698

07:33:57.080 --> 07:33:57.840

The Mythopoeic Society: so.

3699

07:33:58.220 --> 07:34:02.250

The Mythopoeic Society: so, thank you very, very much for presenting
