THE VICE PRESIDENT  
WASHINGTON

April 13, 1965

Dear Major:

My visit to Cape Kennedy in February and my subsequent follow-up for the Gemini shot provided a great deal of information and a thirst for much more. I am delighted to know that you are going to be on the Gemini rendezvous mission with Wally Schirra and hope that I may visit with the two of you when you return just as I did on Washington's birthday. Good luck to you.

With my best wishes.

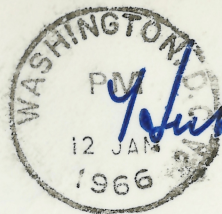

Sincerely,

A handwritten signature in cursive script, reading "Hubert H. Humphrey".
